BACKACHE Weak, Lame, Aching Backs, the Result of Sluggish, Inactive Kidneys.

Backache is in reality kidney ache. The kidneys become clogged, and falter in their work of filtering the blood. Backache is nature's warning that the kidneys are on strike, and that the blood is going through the system laden with foul poisons, which will cause Bright's disease, dropsy, diabetes, rheumatism or other equally painful and fatal complications.

Prudence tells everyone suffering with backache to set their kidneys right. The experience of tens of thousands of people tells them that to accomplish this there is no means so successful as the use of Dr. Chase's Kidney-Liver Pills—the world's greatest kidney cure.

Dr. Chase's Kidney-Liver Pills cure permanently by making the kidneys healthy, active and vigorous. They are purely vegetable, act naturally and directly on the kidneys, and are wonderfully efficacious.

LATONA. Mr. Wm. Loughheed is at present busily engaged in moving his effects on to the farm lately vacated by Mr. Jas. Skene.

Mr. and Mrs. John Hughes were in Chesley last Thursday, while Mr. Frank Skene, of Johnson, paid his father and numerous friends in this locality a short visit towards the end of the week.

On Friday last Mr. Robt. and Miss Lee were welcome visitors at the home of Mr. Lewis Smith.

Dances galore! Last Wednesday one of the old time dances took place at the Leitch homestead, and on Thursday night Mr. Arthur Jackson gave the young people of this locality an opportunity to trip the light fantastic into the "we sma hours."

Everybody reports a good time. It was with feelings of universal regret that the friends and neighbors of Mr. Malcolm Cameron heard of his intention to sail out and join his sons in far away Dakota.

It was also felt that it would be impossible to let Mr. Cameron and family go without showing, in some way, the esteem in which they were held.

A surprise party was therefore arranged and their commodious house proved none too large on this occasion, when friends and neighbors crowded in to pass a pleasant evening and then say good bye to those whom they had learned to love and respect.

After a number of games were indulged in, the gathering was called to order and a short program was gone through.

Rev. Mr. Graham who spoke united in expressing sorrow at the departure of Mr. and Mrs. Cameron, but all joined in wishing them success and happiness in their new home.

Mr. Cameron was then presented with a handsome fur cap, Miss Mary with a large album and Miss May and Master Archie each with handsome hymn books.

Mr. Cameron, though much surprised, made a fitting reply and expressed the hope that they might meet again, if not in this world then in a better.

A few hours more of innocent amusement, and all departed after once more wishing the Cameron family God Speed.

Miss Mary McArthur, of Welbeck, visited Mrs. McAllen over Sunday.

Miss Susie Campbell, of Rocky Saugeen, visited at the Doctor's last week, and took in the Cameron surprise party.

Mrs. Wm. McCalmon visited her old home last week. Look up Varney correspondence.

MULL CORNERS. A very pretty wedding took place at the home of Mr. and Mrs. Donald McQuarrie on the 28th inst, at 7:30 p. m., when their youngest daughter Eliza, was united in wedlock to Mr. Laughlin Alexander McLean, of Glenelg.

The bride was dressed in pale blue French serge, with cream satin and pearl trimmings, and was ably assisted through the trying ordeal by her cousin, Miss M. A. Campbell, of Aberdeen, while Mr. A. McLean, brother of the bridegroom, acted as best man.

Mr. Graham, of Dornoch, tied the nuptial knot, after which some forty guests sat down to a bounteous supper. The bride's cake consisted of a handsome, four story structure of excellent quality. The presents were numerous, showing the esteem in which the bride was held by her friends.

We wish them success in their united venture in life. Mr. John Putherbough is visiting the homestead for a few weeks.

Miss Kate McCormick visited her sister, Mrs. D. McQuarrie, one day last week.

Councillor McLean took in a social in Glenelg, and we hear he was generously applauded for his platform ability.

Mr. J. Dalglish sold his farm, and intends going west shortly.

Mr. Caldwell, of Allan Park, is moving on the Teasdale farm. We welcome them to our midst.

Itching Piles. False modesty causes many people to endure in silence the greatest misery imaginable from itching piles.

One application of Dr. A. W. Chase's Ointment will soothe and cure the worst case of itching, bleeding, or producing piles. You have no risk to run for Dr. A. W. Chase's Ointment is guaranteed to cure piles.

DORNOCH. Miss Clara McDonald, the latter part of last week, visited with relatives in Durham.

Mr. Robert G. Lindsay leaves the beginning of next week to fill an engagement with a farmer in the vicinity of St. Marys.

