James Danbrook, merchant, of Newbridge.

The ceremony was performed in the Methodist church. At 3:15 o'clock the groom entered from the right side, and after a brief interval the bride entered from the left leaning on her father's arm who conducted her to the altar. The knot was tied by the Rev. J. W. Macgwood in the presence of about seventy-five guests. The groom was supported by Mr. H. Doupe, while Miss Danbrook, sister of the groom, assisted the bride. Immediately after the ceremony the bridal party retired to the residence of the bride where a reception was held. Many and costly were the presents which showed the esteem in which they were held. They left for their home on Thursday morning amid showers of rice and good wishes.

SKIN-DEEP BEAUTY!

DR. AGNEW'S OINTMENT BEAUTIFIES THE SKIN

"Handsome is that handsome does," is the old theoretical adage, but after all it's the skin-deep beauty that's attractive. It would take a big lot of handsome doing to compensate for a skin that is diseased and whose appearance is distasteful to all who see it, and the torment of the patient whose daily burden it is to bear it about. DR. AGNEW'S OINTMENT is a wonderful cure for all sorts of Skin Diseases—itching, burning, stinging sensations which are accompaniments—tetter, salt rheum, scald head, ring worm, eczema, itch, ulcers, erysipelas, liver spots, and all eruptions of the skin—one application allays the irritation, and perseverance in its use results in a speedy cure. For blind, bleeding, itching, and ulcerating piles it's a magical

balm; one application gives comfort and relief in an instant, and in from three to five nights the trouble disappears. Price, 35 cts.

A London lady had eczema for years so badly, her face and neck were so disfigured she went into a life of seclusion, and the stinging pain of it was so intense that, to use her own words, she "went next thing to mad." She tried many ointments, salves and washes—was treated by specialists on skin diseases without getting any lasting benefit. She bought a box of Dr. Agnew's Ointment—one application gave her comfort, and to-day, after using three boxes her skin is as clear and pink as a baby's.

A Toronto gentleman, living on Dovercourt Road, spent a small fortune in treatments and remedies for piles in their very worst form, was treated by electricity with temporary relief only, and had decided to go on the operating table and have a surgical operation performed, but was recommended to try Dr. Agnew's Ointment—the first application of it relieved the intense distress—he persisted in its use and to-day he's rewarded with a cure after years of suffering.
