VARNEY.

Mr. and Mrs. Will Clark were visiting Egremont friends last week. Mr. Robt. Watson is renewing old acquaintances in this vicinity. Bob looks as if that country agreed with him.

Adam Little is hustling these days preparing to go to the North West about the 20th of March.

That young man from Egremont who frequents Normanby and lets his horse stand tied to the fence in all kinds of weather had better find shelter for the poor beast or he will have a bill to pay for cruelty to dumb beasts so, young man, beware!

There was a little girl arrived at Bob Pettigrew's last Thursday. It is going to stay to take Bob's place while he goes West. Mother and child are doing well.

Mr. Johnny Morice is thinking of going out West this summer if things turn out to suit him. Don't be backward Johnny.

Mr. John Kerr returned home on Saturday night from B. C. where he has been for a number of years working at his trade, blacksmithing. He has rented Adam Little's shop for a term of years and takes possession right away. We wish him success.

Will Bryans is going to move into the house lately vacated by Mrs. Hill. Mr. John Bogal is moving into the Woodland property which he purchased lately.

Mr. Wm. Mountain has been on the sick list this last week but is recovering nicely.

Messrs. Ed. Fee, B. Morice, Jas. Kerr were all up at the County Capital serving as jurors but say there was hardly any cases, but beef tea galore. That shows good for the County.

Mr. and Mrs. Donnelly were visiting the latter's parents, Mr. and Mrs. Jas. Ferguson one day last week.

THAT THROBBING HEADACHE.

Would quickly leave you, if you used Dr. King's New Life Pills. Thousands of sufferers have proved their marvellous merit for Sick and Nervous Headaches. They make pure blood and strong nerves and build up your health. Easy to take. Try them. Only 25 cents. Money back if not cured. Sold by all Druggists.

FLESHERTON.

Artemesia township council at its last meeting voted ten dollars to the National Patriotic Fund, and further displayed their patriotism by instructing Councillor Boyd to erect a flag-pole at the Town Hall and purchase a flag for use on public occasions. Commendable acts for the township Fathers.

The C. E. Society of the Presbyterian Church held a parlor social at Mr. Jacob Thompson's, on Friday evening last. Between five and six dollars were realized.

Mrs. James Cornfield, back line east, passed away in peace on Friday last, aged 69 years. A number from here attended her funeral on Saturday to the Mt. Zion Cemetery adjoining her home. Rev. J. V. Blunkett, pastor at Mr. Zion, preached an appropriate sermon from Psalm 116:15 and Mr. Thos. Hutchinson, who had known the deceased lady over forty years, paid a fitting tribute to her long and exemplary Christian life.

The remains of Mr. James Hales, who died at his home in Proton on Sabbath morning last, were interred in the Public Cemetery, here, on Monday afternoon. Mr. W. Gaudin who has been assisting Rev. Mr. Thom at Proton, officiated. Deceased was in his 59th year and was unmarried.

The probated wills of the late John Osborne, of this place, and James Allen, of the east back line, show the estate of the former to be valued at over \$4,000 and the latter at \$3,000.

Communion service was held in the Presbyterian Church on Sabbath last. Rev. James Buchanan, of Dundalk, preached a highly appropriate sermon at the preparatory service on Friday. The Rev. Gentleman gave THE CHRONICLE scribe a very pleasant hour or two that evening.

Mr. R. N. Henderson went to Toronto on Saturday morning last to attend the marriage of his brother, Dr. Emmerson H. Henderson L. D. S., who was that evening joined in wedlock to Miss Louise Huggard, eldest daughter of Joseph Huggard, Esq., of Toronto.

Rev. A. J. Darroch spent the past three weeks at Collingwood assisting the Baptist Minister of that town in special services. Owing to Mr. Darroch's absence Communion in the Baptist Church was deferred from the regular date until last Sabbath.

Rev. L. W. Thom attended the regular meeting of Presbytery at Orangeville on Tuesday.

Mr. J. M. Thurston and daughter, of Kimberley, and Mr. Black, of Enping attended Mr. Goff's meetings in the Methodist Church Sunday last.

Mr. and Mrs. George Mitchell, of Buffalo, were in town on Friday last renewing old acquaintances. Mr. Mitchell was for several years with Mr. Petch in the butcher business in this place.

Mrs. Malcolm Ferguson is spending a month among old friends in Caledon.

by getting his barn burned, with all his grain, feed and implements. His loss is about \$1,000, with a small insurance on the building.

Mr. Allen Sheldon and family left last week for St. Marys, where he has purchased a farm.

Mr. Jacob Holly has rented and taken possession of the farm of the late J. Buchanan.

LETTER TO THE EDITOR.

EDITOR CHRONICLE:—Scanning the columns of your worthy paper last I came across an item from the pen of the keen observer from Pomona in which he lost his head trying to discuss matters about events that never happened. He starts out with a dialogue supposed to have taken place between Joe and Johnnie about a valentine which we never received (Perhaps he means the ones he got himself.) Then he goes on with father getting a beet jack from the bush, and wrapping it up for me to carry. Who in the name of small potatoes put such nonsense in his head? It certainly must have been a relief to have it published.

We would wish our friend to understand that we haven't started to peddle beet-jack yet, but would advise him to get a few and give them as a premium with every box of his famous native herbs remedy. It might entice customers to invest to a greater extent in that great tonic.

Wishing you every success, I remain Yours etc, JOE.

Pomona, March 12.

ORCHARD.

Mr. John Douglass had a new visitor arrive last week. It's a boy.

The new merchant has arrived and taken up his abode in the premises lately vacated by Merchant Caldwell. He comes well recommended and we wish him success.

The roads are very bad, especially those running north and south. The fields have to be made use of in many places, the snow drifts on the roads being as high as the fences. It would be well to jerk up a few of the pathmasters who are delinquent in the matter, and in some cases have absolutely refused to do their duty, which their obligations compel them to do, until the appointment of their successors in office. We would like to see a few of them up before a Justice of the Peace.

Our new blacksmith is well pleased with the business he recently purchased here. He's busy ever since he started.

The revival meetings, which have been going on with much success for the past two weeks, are now closed.

Rev. Mr. McGregor held service in the Baptist church here on the 8th inst, the first service held for some months.

How to Find Out

If Your Kidneys Are Deranged and the System Poisoned by Uric Acid.

It is the peculiar mission of the kidneys to filter the blood, to separate the poisonous impurities from the pure blood, allowing the blood to go on its way, while the poison—uric acid—is sent through the ureters to the bladder and hence out of the body.

The importance of this work is emphasized by the fact that all the most painful and most fatal diseases—such as Bright's disease, diabetes, dropsy, rheumatism and lumbago—arise from kidney disorders and the presence of poisons in the blood.

Three of the most distinct symptoms of kidney disease are: Backache, or lame back; deposits in the urine, seen after it stands for twenty-four hours; and difficulty or too great frequency in urinating.

The remarkable efficiency of Dr. Chase's Kidney-Liver Pills as a prompt cure for kidney ailments is well known. They act naturally, give quick relief and permanently cure: backaches, lame backs, and kidney aches and disorders. One pill a dose, 25c. a box, at all dealers, or Edmondson, Bates & Co., Toronto.

Everybody is coughing except those who use Dr. Chase's Syrup of Linseed and Turpentine, 25c. a bottle.
