

**ent Cancer.**

Some twelve years ago Mrs. Elizabeth Gilhula, wife of the postmaster of Buxton, Ont., was taken ill with an obscure stomach trouble which her physicians pronounced cancer of the stomach and informed her that her lease of life would be short. On the advice of a friend taking Burdock results that followed of marvellous. Her returned and in a short time she was completely cured. Mrs. Gilhula wrote at

ago I was taken sick and consulted several physicians here, all of whom said to be cancer of the stomach, and told me to be expected that I would not live long. I was given up to die, but some of my friends, who had used Burdock Blood Purifier, advised me to try it, and I am glad to say that I am now much better. I was thankful to state that the disease had been cured. I am firmly convinced that Burdock Blood Bitters saved

me from her a short time ago. I thank you for saving my life and highly recommend Burdock Blood Bitters to all who suffer from stomach troubles.

**POMONA.**

Obituary:—At 20 minutes after 11 o'clock P. M. on Wednesday the 11th Inst. Miss Effie, eldest daughter of Mr. John Morrison calmly and peacefully breathed her last at her home in Glenelg.

The deceased young lady had for many months been a patient sufferer with that insidious and much dreaded King of diseases, consumption, so that sooner or later the fatal issue was looked for but when a loved one is ill friends hope on that the final summons may be deferred far, far into the future, yet when could there be found a more fitting time to don the shroud than when mother earth is ready to don her mantle of white.

Miss Morrison was beloved and respected by all who knew her. She was born in Scotchtown Glenelg Nov 15th 1867 and was therefore close on 32 years of age. Affliction was not a stranger in her father's family as her mother pre-deceased her on Christmas morning 1890 aged 48 years, also her brother Ronald on May 15th 1892 aged 29 years and 3 months. Her pastor the Rev. Father Hauck paid her frequent visits during her illness and found her a willing hearer and a faithful observer of the Christian duties as taught by the church.

After service in the church her remains were on Saturday laid to rest in the new cemetery, hers being the first interment there.

At the suggestion of Mr. Wm. Watson the undertaker 6 young ladies were chosen as pall-bearers which was a pleasing and much admired feature of the funeral. The ladies officiating were the Misses Maggie and Mary A. Ryan, Miss Flora A. McDonald, Miss Nellie Connor, Miss Catharine Sullivan, and Miss Lauretta Traynor. The funeral cortege was a large one showing that the family was widely and favorably known.

Mr. Michael Morrison who has been absent from Glenelg and the home fireside for some 12 years, recently returned for a short stay. He was accompanied by his fair

young bride. They returned shortly to their home in Minnesota.

Mr. and Mrs. Wm. Barnard, Owen Sound, Mr. John McArthur, Reeve of Artemesia, and daughter and County Comm. McKinnon of Durham attended Miss Morrison's funeral.

The infant daughter of Mr. and Mrs. J. McVicar has been in poor health for some time but we hope to be able to report her recovery e'er long.

Mr. Alex McDonald Sr. who received severe injuries through being thrown out of a buggy coming home from the Markdale show, still lies in a precarious condition and may not recover as he is a man well stricken in years.

Mrs. Jas. Mantle, of Tilsonburg, who was on a visit to her parents, Mr. and Mrs. Thomas Anderson, returned home on Friday the 13th Inst.

A wild cat has been twice seen in this locality of late.

**Woman's Troubles**

Are usually the result of an exhausted nervous system which can be fully restored by the use of Dr. A. W. Chase's Nerve Food. Women made nervous and irritable by the wasting diseases which drain their system find new life, new vigor, new energy, in Dr. A. W. Chase's Nerve Food, the world's greatest blood and nerve builder.

**PRICEVILLE.**

For many years the Saugeen River here has not been so low as it is at present, but our miller Mr. R. McGowan, has, although handicapped to a certain extent by the low water got his flour mill running in good shape, using steam power instead of water power. He has thoroughly overhauled the mill from top to bottom and is now turning out a first-class article in flour. Wheat has been coming in briskly from all directions for some time past and the business is booming as we predicted it would. It looks to us very much as if trade has taken a turn for the better here of late.

Mr. Arch Mullen from Faversham, has been engaged as a miller by Mr. McGowan.

Dr. and Mrs. Hutton visited Markdale friends on Monday last.

Mr. G. L. Watson has moved into the house adjoining his harness shop which will be more convenient for his many customers.

We are sorry to hear that Mr. Duncan McDonald of the gravel Road, who underwent an operation some time ago for appendicitis, is again on the sick list.

Mrs. Janet McDonald, who died at her son's residence near Bunnessan on Oct. 10th, was buried in Priceville cemetery on the 11th inst. The deceased had reached the venerable age of 84 yrs and 8 mos. A large number attended the funeral.

Miss Effie Morrison, daughter of Mr. John Morrison, who resides near the R. C. Church, Glenelg, died Oct. 11th, of consumption. The funeral, conducted by Rev. Father Hauck, took place on the 13th inst, to the new R. C. cemetery.

**DR. GAUTHIER ENDORSES**

The statement that **Mr. Major owes his life to . . . DR. CHASE'S Kidney Liver Pills**

Dr. J. T. A. Gauthier, of Valleyfield, Que., writes: "I, the undersigned, certify that the contents of this letter, in regard to the cure of Mr. Isadore Major, by the use of Dr. Chase's Kidney-Liver Pills, is correct."  
 Here is Mr. Major's letter: "After 20 years of suffering from backache and kidney disease I owe my life to Dr. A. W. Chase. I had tried an endless variety of remedies to no avail, and on the recommendation of a friend began the use of Dr. Chase's Kidney-Liver Pills. Two pills that night and two next morning gave great relief, and I continued their use until now I am completely cured. My friends are surprised and pleased to see me well again, for I spent hundreds of dollars in vain trying to get cured. Before using Dr. Chase's Kidney-Liver Pills my back ached so I could not put on my shoes and couldn't lift 20 lbs. My shoulders were sore, I had headaches and a bad taste in the mouth. These troubles are now entirely gone and what I say I am ready to prove. I have told my friends of my wonderful cure, and many have been greatly benefited by using these pills."

Dr. Chase's Kidney-Liver Pills are the greatest kidney cure the world has ever known. One pill a dose, 25c. a box at all dealers, or Edmanson, Bates & Co., Toronto.
