Exchange Echoes.

The wife of a Methodist minister in an Indiana town has been married three times. Her first husband was named Robbins, the second Sparrow, while the present one is Quayle. There are two sittle Robbins, one little Sparrow and two little Quayles and they live on Bird street. wenders what kind of cuckoo's nest it must be. Do the Robbins peck the poor solitary Sparrow, and do the Quayles give themselves airs and grab all the toast? They certainly are a very game family.

derful milker on record when fed un. | short of marvelous. der natural conditions. The Agricultural College experts at Guelph heard of the cow and got leave from the farmer to make a careful test The cow was fed on the most approved plan for securing economical re sults, and produced eighty pounds of milk per day, being milked three times every twenty-four hours. The sum of \$700 has been offered for the prodigy and refused. - Ex.

We notice by our exchanges, that Thos. Newen, of late years a "tram! printer" was found dead on the rail way near Hamilton. Tom was once a steady, industrious young man and worked for the writer. He had few equals at the case, or as a job printer. But alas! the drink habit got the mastery of him, and he sank lower and lower. Before the habit settled en him, he was a fine young fellow, with fairly good prospects. The end is a sad one -an untimely death, and circulated to be filled up by the mem- Kimberley to Bloomfontein.
