THE CHRONICLE, DURHAM, Aug. 17th, 1899.

FLESHERTON.

A pleasant family re-union took place at the home of Mr. and Mrs. Peter Holman in this village on Tuesday evening of last week.

The Methodist Sabbath School picked on the Beaver Meadow Friday afternoon last. Old and young were there and had an enjoyable outing.

The Flesherton Police Trustees are erecting a small building, or perhaps we should say fire hall, on the Town Hall lot in which is to be kept the village fire engine.

Mr. Wm. Sinclair occupied the Methodist pulpit here on Sabbath morning last. Mr. Sinclair is at home on the back line resting until college opens when he enters upon his theological course.

We congratulate Mr. Hubert Ward and Blanche Hamilton of this place and Miss Hannah Stafford of the 4th line upon their success at the recent High School examinations at Owen Sound.

Miss Annie Richardson of Toronto visited friends at Owen Sound and is spending a couple of weeks at home with her parents Mr. and Mrs. M. Richardson.

Miss Middleton of Embro is visiting her College friend, Miss Florrie Richardson.

Miss Cole, of M. Richardson & Co's establishment Dundalk is home here for holidays.

Mr. and Mrs. Runstadler have been holidaying with relatives at Waterloo.

Miss Bert Crossley visited friends at Meaford last week.

Mr. W. E. Southgate and Master Willie of Toronto joined the campers from here at Kimberley on Saturday last.

Mrs. Abrahams, of Great Falls, Ont. is the guest of Mrs. Wm. Strain this week.

Miss Christie, of Owen Sound, is the guest of Miss Clinton.

Mr. and Miss McTavish and Mr. and Mrs. Collins of Mt. Forest visited over Sunday with Mr. D. McTavish.

CORNER CONCERNS.

Mrs. Rosenberg, of New York, and her two children are spending a few weeks with her father, Mr. Jas. Vessie. The little folks are enjoying immensely their freedom in the fresh air while she is heartily renewing old acquaintances.

Considerable fall wheat and barley threshing has been done. The latter is an abundant crop exceeding the excellent yield of last year, but the former is not very great in either yield or sample.

Mr. John Vessie is going to purchase a new engine for his threshing outfit.

Principal Allan and Grand Organizer Bradley have secured a few A. O. U. W. candidates in this neighborhood.

The prosperity of our line will be seen far and wide after Professor Calvert's visit to it last week with his camera.

The Varney side road is now the best in the county since Ben Crittenden and A. Baird completed their job of gravelling.

The Lawrence Hall picnic this year was the best ever held in that part which is saying a great deal.

Mr. John Calvert shipped a car load of lambs from Holstein, Monday, for which he paid \$4 apiece.

Your Varney Cormorant is having a happy time since the Dr. prescribed a bushel of dried apples to swell out his ribs that got staved in. He sang in his sleep one night and it does seem like a special dispensation of Providence to receive such a quantity of dessert along with the mammoth feed of beef which the hard Spring brought him.

Mrs. Mary Marcelles, of Toronto, visited her sister, Mrs. Wm. Sirrs last week.

Mr. Isaac Sirrs leaves on Tuesday for Dakota. He has spent the past six months in this part and thereby strengthening very much his affection for the place.

Mr. and Mrs. Willie McMeeken have gone to seek their fortune at Sault Ste. Marie. They have relatives in that part which will make it more home-like for them.

A little boy arrived at the home of Mr. Jas. Hay last Friday just in time for the harvest. Although he may do little more than wake the other hands in the morning he will be appreciated.

While discussing the many attractions of the Firemen's Picnic on their way home the occupants of Mr. Pete Black's rig never noticed that the harness had become deranged which caused Pete and Miss Nellie Grashy to be thrown out. With the exception of slight bruises they escaped unhurt.

Master Oliver Chapman, of Shallow Lake, wheeled down to visit his many friends in this part for a while.

