DURHAM has a wood famine. GRASS growing, flowers blooming. SHEEP STRAY.—See Thomas Bothwell's ad page 12. BUY your wife a fur Coat at J. A. Hunter's for \$20.00. Mens Fur Coats at \$15.00. NEWS from the Cement Works is a little flat just now, but we hope to hear of its revival. FOR SALE—A nice heifer rising 3 years old. Apply to Mrs. E. Lauder, near the Creamery. THE Methodist Church grounds have been improved by a terrace, the work of Mr. Samuel Arrowsmith. Miss Culbertson had a large shipment of pictures delivered on Tuesday, another instalment of house-furnishings. PAID in advance subscribers to the Chronicle can get the Mail to the end of 1900 for 70c. Send in your subscriptions now. Mr. Hugh Cowan, well known in this vicinity, has received a call from the congregations of Shakespeare and St. Andrews. GARAFRAXA Street South is being improved by levelling and gravelling. None of the Aldermen have business places along this part of the street. AS the Lambton Street Bridge has been on the bend for some time, it would be in order for the Town Fathers to have it straightened up. THE Presbyterians of Mayfield and Claude, presented their retiring pastor, Rev. Wm. Farquharson, with a valuable gold watch,—Westminster. PREPARATIONS are being made in laying the gravel bed for a granolithic sidewalk in front of the Methodist Church. The concrete covering will not be put on till spring. FOR a cheap daily, nothing beats the Toronto World. We have the general Agency and though the price is \$3.00, we will give it and The Chronicle for the price of "The World" alone, viz \$3.00. AN entertainment consisting mostly of exercises by the children will be given in S. S. No. 1 (Bunessan School) on the evening of Dec. 22. We are informed the program will be good, and every one interested in Educational affairs in any way is invited to be present. FREE TO LADIES.—All the ladies interested in higher physical life for their sex are cordially invited to be present at Calder's Hall on Friday, Dec. 1st, at 3 o'clock, when an illustrated health talk will be given by Miss M. E. Johnston, of the Canadian Viavi Company, Toronto. THERE ought to be good money in hogs, as Messrs. Wilson, Brunt and Nediger, shipped about 300 Monday, for which they distributed over \$2000 among the farmers. One farmer, Mr. Jas. Watson, Varney, got over \$110 for his lot. The ruling price was \$3 80 per cwt. live weight. Mr. S. J. Pruse, of Ingersoll, who had about twenty-five cows auctioned off here two weeks ago offers for sale at the Knapp House to-day Thursday, the balance of his choice Dairy Herd consisting of twenty-five head of young cows from four to six years old. This is a rare chance for purchasers. Twelve mos. credit. Hugh MacKay Auctioneer. THE Wa-Hoo Concert and Medicine Co. have been operating in the Town Hall during the past week to crowded houses, and the boys have enjoyed their meetings very much. The program of each evening contains both sense and nonsense, but nothing offensive has been sprung upon the audience. Prof. Douglas, the manager has, we believe, kept faith with the people by fulfilling every promise. The watch to be given the most popular baby goes to Bessie, daughter of Mr. S. P. Saunders, and Reg. Kelly was the lucky winner of the live pig. They paid for their printing before the work was done and this speaks well according to our way of thinking. The members of the Co. appear to be ladies and gentlemen, and we have no reason to think them anything else.

VIOLENT HEADACHES

Accompanied by Indigestion and Constipation cured by Dr. Chase's Kidney-Liver Pills

From Bath, Ont., comes the particulars of a remarkable cure effected by Dr. Chase's Kidney-Liver Pills. Mr. Jos. Gardiner was for forty years the victim of indigestion, constipation, and violent headaches. Nothing seemed to have the desired effect until he began the use of Dr. Chase's Kidney-Liver Pills, and they effected a complete cure. Mr. Gardiner writes:
 "I have been troubled for over forty years with indigestion and constipation, would go for two weeks at a time. At intervals I would be taken with violent headaches. I spent dollars and dollars in vain, and was finally advised to use Dr. Chase's Kidney-Liver Pills, and must say that they are the only remedy that gave me permanent relief. I would not be without them for anything."
 Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c. a box. At all dealers, or Edmanson, Bates & Co., Toronto.

Eat More Breakfast

There isn't a mother anywhere who will have to urge her child to "eat more breakfast" if Tillson's Pau-Dried Rolled Oats are served for the first dish. The delicate richness and the nut-like flavor will make a child call for more of them and oftentimes a child will make a breakfast of Rolled Oats and nothing more.
 Let the children have all they want—it will do them good. It is the most wholesome porridge that your child can eat. Best grocers sell "Pan-Dried" by the pound but BE SURE YOU GET TILLSON'S.
