Now that summer is half gone and the water low, wouldn't it be a good act to point up the wall in front of the Methodist church property. We presume, however, that the Council has the little job in their minds.

The picnic in School Section No. 9, Glenelg, Miss Large's school, on Friday last is pronounced a great success. A large turn out from the section and a number from town being present on the occasion.

In a letter from Mr. J. R. Leggett Richards Landing, St. Joseph's Island, he reports prosperity in the Show business. He is now in the Canadian Comedy Co. and intends making a trip to the Bruce Mines and Manitoba. We wish him success.

A **WEDDING** took place on Monday morning last in the Roman Catholic church, Durham, when Father Hauck tied the matrimonial knot which united Mr. McAuliffe and Miss Burns. No particulars have been handed in so far. Congratulations.

Mr. JOHN A. GRAHAM, recently accepted the position of teacher at Hutton Hill for 1901, and about the same mail brought an acceptance for the principalship of the Chatsworth Public School. John is quite a hustler and will no doubt do good work in his new field.

A **GARDEN PARTY**, under the auspices of the Y. P. S. C. E., is announced for this, Thursday evening, on the lawn and grounds of Mr. Alex. McLachlan. Should weather prove unfavorable the program will be rendered in the Town Hall. Admission 10c.

Rev. WRAY R. SMITH, the new pastor in the Methodist church, made a very favorable impression on the congregations here Sunday last, morning and evening, the sermon in the evening being highly patriotic. We welcome Mr. and Mrs. Smith to Durham, and hope they may have abundant success.

A **FIRE** in New York causing a loss of \$10,000,000 and 200 lives occurred in on Sunday afternoon last. The fire originated among cotton bales stored on one of the piers of the North German Lloyds Steamship Co. Three great German liners, the Saale, the Bremen, and the Main, were destroyed.

THE CHRONICLE is a dollar a year in advance. Single copies three cents. From the kindly reference to recent changes, we feel confident that the public appreciates them as improvements. Our subscription list is growing steadily, and as we anticipate further improvements in the near future, we hope to have a large increase in our circulation between now and the end of the year. There are many yet who do not take a local paper and some of our readers, mentioning the matter might benefit both them and us. Kindly assist us and we'll do our part in keeping THE CHRONICLE up to the mark. There are still a number of delinquents for whom we have been patiently waiting.

CHEAP MILLINERY.— Balance of Summer Stock at and below cost. Now is your chance. S. Culbertson.

DOMINION DAY passed off very quietly in town. The pleasure seekers took different directions, some going to Owen Sound, some to Flesherston, others to Mount Forest. A couple of small parties had private picnics elsewhere, but the bulk of the citizens stayed at home.

Mr. EDWARD LAUDER, brother of Registrar Mr. Thomas Lauder, and a relative of many in this town and vicinity died on Tuesday last after an illness of some months. We are short of information concerning his life at time of writing, but find many to say a good word for him. The remains were interred yesterday, Wednesday.

The Garden Party at Aberdeen.

As announced by posters and through the press, a Garden Party was held last Friday evening on the grounds of Mr. John Clark, Jr., about a mile north of Aberdeen. Notwithstanding the cold, which no doubt, kept many from going, the crowd assembled by eight o'clock was no small order. The Durham Presbyterian choir was in attendance and gave cheerfulness to the entertainment by a number of appropriate selections. The County Councilors had accepted an invitation to be present but all did not put in an appearance.

After serving up a bountiful supply of the choicest and most toothsome edibles to which all did ample justice, the pastor, Rev. Mr. Graham, called the meeting to order and an unprompted but appropriate program was rapidly disposed of. Inspector Campbell was the first speaker, but, though full of wisdom and prepared to speak at considerable length, cut his subject short to make room for the vast array of talent that was on the program to follow. The other speakers were Rev. Mr. Farquharson, Mr. M. Richardson, of Flesherston, Mr. Chas. Gordon, of Owen Sound, Mr. J. W. Frost, Barrister, also of Owen Sound, Editors Ramage, Irwin and others. The proceeds at the gate amounted to somewhere near \$25.00, but the refreshment tent was a poor source of revenue, owing to the cold, chilly weather. Mr. and Mrs. Clark are the essence of hospitality and did what they could to make every one feel at ease.

Gibson--Lawrence.

A very happy event took place in Christ Church, Vancouver, yesterday it being the marriage of Miss Victoria Lawrence, formerly of Durham, Ont., and John A. Gibson, of Vancouver, by the Rev. L. Norman Tucker. The bride was assisted by her sister, Miss Alice Lawrence, and the bridegroom by J. A. Bulger. The bride was becomingly attired in a dress of white organdie, trimmed with valenciennes lace, and carrying a bouquet of bridal roses. The bridesmaid looked handsome in a dress of striped organdie. The ceremony was witnessed by a number of friends. After leaving the church all retired to the home of the bride's sister, Mrs. A. E. Hiff, 1067 Davie street, where luncheon was partaken of, and the guests drank of the health and happiness of the bride and bridegroom. The happy couple left on a trip to the Sound cities. They were the recipients of many presents. On returning they will take up their residence on Seymour street.

That Lacrosse Match.

The Durham Lacrosse Club upon the invitation of the Owen Sound Lacrosse Club went to Owen Sound on Monday, July 2nd, to play a friendly game.

Upon arrival at the grounds at McLachlan Park, they were informed that unless they signed a certificate to the effect that they were playing Markdale and not Owen Sound, they would have to return home without playing a game and without any consideration for their expenses.

Rather than do so they decided to play the Owen Sound—Markdale combination, and after one hour and a quarter playing the game was declared a tie 2-2.

