Boyd and County Councillor Richardson, Mr. Henderson closed his address with a song of Old Scotia and patriotic songs were sung by W. Ritchie, T. J. Sheppard and the public school children, the audience joining heartily in some of the choruses. The National Anthem and three cheers for the Queen brought the meeting to a close, but before closing a strong committee was appointed to get up a Patriotic Concert, which is to be given on the 14th inst. Though Ladysmith was not relieved as reported, it is as said by one of the above gentleman in his speech "going to be" so that the Jubilation was only a little in advance of the fact. The clergy and some others of our leading citizens, equally patriotic, were unavoidably absent.

Miss Esther McNally, daughter of the late James McNally of the 3rd line Artemesia, died in Toronto on Thursday last. Her remains were brought to the home of her brother, on the 3rd line, on Friday, and interred here on Saturday. Rev. Mr. Thom, of this place, officiating. Deceased was 20 years of age, and had been ailing for some time.

Boyd Bros. have made an extensive purchase of timber from W. A. Armstrong on property near Louck's mill and are giving employment to a large number of men and teams cutting and hauling logs to their mill near Proton Station.

The ice harvest has been brisk here the past ten days. Mounshaw's lake and the mill pond have been yielding a bountiful supply of the co-gealed article.

Mr. and Mrs. James Ashdown entertained a large number of their friends—about 80 guests,—at their home at Ceylon, on Thursday evening last. Various games and amusements were indulged in, and Mr. Allan Parks, violinist of more than local reputation, accompanied by his niece, entertained in a highly pleasing manner. Mr. Charles Dupre who, that day, celebrated his 80th birthday, sang for the pleasure of the company, some of his Emerald Isle songs more frequently sung in his early days.

Mr. Henry Piper, who recently had his jaw bone badly fractured by a kick from his horse, is recovering nicely, and Mr. Noble Lawrence, whom we reported very ill last week, is on the mend. Mr. George Best is this week under the doctors care.

The storm and severe cold interfered with the attendance at the churches on Sunday.

A special services in the Methodist church are still in progress, and growing in interest.

Mrs. C. W. Rutledge and Mrs. Tuck, Markdale, spent a day last week with Mrs. Geo. Armstrong, at Rockvale Mill and looked in on THE CHRONICLE scribe here.

Mrs. Webb and daughter, Miss Webb, of Owen Sound, are visiting the former's sister, Mrs. A. S. Vaudusen, here.

GEORDIE HAMILTON will give some of his best Old Scottish Songs at the Carlers' Concert on March 6th. Do not fail to hear him.

### To Kill Wild Mustard.

Wild mustard is easily the king of all noxious weeds and how to destroy it has long been a vexed question. The mystery has at last been solved. Prof. Doherty, of the Ontario Agricultural College, a few days ago made an experiment, choosing a plot of a quarter of an acre badly infested with the mustard. This he sprayed with a two per cent. solution sulphate of copper. The result was entirely satisfactory. The mustard was killed and the crop not at all injured. Being an annual the mustard destroyed at this time of the year is destroyed forever. It is estimated that ten cents worth of this chemical will spray an acre. If the test indicates an easy and effective method for the eradication of wild mustard Prof. Doherty has certainly accomplished great things for the farming community.—Ex.

## District Dots.

The Pie and Box Social held in the Hanover School house last week brought in nearly fifty-five dollars. The literary program was a rare treat.

Charles Fawcett, of Dundalk, who recently assaulted Mr. J. D. Morgan, pleaded guilty before Judge Cresor and was sentenced to one month in the common jail.

Last week the Paterson House, Owen Sound narrowly escaped fire, which originated in one of the heating pipes setting fire to the wood-work. Timely discovery and prompt action saved the building from serious damage.

At the adjourned meeting of the North Grey Conservative Association officers were elected as follows:—Mayor Middlebro Owen Sound, President, Mr. Breeze, Chatsworth, Vice-President, T. A. Vickers, Treasurer, James H. Rutherford, Secretary, A. M. Anderson, corresponding sec'y.

Evangelist Brooks, of Chicago, a Dowieite lecturer on Divine healing, was recently rotten-egged out of Chesley and Warton for using abusive references towards local clergymen, and indulgence in pro-Boer and anti-British sentiment. It may seem like rowdiness on the part of the citizens, but if the lecturer used the language attributed to him the eggs were none too rotten. He left for Chicago where it is said he will soon be married to a North Brant girl.

David Taylor, a one legged man of Meaford, is under arrest on an alleged charge of horse stealing. About the first of the present year it seems he hired a horse from a livery-man at Elmvale, and nothing more was definitely known of his whereabouts until about two weeks ago the outfit, which had been described to the constable there, was seen to stop at the Mansion House, in Shelburne. The horse and rig were taken possession of, but Taylor, who was not arrested at the time, skipped out. Further developments proved David Taylor of Meaford, to be the man, and a week ago Saturday he was arrested and taken to Elmvale to stand his preliminary trial.

The I O F Band turned out and marshalled by a rider on a gray steed led a lengthy procession of the public school scholars and citizens to the Town Hall where an impromptu patriotic meeting was held. Mr. A. S.