A new lath machine is being placed in the Welbeck mills by the proprietor, Mr. J. Truax, who is bound to make his mill second to none.

A good stock of logs are on hand for this season. Mrs. McKay, of Toronto, (formerly Miss Leitch), is a welcome guest at the parental home at present.

Mr. Jas. Sullivan, who has been lumbering with his team in the vicinity of Walkerton, arrived home on Monday last.

Mr. and Mrs. W. Duncan left last week for Toronto, where the former has secured a good situation. Though sorry to part with them, yet we wish them prosperity and happiness in their new home.

Mr. John Duncan, a farmer of Arran tp., Bruce Co., was in the vicinity in quest of hire a help, of which there seems to be a shortage.

Mr. Christian Schemsman arrived home last week from Godrich, where he has spent the last twelve months, and expects to return in a fortnight to take his former position on a boat.

His brother George arrived home on Friday from Pike Bay, and will try his hand at farming the coming season. Both are looking bronzed, hearty and handsome.

On Tuesday evening of last week, about 60 of Mr. and Mrs. Malcolm Cameron's neighbors and well-wishers who had heard, with regret, of their extended departure to their new home in Botteneau, North Dakota, took Mr. and Mrs. Cameron by surprise, by envading the comfortable and spacious premises.

Rev. Mr. Graham was called on to act as chairman, and called off a really choice program of singing, music and addresses. The later by some of the old pioneers, who had stood shoulder to shoulder with their host and hostess in bearing the brunt of pioneer life, and had known and respected thep, some of them dating their acquaintance a little over a half century.

An interesting part of the program was the reading of an address given below by Mr. D. A. Smith and the presentation to Mr. and Mrs. Cameron of a large bible and fur cap by Mr. and Mrs. W. Smith and a photo album to Miss Mary and to Archie and May a richly bound Book of Praise.

Mr. Cameron very feelingly replied and thanked the company for their well wishes. The following is the address:—

DEAR FRIENDS; To Mr. and Mrs. CAMERON—The onward march of time and the perpetual current of events have brought us together on this the eve of your departure to the distant west.

Language fails us in expressing our sorrow on this occasion that we are about to sustain by your removal from amongst us. In the church you will be missed, as the Sabbath always found you in attendance at the house of prayer.

As a neighbor you have been kind, courteous and obliging. We have found you a faithful friend in times of trouble, and willing to do what you could to render assistance.

Your many friends and well-wishers feel it their duty and esteem it a pleasure to show their good will and respect towards you. We therefore ask you Mrs. Cameron, to accept this fur cap as a slight token of our respect and love to you and to Mr. Cameron.

We present this Bible and Book of Praise, hoping that their blessed contents may be your guide and light until death. We also ask you Mary, to accept this album, and Archie and May these Books of Praise, hoping that you will not look upon these at their value, and that you will consider the good will that is manifest by the friends you left behind in Ontario.

We wish you each one health, prosperity and God's blessing in your new home, and

HEAL'D OF HEART PANGS!

After doctors had said no cure—Acute heart disease had put Mrs. Fitzpatrick well nigh in the clutch of the "Grim Reaper." But Dr. Agnew's Cure for the Heart met her at the hospital door, offered her life, she accepted the great Healer and is to-day well and strong.

In these days of hurry and bustle, nervous strain, poor digestion, the struggle of the humble classes for an existence and the everlasting run of the married man for more money, the heart, the human engine, is wrought upon for double the duty that Providence originally assigned it. Thus it is that we may pick up

que, Ont., was a great sufferer from heart disease. Hers was a stubborn case of over five years' standing. She was treated by several eminent physicians and heart specialists without any permanent relief. She became so bad that she went to the hospital, and was in a short while discharged from there a hopeless incurable; but to use her own words, "As a last resort, I bought a bottle of Dr. Agnew's Cure for the Heart. One dose gave me almost instant relief from a very acute spasm. I felt encouraged, and persisted in its use. It just took three bottles to cure me completely, and I gladly bear my testimony to this wonderful remedy as a life saver." What it has done for Mrs. Fitzpatrick it can do for any sufferer from heart disease. Dr. Agnew's Catarrhal Powder relieves cold in the head in ten minutes and has cured catarrh cases of fifty years' standing. Dr. Agnew's Ointment will cure blind, bleeding or itching piles in from three to five nights. One application relieves the most irritating skin diseases; 35 cents. Dr. Agnew's Pills, for constipation, sick headache, biliousness and stomach troubles generally. Only 20 cts. Mrs. John Fitzpatrick, of Ganano-
