ALLAN PARK.

Address and Presentation.

The Public Examination of the Allan Park School, was held on Thursday the 21st inst. The forenoon was occupied in examining the various classes of the school. The attendance was large of old and young. As usual the ladies of the section, supplied most liberally the wherewithal to satisfy the cravings of the inner man.

DEAR TEACHER, - As you are now about to leave us, and to terminate the relation of teacher and pupils, which has existed for the last three years, we could not allow the occasion to pass, without expressing to you, our regret at parting.

We will ever remember you as an efficient and indulgent teacher, and as the kind friend of the children under your care.

No doubt like all young folks, we have been too fond of play, and thought too little of our studies, sometimes also deficient in industry and application; but when we have been thus to blame you have been always forbearing and patient.

We well know that no teacher, however earnest and faithful, can bring his pupils forward, if they do not do their part by industry, perseverance, attention, and a fervent devotion to their studies.

We sincerely hope, that the lessons in conduct and in knowledge, you have sought to instil in our minds, may remain with us, and bear fruit in years to come.

May your future lot in life be peaceful and happy, and be covered by the blessings of friendship and love.

In conclusion, we ask you to accept this present, as an inadequate token of our affection and esteem.

Signed on behalf of the school.

ETHEL M. WILLIS, MARY S. WISE.

Address, Presentation and Reply.

TO MR. J. H. BROWN.

DEAR SUPERINTENDENT, - We the officers, teachers and friends of Durham Baptist Sunday School, have thought that in some way we ought to show you our esteem and appreciation of faithful and long service, in the Master's Vineyard.

And at this time too, when Xmas comes as a reminder of God's greatest gift to a lost world, we would take this opportunity, a few of us, in gathering at your home to encourage and help you in this noble, but trying work, of imparting truth as it is in Jesus to young minds, that eventually may form them into His likeness.

We therefore, take very great pleasure in presenting you with this token of our regard for you and your work, trusting that this gift, small as it is, may encourage you yet more in your life for our Lord and His Service. Wishing you and yours the Compliments of the season. We beg to subscribe ourselves.

SIGNED.

DEAR TEACHERS, OFFICERS AND BIBLE CLASS SCHOLARS, - I thank you sincerely for this unexpected manifestation of your esteem of myself and your appreciation of my unworthy services as Superintendent of your Sunday School.

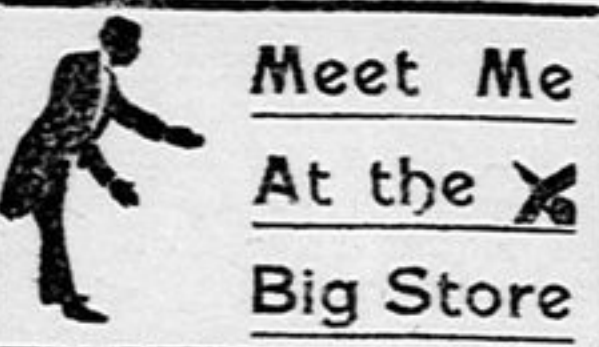

While doing so, I have to say that what ever measure of success may result from our labours, my thanks is due to God in the first place for His blessing on our efforts and secondly to you, as teachers and officers for your genuine sympathy under them in any trials that attend Sabbath School work for you were counsel in perplexities and your untiring patience with my many failures and to you as scholars for your attendance at your class and your attention to the study of God's word which is the sword of the spirit.

Wishing you the compliments of the season and many returning opportunities to teach and study the word of life, I again thank you for this beautiful present and the spirit of kindness it betokens.

Yours truly, JOHN H. BROWN.

DEAR TEACHER, The time has come for us to part and we are very sorry it has. Friend after friend departs; Who hath not lost a friend? There is no union here of hearts, That hath not here an end.

We have been much benefited by your four years' stay among us. We have always found you anxious for our improvement and feel very sorry for giving you any extra trouble which we know we have done many times but trust you will forgive us this small present to show that our hearts are warm towards you and that you leave us with our best wishes for your future welfare, hoping we will all meet in Heaven.

DISCOVERED BY A WOMAN.

Another great discovery has been made, and that too, by a lady in this country. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz. Thus writes W. C. Hammond & Co., of Shelby, N. C. Sold by all Druggists at 50 cents and \$1.00. Every bottle guaranteed.

BACKACHE

Weak, Lame, Aching Backs, the Result of Sluggish, Inactive Kidneys.

Backache is in reality kidney ache. The kidneys become clogged, and falter in their work of filtering the blood. Backache is nature's warning that the kidneys are on strike, and that the blood is going through the system laden with foul poisons, which will cause Bright's disease, dropsy, diabetes, rheumatism or other equally painful and fatal complications.

Prudence tells everyone suffering with backache to set their kidneys right. The experience of tens of thousands of people tells them that to accomplish this there is no means so successful as the use of Dr. Chase's Kidney-Liver Pills—the world's greatest kidney cure.

Dr. Chase's Kidney-Liver Pills cure permanently by making the kidneys healthy, active and vigorous. They are purely vegetable, act naturally and directly on the kidneys, and are wonderfully efficacious. As a prompt and positive cure for kidney disease, liver complaint and all the complications of these filtering organs, they are approached by any remedy ever discovered.