There is no need of a Curfew Bell in South Glenelg at present as a wild cat which makes a terrific noise every night causes all under the age of twenty-one to retire at dark. It is hoped some one will put an end to his catship before anyone smothered under the blankets.

HOLSTEIN.

Mr. Arthur Isaac, of the firm of E. R. Boller & Co., Guelph, spent several days of late visiting old acquaintances here.

Mr. and Mrs. Lyndal and family, of Arthur, were the guests of R. Mickleboro', of River Bank farm, last week.

Rev. J. W. Magwood left Monday for three weeks' holidays. He purposes visiting Southampton and Kincardine.

About forty of our villagers and others assembled at the residence of H. Ham Esq. on Saturday evening for the purpose of paying their tribute of respect to him as a citizen. The occasion was improved by presenting him with The "People's Cyclopaedia" consisting of six large volumes, in Russian binding. Mr. W. T. Petrie took charge of the arrangements. W. J. Sharp read the address and Mr. T. Brown made the presentation. Mrs. Ham was also presented with a beautiful set of silver knives and forks, this part being ably attended to by Mrs. Wallace, after which short addresses were delivered by Messrs. Magwood, Brown, Sharp, Dr. Brown, Burrows, Doupe, Allan and Petrie all of whom spoke in glowing terms of Mr. H. not only as an official but as a citizen. Several patriotic selections were rendered by Miss J. Doupe and Mr. Ham also a male quartette by Messrs. Brown, Ham, Thair and Mickleboro' brought the meeting to a close.

Mr. A. Sim has secured the con-

tract of repairs at the School House and is busy getting things into shape for the opening of School next Monday.

Rev. Mr. Jansen addressed a joint meeting of the Methodist and Presbyterian congregations in the Methodist Church Sunday evening on the Lord's Day Alliance subject. Mr. J. threw out some very practical hints which will, no doubt, tend to arouse thought on the question.

Mr. W. Smith, of New York State, is visiting the scenes of his boyhood after an absence of about sixteen years.

W. Cameron and wife were the guests of Holstein friends Sunday.

Mr. A. Garroch, of the firm of Garroch Bros., Listowel, spent Sunday as the guest of Mr. D. Cameron.

Mr. Alex. Pollock returned Monday after a two months' visit to the land of his nativity, "The Emerald Isle of the Sea." He says business and farming operations are carried on much the same as when he left that land about forty years ago. The trip did him good as his health is improved. He reports encountering ice fields off the North coast of Newfoundland causing a delay of eight hours on the home trip.

DROMORE.

The foot ball teams of Dromore and Swinton Park engaged in a friendly match on Saturday evening last. The Dromore team were victorious by two goals to one.

Our esteemed old friend Mrs. Moore has been suffering for some time from a diseased condition of one of her legs. We regret that she is not recovering as rapidly as we would wish.

The home of Mr. and Mrs. James Tucker has been made cheerful by the visit from sons James H., of Toronto, and Willie, of Markdale, and also their daughter Mrs. Rennie, of Proton Station.

Editor and Mrs. Ramage and children visited friends here on Saturday and Sunday.

SPAIN'S GREATEST NEED.

Mr. R. P. Olivia, of Barcelona, Spain, spends his winters at Aiken, S. C. Weak nerves had caused severe pains in the back of his head. On using Electric Bitters, America's greatest Blood and Nerve Remedy, all pains soon left him.

GIFT FOR A BRIDE. At a recent wedding the bridesmaids gave to the bride a chest of linen as a joint present. The chest was a handsome piece of furniture, made in quartered oak, finely polished and fitted with compartment trays. Its contents included four sheets and pillow cases of fine linen, hemstitched and with the bride's initials in small letters at one side just below the hem; a beautiful tablecloth and a dozen dinner napkins, each piece having the bride's initials, and a number of fancy lace and tray cloths. The embroidery was the work of the donors, which enhanced the value. Sprigs of lavender were laid away in the folds of the linen tissue paper tied with white ribbon, a spray of orange blossoms below which tied together the cards of the donors.
