Died at her residence at North Proton on Tuesday morning the 28th November, Mrs. McCormick, wife of Mr. Donald McCormick, at the age of about fifty years. Mrs. McCormick suffered with cancer of the stomach for the most of the year till finally it ended her days on the above date. She with her husband and family came to Proton sixteen years ago living on lot No. 1 on the 22Ld con till a far year back when Mr. McCor mick bought a part of the farm of the late D. Jackson, of Durham. She was a woman that could be always relied upon. She was a member of the Presbyterian church. A large number attended the funeral to Swinton Park Cemetery. The family has the sympathy of the community in their sad bereavement. Mr McCormick received some inpluries a few days ago by falling off a water tank which disables him for some time as he is now lying in a critical condition by the injuries received. Consequently the event was made doubtly sad by the father. being laid low while the mother has gone away to her last resting place.
