The Methodist Church grounds have been improved by a terrace, the work of Mr. Samuel Arrowsmith.

Miss Culbertson had a large shipment of pictures delivered on Tuesday, another instalment of house-furnishings.

GARAFANA Street South is being improved by levelling and gravelling. None of the Aldermen have business places along this part of the street.

As the Lambton Street Bridge has been on the bend for some time, it would be in order for the Town Fathers to have it straightened up.

The Presbyterians of Mayfield and Claude, presented their retiring pastor, Rev. Wm. Farquharson, with a valuable gold watch.—Westminster.

PREPARATIONS are being made in laying the gravel bed for a granolithic sidewalk in front of the Methodist Church. The concrete covering will not be put on till spring.

For a cheap daily, nothing beats the Toronto World. We have the general Agency and though the price is \$3.00, we will give it and The Chronicle for the price of "The World" alone, viz \$3.00.

An entertainment consisting mostly of exercises by the children will be given in S. S. No. 1 (Bunessan School) on the evening of Dec. 22. We are informed the program will be good, and every one interested in Educational affairs in any way is invited to be present.

FREE TO LADIES.—All the ladies interested in higher physical life for their sex are cordially invited to be present at Calder's Hall on Friday, Dec. 1st, at 3 o'clock, when an illustrated health talk will be given by Miss M. E. Johnston, of the Canadian Viavi Company, Toronto.

THERE ought to be good money in hogs, as Messrs. Wilson, Brunt and Nediger, shipped about 300 Monday, for which they distributed over \$2000 among the farmers. One farmer, Mr. Jas. Watson, Varney, got over \$110 for his lot. The ruling price was \$3.80 per cwt. live weight.

Mr. S. J. Prouse, of Ingersoll, who had about twenty-five cows auctioned off here two weeks ago offers for sale at the Knapp House to-day Thursday, the balance of his choice Dairy Herd consisting of twenty-five head of young cows from four to six years old. This is a rare chance for purchasers. Twelve mos. credit. Hugh MacKay Auctioneer.

THE Wa-Hoo Concert and Medicine Co. have been operating in the Town Hall during the past week to crowded houses, and the boys have enjoyed their meetings very much. The program of each evening contains both sense and nonsense, but nothing offensive has been sprung upon the audience. Prof. Douglas, the manager has, we believe, kept faith with the people by fulfilling every promise. The watch to be given the most popular baby goes to Bessie, daughter of Mr. S. P. Saunders, and Baz. Kelly was the lucky winner of the live pig. They paid for their printing, before the work was done and this speaks well according to our way of thinking. The members of the Co. appear to be ladies and gentlemen, and we have no reason to think them anything else.

DE LAVELLE Cream Separator to be seen at Livingston's Show Room.

As soon as the public find out the business man who misrepresents his goods will find that advertising doesn't pay.

TIMOTHY EATON, of the Big Departmental Sweet Shop, Toronto, is offering \$10000 towards the Century Fund if Trinity Methodist Church contributes a like sum. We may be mistaken, but we believe the Lord would think just as much of Timothy if he would distribute his philanthropy amongst his leg tired, and in some cases, half starved lady clerks who are wearing out their lives in his service for the munificent salary of about two dollars a week.

Piles for 15 Years.
Mr. Jas. Bowles, Councillor, Embro, Ont. writes:—"For over 15 years I suffered the misery of bleeding, protruding piles. I was many remedies I tried all failed. TEST THE KIDNEYS
And if they are diseased use the world's greatest kidney cure
Dr. A. W. Kidney-Liver Pills
CHASE'S

It's a simple matter to test the kidneys. You need not consult a doctor. By asking yourself three questions you can determine whether or not your kidneys are deranged.
First: "Have you backache, or weak, lame-back?"
Second: "Do you have difficulty in urinating or a too frequent desire to urinate?"
Third: "Are there deposits like brick dust in the urine after it has stood for twenty-four hours?"
In its earlier stages kidney disease is readily cured by a few boxes of Dr. Chase's Kidney-Liver Pills, a preparation which has made Dr. Chase famous throughout the world for his wonderful cures of diseases of the kidneys.
If you have kidney disease you can take Dr. Chase's Kidney-Liver Pills with perfect confidence that what has proved an absolute cure in so many thousands of cases will not fail you.
So long as the cells of the kidneys are not completely wasted away, as in the last stages of Bright's disease, Dr. Chase's Kidney-Liver Pills will give them new vigor and strength and make them strong, healthy and active. One pill a dose, 25c. a box, at all dealers, or Edmansson, Bates & Co., Toronto.
