LOST.—On Saturday evening July 29th., between Gray's Corner and Lower Town, a Baby's Red Cloak, Plaid Lined. Finder will oblige by leaving it at J. & J. Hunters' Corner Store, or at the CHRONICLE Office.

On Friday evening last a pleasant time was spent on the grounds of Mr. Thomas Banks near Edge Hill, the event being a garden party under the auspices of the Sunday School. A goodly number were in attendance and everything passed off very sociably and very quietly. About ten o'clock, the most tempting edibles were served in abundance and all with one accord joined in the exercises. As soon as the inner cravings were satisfied, and let it be said it took some time as the cakes, pies and cooking generally were very tempting. Mr. James Staples, Reeve of Glenelg, was called to the platform and disposed of an impromptu programme consisting of short addresses by Messrs. Ramage, John Moffat, W. Irwin, a couple of very appreciative songs each by Mr. Falkingham and Miss Reynolds and a chorus by a number of the School girls. Mr. J. A. Hunter entertained the audience also in a vocal selection expressive of his determination to be a soldier. Mr. Geo. Ritchie and Miss McNally on the violin and organ respectively were much appreciated in their instrumental duet. Recitations were also given by Miss Johnston, of Orchard, Miss Via Reynolds, of Edge Hill, and Mr. H. McKechnie, of Dornoch. Everything passed off pleasantly and the funds of the School were increased by upwards of \$20.00

"A Little More Salt."

We think that some people do not salt TILLSON'S FLAKE BARLEY quite enough when making their porridge or pudding with it. Try a little more salt to-morrow and see how it improves the porridge and the pudding too.

"A little more salt" can do no harm at any rate unless you have already learned just the right quantity to make the porridge or the pudding exactly suit your taste.

"PIEDS."—The flour and feed clerk struck a picnic when he found the pie left out on the window behind the hotel to cool. The girls say they wouldn't care if he hadn't been such a glutton as to get away with the plate and knife too.

DIDN'T GET A GOAL.—On Thursday afternoon last a friendly game was played on the Agricultural Grounds between the Junior lacrosse teams of Mt. Forest and Durham in which the home team secured four goals in an actual play of forty-three minutes. From the start it was seen that the Durham boys were the most skillful in handling the sticks and a cheer of victory after five minutes' play announced a goal for the home boys, the ball being shot through the standard by Jeff McCracken, who showed some good work throughout the game. In the next three games the Mt. Forest boys showed a determination to win, or die in the attempt, but they did neither. Though they did some very good playing the r indomitable opponents proved too much for them. Norman McIntyre refereed the game, while Editor Lambert and Fred Ryan acted as field captains for Mt. Forest and Durham respectively. The game was an exceedingly friendly one throughout, and the teams pretty equally matched in size and weight. Though the visiting team will ultimately become good players, they need a great deal of practice before they can cope successfully with the Durham Juniors. The home team lined up as follows:—A. Laidlaw, G. W. Elliot, P. C. McIntyre, C. P. C. Lavelle, 1st d., A. McIntyre, 2nd d., T. McDonald, 3rd d., E. McClocklin, C., J. Lavelle, 3rd h., E. Allan, 2nd h., W. Cameron, 1st h., J. McCracken, O. h., D. Munro, i. h., W. Swallow acted as umpire at the Durham goal and—McFadden at the Mt. Forest goal. Jeff McCracken put the ball through the goal in the 1st, 2nd and 4th games, and Douglas Munro had the honor of scoring the third.

