**THOS MCGIBR COLLECTOR.**

Mr. Thomas Willoughby is a living admirer of the Chronicle, and never fails to dip down into his well filled wallet and fish out a dollar for renewal in advance. He doesn't believe in imposing on the generosity of newspaper men, and sponging his reading. He thinks they need the money like other men and never fails to minister to their wants. Thanks Mr. Willoughby you're the stuff.

**ACCIDENT**—On Saturday last Mrs. J. B. Egan, and Miss Johnson, Teachers, of Ceylon, met with what might have been a very serious accident, while on their way to Flesherton. It appears a farmer had a break-down of his wagon the evening previous, at the head of Flesher's pond, and left his broken wagon on the road. When the ladies came along their horse shied and backed the buggy over the bank, throwing them into the water. The horse ran away and wrecked the buggy, but the ladies escaped with a shaking up and a cold ducking.

**BOLTERS**—At the last meeting of the Council, Messrs. Sparling, Moore and Kinnee, who constitute the Board of Works, left their offices very unceremoniously as the result of some pointed criticism concerning their action in the Queen Street extension Job. It was claimed that they overstepped their duty in spending more than the two hundred dollars voted by the Council for the performance of the work. About four hundred dollars were expended in the improvements and the Mayor and others felt that a vote for more than the amount sanctioned by the Council should not be passed, whereupon the Board resigned leaving the settlement of other accounts unprovided for. There's fun ahead.

**THE CHARM OF BEAUTY**

Not in the Features so much as in the Grace and Vitality of a Healthy Body—Dr. A. W. Chase's Nerve and Blood Pills make Women Beautiful.

There's a certain charm of beauty in the graceful, elastic movement and clear complexion of a healthy woman, in which the features do not play an important part.

The pale, sallow complexion and dull leaden color of the skin, dark circles under the eyes, headaches, pains in the back and sides, dull eyes, weakness, nervousness, despondency and low spirits are symptoms of weak, watery blood and improperly-nourished nerves.

No woman can be beautiful until the blood is enriched and the nerves strengthened. Dr. A. W. Chase's Nerve Food is a food for the blood and nerves.

Dr. A. W. Chase's Nerve Food restores the energy and strength to a run-down system. Note your weight before using them, and the increase week by week as the brightness returns to the eyes, the color to the cheeks and the form rounded out with firm, healthy flesh, the natural result of rich, pure blood and a healthy nervous system.

Face cut and facsimile signature of Dr. A. W. Chase on every box of the genuine. Soc. box, all dealers, or Edmanston, Bates & Co., Toronto.
