"THE TEACHING OF LITERATURE"

example from "Pictures of Memery" in Fourth Reader compare Alice Cary's "He fell in his saint-like beauty Asleep by the GATES OF LIGHT," with Wilson's

"And by the breath of mercy made to rell Right on ward to the GOLDEN GATES OF HEAVEN" Then supplement this with Whittier's "And when the SUNSET GATES UNBAR Shall I not see the waiting stand? And white against the evening star

of connecting Literature and Nature Studies, while composition is interwoven with both.

Here also the teacher may broaden the field of school room. Literature and Nature Studies, driends. A number of valuable and useful presents testified to the high schoolroom Literature by introducing extracts esteem in which the young couple from the field without. Suppose an object lesson to have been given on "Autumn Leaves" or a composition to have been written on "Autumn ances in Brockville, and their fellow Woods," how pleased the children would be to consider for a few moments this verse by Miss Wetherald, and know that it was written by one who lived among and loved these same Ontario presented a handsome rocking chair Woods, and whose poetic inspiration has been called forth by their beauty.

"The near sky, the under sky, The low sky that I love, I lie where fallen leaves lie With a leafy sky above; And draw the colored leaves nigh, And push the withered leaves by. And feel the woodland heart upon me

Brooding like a dove.' ture, and Literature vivifying and vitalizing the a place in the story of the War of the Scottish Independence; let the pupils learn of that mysterious race — the mound-builders — from Bryant's description in "The Prairies" as well as from the P. S. History; let Byron and Charles Lever tell the story of Waterloo, and who can invest with more thrilling interest the invasion of Britain by the Romans, than can the aged Druid in Cowper's "Boadicea." Has not Dickens in his "Tale of two Cities" done more to form our mental image of the French Revelution, than have the writings of any historian? A boy or girl who has formed a taste for this style of literature will not fall an easy prey to the poisonous yellow backed productions; in history and historical fiction will be found adventures perilous enough to satisfy the most daring, and keroes, brave enough to satisfy the most ardent spirit of hero-worship.

that's why Our Goods we are preparing the boyhood and girlhood of to-day to take their place in the world to-morrow; and they will bring to it a stronger and nobler manhood and womanhood, for having through the study of Literature come in contact with the great and goed, whose words and deeds are the world's most glorious heritage.

ROBBED THE GRAVE.

A startling incident, of which Mr. John Oliver, of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetice, gradually growing weakyou better Bargains in er day by day. Three physicians had given me up. Fortunately, a friend advised trying 'Electric Bitters:' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another quality and variety we ex- victim." No one should fail to try them. Only 50 cts. a bottle, every

Established 1866

Boulden - Dowell.

Last evening at 8:30 Rev. Dr. Dyckman, pastor of the Wall Street Methodist Church, performed the pleasing ceremony of uniting in marriage two young members of his congregation namely, T. H. Boulden. of Brockville, to Miss Silda Dowell. And white against the evening star
The welcome of thy beckoning hand."
This principle of "relating" should also be extended to relating Literature with other subjects. The Second and Third Readers especially in such lessons as "Dandelion," "Song of the Grass," Jack in the Pulpit," and the various lessons about birds, offer unlimited opportunities of connecting Literature and Nature Studies.

And white against the evening star
The welcome of thy beckoning hand."
