## PRICEVILLE.

Quite a heavy snowfall here on Saturday morning last, gave warning that winter is almost upon us again. At time of writing it is almost gone and the roads are muddy and disagreeable for all requiring either to walk or drive.

A social in connection with the Epworth League of the Methodist Church here was held in the church last Friday evening after the usual meeting. Owing to the disagreeable weather the attendance was limited but those that attended passed a most agreeable time. Addresses by the Rev. Mr. Humphries and the Rev. Mr. Mathieson with music solos and instrumentals by lady members of the League were much appreciated by those present.

Rev. J. S. Humphries occupied the pulpit in the Presbyterian Church, Priceville, on Sunday evening last, in the absence of the Rev. Mr. Mathieson.

A new sidewalk, and a fresh coat of gravel has been put on the bridge, at the east end of the village and the roadway generally put in a good state of repair. Councillor Alex Muir superintended the job personally, and deserves credit for the work. The road and bridge were held for three days and several of our citizens possess mementos of their visit in the shape of Pipes, Models of ships, walking sticks etc

Miss. Bertha James, daughter of C. C. James, of Priceville, is very ill at present. A consultation of physicians was held on the case, on Monday last, and we understand that the case is one that will require a serious operation. Drs. Boyle, of Priceville, and Jamieson, of Durham, we understand are the physicians in attendance.

Mrs. Jas. Watson and daughter who have been visiting friends in this vicinity for the past month returned to their home in Cheboygan Mich., last Thursday.

The Catholic Church building and lot on Gravel road east of Priceville, have been bought by Mr. Jas. McDowell he is now busily engaged in tearing down the building thus removing one of the old landmarks.
