MESSRS. D. McLean, Geo. Adlam J. Brown and W. G. Hastie, are the Councillors in Bentinck. Mr. Wilson was not elected as stated last week. It seems a difficult matter to get returns from the township every year. Mr. McLean headed the poll with 303 votes.

SOME of the residents of S. S. No. 1, Normandy, are agitating for a repeal of the action of the arbitrators, on the decision in the school case. The refund of \$225 on account of payment towards the building for the existing school erected twenty years ago is the chief contention as we understand it.

The annual entertainment in connection with the Methodist Sunday School was held on Friday evening last. The attendance was good, the body of the church being comfortably filled. The program furnished chiefly by the juveniles was well rendered, but owing to the low platform was somewhat difficult to hear at the rear of the building. Dr. Wolfe occupied the chair and discharged well the duties of his office. We cannot mention all the selections nor give the names of all who took part. A nursery scene by a number of little girls with their dolls was much admired and had to be repeated in response to a hearty encore as was also a dialogue by C. Wolfe and Irene Leavens, two little tots who played Doctor and sick baby. Miss Gracie Everitt in a pretty little solo did exceedingly well, and gave evidence of considerable musical ability. Miss Elma Shorey, though a little girl of only ten or eleven summers sang in a manner that would do credit to a much older and more experienced singer. It was the children's innings and all enjoyed themselves thoroughly. Rev's Ferguson and Sharpe congratulated the school on the success of their entertainment as well as the general progress made during the year. The collection amounted to nearly \$12.

DISTRICT L. O. L. met at Durham on Tuesday last and elected the following officers:—W. M., W. Ritchie; D. M. J. Edin; Chap., Geo. Aljoe; R. S., Thos. Ritchie; F. S., S. Caldwell; Treas., W. Ritchie; D. of C., R. Edin; Lecturers, Thos. J. Watson, W. J. McFadden.

FARMER'S Institute Meeting, Monday next. Every farmer should be in attendance, and get right, or set right the professors, of Agriculture, whom the government sends out to instruct us. The knowledge they imparted a few years ago was to a large extent theoretical but through experiment the instruction now is based largely on the result of satisfactory tests.

WE regret to learn that Messrs. M. Richardson & Co., of Flesherton, met with a heavy loss, by fire, of their entire stock of goods, in the Dundalk branch of their business, on Wednesday night last week. Nothing daunted however, the firm advertised a re-opening on Saturday and we trust that the merited integrity of Mr. Richardson will win him a good share of public patronage. Mr. J. D. Morgan, who owned the building is also a heavy loser, and we congratulate him in his pluck in making preparations to rebuild on an extensive scale. J. D. is quite a favorite amongst those who know him best and much sympathy is felt for his loss.

MR. A. TODD and family who have been doing a Boot and Shoe business here for the past sixteen or seventeen years, leave this week for Grand Valley where they will open out in business again shortly. The property here has been purchased by Mr. E. A. Rowe, who is now in possession and running his bakery business therein. Up to a few years ago Mr. Todd did a large custom trade, and even went into wholesaling on a small scale. Three years ago, he and his son inaugurated a scheme for manufacturing largely through the formation of a joint stock company, but for some reason the scheme never materialized though a number signified their willingness by subscribing to the stock sheet of the proposed company. In our dealings with Mr. Todd we have always found him honorable, and for this reason we wish him success in his new field of labor.

THIN, WATERY BLOOD. When the blood is thin and watery, the nerves are actually starved and nervous exhaustion and prostration soon follow. Feed the nerves with Dr. A. W. Chase's Nerve Food and you will impart to them the new life and vigor of perfect health. Face cut and fac-simile signature of Dr. A. W. Chase on every box of the genuine.

## Golden Wedding.

One of those somewhat rare occurrence took place in Durham on Thursday evening, 21st December, when Mr. and Mrs. Robt. Aljoe, Sr., celebrated their golden wedding in the presence of a housefull of immediate relatives, and Rev. Mr. and Mrs. Ferguson, Mr. and Mrs. S. Scott, Dr. and Miss Culbertson, Mr. J. P. Whelan and Miss Mary Large. Mr. Aljoe came to this country from Ireland in 1832 when only 7 years of age. About 1838 Miss Ann Matthews, the present Mrs. Aljoe, arrived also from Ireland. Mr. Aljoe and Miss Matthews became first acquainted at Churchville, and like lots of young people the acquaintanceship grew into affection. In 1849, on the 21st of December, the two became one, being united in marriage by Rev. Mr. Mitchell at the residence of Dean Grassett, Toronto. For some time Mr and Mrs. Aljoe lived at Churchville and Stewarttown till about forty one years ago they moved into Glenelg and settled on Lot 1, Con. 4, S. D. R. Here they remained until they came to Durham 17 years ago where they have since lived and are likely to spend the balance of their days.

Four generations were represented at the Golden Wedding, the three great grand-children being all present. Mr. and Mrs. Aljoe have still living 5 children, 24 grand-children and 3 great-grand-children.

Mr. and Mrs. Aljoe are staunch Methodists, and in politics Mr. A. is a sound Conservative and a strong adherent to the principles of Orangeism. Mrs. John Matthews who officiated as bridesmaid fifty years ago was also in attendance at the Golden Wedding ceremony. The CHRONICLE congratulates the happy old couple and wishes them many years of life and happiness.