Suffering caused by Piles
Is Quickly Ended when—
Dr. A. W. Chase's Ointment is applied

Besides the intense agony caused by the itching, burning sensations of piles, there are other symptoms, which produce restlessness and at times excruciating pains known only to the victim of piles.
What would one give to be free of this terrible disease? And yet there is a cure—a perfect cure—which does not cost much and is not painful or difficult to apply.
Dr. A. W. Chase's Ointment is, so far as is known, the only absolute cure for blind, itching, bleeding and protruding piles. It gives relief at the first application and affords a perfect cure in the most aggravated cases.
Mr. Isaac Foster, Erieview, Ont., says: "I was troubled with itching piles for two years and could not sleep at night. I was half crazed and tried everything. Finally seeing Dr. Chase's Ointment advertised I tried it and found it good. After a second application I found relief, and one large box cured me. Have never been bothered since, and I can recommend it to all suffering from the same trouble."
Dr. Chase's Ointment is for sale by all Dealers, or Edmanson, Bates & Co., Toronto.

LOCAL NEWS.

The Model School re-opens on Tuesday next, Sept. 5th.
Mr. BEAN of the Big 4 will soon move his family and business into the Calder Block next door to Morlock's.

Mr. JAKE KRESS moved down town Monday and is now showing goods to the best advantage in his new rooms in the Calder Block.

The McKechnie and McCracken Buildings are rapidly nearing completion when additional business will be conducted "down town".

The young man who was charged last week with helping himself to a Middaugh House pie denies being guilty. We apologise for the appearance of the item, believing that his innocence, if he really is innocent, may be attributed to the fact that the other fellow got there first.

NOT ANXIOUS.—The Durham Cricketers, who defeated Palmerston boys here on Civic holiday played a return match last week, when they came out second best and shewed no anxiety to have the game reported. We understand Durham made 37 runs in two innings while their competitors scored 35 in one. One fellow here says the boys played well enough but they couldn't hit the darn ball. "Wait till you see us next year."

BLUSHED AT NIGHT.—A number of citizens called at the residence of Mr. Wm. Gorsline to witness the opening ceremony of a Night-blooming Cereus to which Mr. Gorsline gives the rather formidable name of PHYLOCACTUS LATIFRONS. The more common name is "Queen Cactus," a night bloomer, of which, we are told there are about two hundred different varieties. Other buds are developing and those who missed the last sight will have another opportunity ere long, to gratify their curiosity.

A BRUCE County Constable captured a young man last week near Dundalk, on a charge of fraud alleged to have been committed on a farmer near Ripley. On their way back the constable and his captive slept together in the same bed at Orchard, over night. In the morning the officer of the law went quietly down down stairs leaving his prisoner snoring the sleep of the just. Seizing his chance the prisoner dressed, went down stairs and coolly walked away. "He never came back" and though a search was almost instantly made, no trace of him could be found, and the disappointed constable had to make the best of his way home alone.

On Thurs. afternoon the Annual Presbyterian Sunday School Picnic was held in Mr. McGirr's Grove, near the second concession of Glenelg, whither a great many citizens, members and school children wended their way to enjoy the amusements and festivities of the occasion. Various amusements such as swinging, running, quoiting and other innocent games were indulged in, the older members doing all they could to make the little ones enjoy their day's outing. A bounteous supply of provisions, the best producible, were served out to old and young, and it is needless to say the appetites of the crowd, whetted by the exertions of the amusements, soon made them disappear. Mr Caldwell's livery had been engaged to take out, free of charge, all who wished to go. The day, though warm, was exceedingly pleasant for the occasion.

INSPECTOR Campbell was in Owen Sound Friday last at the meeting of the County Board of Examiners, the purpose of the meeting being to make a distribution of the Model School Pupils to the Model Schools, and to consider renewal of teacher's certificates. There were thirty-five applications for attendance at the Model Schools, assigned as follows:—12 each to Owen Sound and Durham and 11 to Meaford. The following students have been allocated to Durham viz—Robert Allan, Chesley; Tina McLean, Axton; Maggie J. McKenzie, Cedarville; Bertha Shaw, Tara; Ida Quibbles, Chesley; J. W. Gernym, Warton; John D. Gilchrist; Chatsworth; Ada M. Gilpin, Warton; Phoebe A. Moody, Boothville; Lizzie Murdoch, Holland Center; Jennie Murdoch, Holland Center; Belle Wallace, Chesley.
