WATER. When a burglar wants to break intractor here in London, and my friends to a Peruvian house he takes a sponge

and a bucket of water and moistens the walls, which are covered with only a thin coating of mud, and easily dissolve upon the application of moisture. Then when the mud is removed he takes a sharp knife and cuts the strips of split bamboo which serve as a substitute for laths. That easy little operation produces a hole in the wall large enough for a man to crawl through, and can be performed so silently that people sleeping in the house will not be awakened. Not long ago the residence of the cable manager at Barranca was entered in this way. The thieves frightened the family, but were discovered before they had seized much booty.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For agreat many years doctors pronounced it a local disease, and prescribed local remedies, and by co stantly failing to cure with local treatment, pronounced it incurace. Science has preven catarrh to be a constitutional disease, and therefore requires constitutional treatment, Hall's Catarrh Cure, manufactured by F. J. Cheney & Cy., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred do lars for any case it feils to cure. Send for circulars and testimonials
