

Supplement to The Durham Chronicle.

DURHAM, JANUARY 11, 1900.

DORNOCH.

Home from Toronto came Miss Lizzie Smith, looking blithe and happy, after an absence of three years.

Mr. Duncan McCallum, of Muloch, was a welcome visitor the fore part of the week at his brother-in-law's, Mr. D. Smith.

Mr. Geo. Free, Berkeley, spent the latter part of last week in this vicinity.

Messrs. Waud, and Wade, who have been timbering in the vicinity, of Kinghurst, returned to their homes lately.

Miss Fee, of Varney, was the guest of her sister, Mrs. McCalmon, for the last couple of weeks.

Mr. R. L. Corbett, of Williamsford, spent Sunday at the parental home.

Mr. Dougald Campbell, of Aberdeen, is spending a few weeks visiting the Morrison family.

Mr. Archie McDonald and Miss Sarah McArthur, who spent Xmas and New Years with relatives and friends, in Saginaw, Michigan, arrived home last week.

Mr. James Robinson, who lately resided in Dundalk, had the misfortune of getting his leg broken badly. His many friends extend their sympathy and hope to hear of his recovery soon.

Mr. Hector McDonald, of Walkerton, accompanied by his two sisters, Mrs. McLean, of Walkerton, and Mrs. Sargent, of Carrick, spent a few days visiting the Smith and McArthur families, and returned to their homes on Saturday.

Mr. J. A. McDonald leaves to-day for Barrie to engage in ship timbering.

We heartily congratulate Councillor McLean on his brilliant showing at the polls on Jan. 1st and the North East of the Township may be congratulated on their able representative.

A score or more, of willing workers, betook themselves to the bush, of Mr. J. R. Ledingham, there to cut the winter supply of wood for Rev. Mr. Graham. Everyone worked with a will (the Rev. Gentleman included) and soon about 30 cords were cut, split and piled.

Miss Staples, of Durham, is the guest of Miss Hewett.

Miss Poole, of Mt. Hope, is the guest of her niece Miss Wolte, at Mr. and Mrs. Alexanders. Henry is likely to have a number of gentleman visitors this week, and we're not surprised when the attractions are so great.

Mr. Jas. Walsh, and his sister-in-law, Miss L. Sullivan, are visiting friends in Arthur.

BUNESSAN.

The good sleighing makes the teaming brisk. Lots of wood and saw-logs pass on to town.

Master Gray Wilson, of this office, is holidaying in Toronto.

Mr. Will Moore and wife, from Carberry, Man., and Miss Maggie Moore, from Toronto, are visiting their parents, on the south line.

School re opened last Wednesday with a rather small attendance. The daily average last year was over fifty.

Miss Jewel McComb has re-commenced her school studies, in the Durham Public School, and will come out head next June.

After a couple of months in bed Miss Jessie Beaton, of the north line, is able to be up for a short while each day. Her brothers, Duncan, from B. C., and Malcolm, from Dakota, are home for a 3 months' visit.

The annual meeting in our school was

most satisfactory. Hugh Edwards was re-elected trustee. His work has been appreciated. It was decided to put in a new slate blackboard. S. S. No. 1 is and means to be No. 1 in every respect.

The municipal election went off quietly here. Many voters didn't vote. Result, the man in No. 2 ward who wanted in for reeve was left at home. Every vote counts one, and should be polled.

The neighbors showed themselves right neighborly when they gathered at Mrs. Ginns and cut and hauled home enough wood to last the winter and more.

Otto Konold is hauling some monster soft elm logs to town, in fact the largest we have seen. Otto's fast bloods can pull as well as any horses, and no one knows it better than Otto.

TOP CLIFF.

Allan and Archibald McLean are enjoying themselves at the old home scene Artemesia, since New Years, after spending a few years in the North West.

Miss McCannel has purchased a fine lot of pictures for our school which adds greatly to the appearance of it.

Neil McLean, of Montana, is enjoying himself at the old home south east of Glenelg, for the last couple of weeks. He intends to stay till the spring. It is nine years since he was at home before.

A large quantity of saw-logs, wood and timber are on the move from our locality since the good sleighing came.

Archibald McCuaig was elected trustee in our school, at the last annual meeting.

We are pleased to have our worthy citizen Mr. Neil McCannel, as one of the Councillors, of Glenelg, for 1900.

Mrs. Chas. McDonald is on the sick list just now from inflammation of the lungs.

Mrs. John McPhail, who was suffering for some time with neuralgia, is getting better.

Mr. Arch. McLeod is home after spending the last three years in the North West.

We are pleased to hear that David McIntyre was successful at the last election in getting to be one of Egremont Council.

SACKETT'S CORNERS.

Good sleighing, every one taking advantage of it and forwarding their winter's work.

Mrs. Duncan Galbraith and her brother, Mr. Neil McCannel, of Manitoba, are visiting at the parental home.

Mr. James Hill, of Boothville, has taken to himself a wife. We wish Mr. and Mrs. Hill much happiness.

We understand that Mr. George Witter has sold his farm to Robert Myres, of New England. Success Bob.
