VOLUME 1, No. 1 of "The Young People's Paper," published in Kingston, is just to hand. The moral tone and low price, 50c a year, will commend it to the young people of Canada.

CORRECT TIME.—The Grand Trunk Railway Co., has placed a fine new Regulator in the Station here, where correct time may be seen at all hours. Hope the bells and whistles will get together again now.

HARD ON THE REST.—In his address at the anniversary services on Monday, Mr. H. H. Miller, of Hanover, said that with the exception of himself he thought Mr. J. P. Telford was the handsomest man in Durham.

CHOPPED FEED.—We have on hand a large quantity of chopped wheat and rye mixed, oat chop and barley chop—all of which we are selling at 85c per 100 lbs. Have also a limited quantity of chopped peas. R. McGowan.

PETE McEWEN, formerly of Varney, writes to say he has changed his boarding house from Lumsden to Regina. He also requests us to send THE CHRONICLE to his present address as he can't afford to miss it. All right Pete. We'll attend to it.

Two or three weeks ago we sent out a number of reminders to subscribers three years in arrears and up to the time of writing we have had no response from any of them. Surely amongst the number notified there are some who intend to pay up. Times now are good and as we have not been pressing very hard for money we hope shortly to hear from those we have notified.

We regret this week to chronicle the death of Miss Maggie Cameron, adopted daughter of Rev. and Mrs. Charles Cameron, who passed peacefully away on Friday last after a lingering illness from consumption. The deceased was about twenty-five years of age and less than three years ago she might be chosen as a picture of health. The remains were interred in Durham Cemetery on Monday afternoon last. We extend our sympathy to the bereaved ones.

PAINFUL ACCIDENT.—Miss Jessie A. Beaton, daughter of Mr. Arch. Beaton, of Glenelg Centre, happened with a very severe accident on Thursday last by falling from a scaffold in the barn, a drop of sixteen feet on the barn floor, breaking her leg close to the hip. Dr. Freeland, of Durham, was called and succeeded in setting the injured limb, which was very difficult as the broken ends of the bone were crossed owing to the contracting of the muscles. The patient is doing as well as can be expected.

Mr. H. H. McKague, traveller for W. J. Gage & Co., Toronto, was in town last week on his usual business trip. Being on board the ill-fated Scotsman which ran aground on Change Island, he carries with him the remembrance of an experience he will never forget. Amongst the crew picked up in Livitpool for the trip were four escaped convicts; and nearly all the others were the scum of that, the world's metropolitan seaport. The vessel, a comparatively new one, built at a cost of nearly a million dollars, the \$700,000 cargo contained therein, as well as the lives of a dozen of the ship's passengers have sunk beneath the billows. We congratulate Mr. McKague on his marvellous escape.

Inspector Campbell was to pay our school his semi-annual visit on Friday next but has deferred it to some future time. We hope he will give ample notice for the trustees to be present.
Our tax gatherer, W. H. Arrowsmith, has paid us his annual visit. We are sure to get a call from Willie, always about the 20th of Oct. This is his nineteenth year as collector so he must be a good and faithful servant of the Township of Glenelg. We hear complaining of high rates, some having to pay from \$3.00 to \$25 on a 100 acre farm. It's unfortunate for Glenelg that she has to pay for so many bridges year after year, but such cannot be avoided.
It will soon be time for municipal aspirants to begin to introduce themselves to every ratepayer they come in contact with. A few from this locality attended George Lawrence's sale on Saturday last.

The Danger of PILES
Too frequently overlooked, Dr. Chase's Ointment a Prompt and Positive Cure.

The suffering caused by the intense itching and burning sensations of piles is only one of the horrors of this disease, for there is always great danger of piles developing into fistula, one of the most disgusting diseases imaginable. Even the great danger and expense of an operation are preferable to running the risk of contracting this most loathsome of diseases. But there is no necessity for a surgical operation for piles. Dr. Chase's Ointment is guaranteed to cure any case of piles, no matter of how long standing, or how aggravated the case may be, so long as piles have not become fistula.

It is only by rare chance that internal treatment will cure piles. But it matters not from what cause they arise, Dr. Chase's Ointment will at once stop the itching and burning, and soon effect a perfect cure.

You can use Dr. Chase's Ointment with fullest assurance that what has cured scores of thousands of cases of piles will cure you. For sale by all dealers, or Edmanson, Bates & Co., Toronto.