The game throughout was the roughest that our boys have ever had to play—not one coming home without a scar or a bruise of some kind. The crowd several times rushed on the field and our boys, after threatening several times to withdraw unless the rough play was stopped, at last walked off the field. During one of the free fights several of the boys lost their sticks and one of the Owen Sound players was discovered throwing them over the fence to some boys outside who were hiding them in the bushes. If this is Lacrosse our boys do not know how to play it.

The boys have nothing but the best of praise for the treatment by Mr. McLachlan, both before and after the game, but some of the Owen Sound players should never be allowed in a game with civilized people.

HITS AND MISSES.

When a layman goes out preaching on Sundays there seems a reasonable show for the poor Editor to get arrears due on subscription that weren't paid up when the fellow refused his paper.

If a man of small mental calibre tries to ape an intellectual giant he assists nature in showing how big a fool he is.

With a clear conscience, there is nothing to prevent a man, or woman either, from looking the whole world square in the eyes.

There's some speculation amongst the girls as to who used the slang, "Aren't some of the expressions of common everyday occurrence? Remember such may be used by persons who are not bad, nor is it necessarily an indication of low morals, but, in a girl especially, it is very poor taste.

A small lie, needlessly told, may cause a big loss of confidence.

A good suit never looks well till accounts are squared up with the tailor. It's like paying for a dead horse to pay for a suit after it's worn out.

What a change! A man owed us for three years and never saw us. Now we owe him and his face isn't big enough to contain the smiles he has for us. Suppose we keep him smiling.

If the same shot hits two or three the gun must scatter. We know it does. Sometimes we miss the bird we shoot at.

Celibacy won't last long if Rev. Mr. Farquharson and other gentlemen of his cloth keep up his recent record. Three in one day is a pretty good thing.

BUNESSAN.

Miss Mary Brown is home for the summer, looking more winsome than ever, surprisingly winsome, in fact, for at least one masculine heart.

Miss Kate Ector from Collingwood spent a few days in the neighborhood having come home to attend her father's funeral.

The roadwork is now done. When the gravel (?) gets packed there will be a great improvement in our roads. Some of the loads of gravel we noticed would almost require a traction engine to haul them, they were so great.

Mr. and Mrs. Donald McKinnon were guests at the wedding of the former's cousin, Miss McKinnon, near Priceville, on Wednesday week.

Six pupils from our school wrote on the Entrance last week, and now are waiting anxiously for the result. The sale of Mr. J. Edwards came off with rather brisk bidding at times last Saturday. Some things were

sold cheap, but quite a snug sum have been realized. Mr. Edwards moves his family to Owen Sound in a week or so.

Angus Beaton from Orangeville, and his brother, Jack, from Berkeley are on a wheeling tour among their many friends in Glenelg. Angus has been but a short time as blacksmith's apprentice, but already he knows about as much about the business as our own Tom Nichol, that is according to his talk.

"Who is this Mrs.?" quite innocently asks the lady (?) herself, and fondly hopes by the frequency of the question to arrest suspicion. It won't work your ladyship. Tale about "the children" indeed! Are you not introducing them rather soon, Mrs. Pat? Thanks for congratulations; we'll return the compliment sometime.

Tom McKeown had a bee last week cleaning up a bit of swamp. There were some half dozen teams at work and men in proportion. Then Mrs. McKeown kept things lively around the house by having a quilting the same day. The evening and far into the night was spent as only light hearts and nimble feet can spend it.

As we have leave to report Centre news, we must not fail to announce that the Centre Baptist Church S. S. will hold their annual picnic in McKinnon's grove on Thursday afternoon, July 12th. There will be no Orangemen's parade, but everyone is at liberty to wear orange ribbon or an orange lily. A short brisk program and the usual picnic amusements will be provided, and everyone can have a good time. Everybody bring your family and a basket.

SAKETT'S CORNERS.

A good shower of rain would be much welcomed in this part.

Mr. G. Witter has gone on a business trip to Neustadt.

Mrs. Kneen and her brother Earnest Haw, of Toronto, are visiting their uncle, Mr. Geo. Sackett and other friends.

Mrs. R. Haw, of Port Hope, is visiting her son, George Haw, of this place.

We are sorry to learn that Mrs. G. Haw is again on the sick list. We trust she may soon recover.

Mr. John Ferguson wears a contented look as a boy has come to stay.

Mr. and Mrs. R. Kennel are the happy possessors of a baby girl.

Mr. Hugh Atchison had the misfortune to lose a very valuable dog. Cause of death unknown, poisoning suspected.

A Popular Hotel Man.

MR. H. BACKUS, PROPRIETOR OF ROYAL HOTEL, SHELBURNE, ONT.

Tells of His Rescue from Indigestion by Dr. Arnold's English Toin Pills—Every Other Remedy was Useless.

Every commercial traveller, and in fact every person whose business necessitates travelling to Shelburne, knows Mr. H. Backus, the genial proprietor of the Royal Hotel, and every one who knows him respects him. On many occasions his friends have been under the necessity of offering him their sympathies with him on account of the pain he has had endure as a result of indigestion, of a most severe and obstinate type, with its attendant evils of sour stomach, biliousness, sick headache, flatulence etc. So severe were the attacks at times, that Mr. Backus was confined to his bed, and was under the care of his physician. The most rigid care had to be exercised in regulating his diet. Many articles of food-pastry, meats etc. were rigorously debarred, as they caused the most intense agony. Various patent medicines of pretend'd wonderful merit were given to him, but none did him the slightest good. Mineral waters etc were tried, but without success. Mr. Backus reached finally, a condition of almost continual suffering. Writing of the case he says: "It was not until I began using Dr. Arnold's English Toin Pills that I found peace. A few boxes of this splendid medicine worked wonders. My stomach is to-day in absolutely perfect condition, and my digestive system does its work promptly and perfectly. I have gained 30 pounds in weight in four weeks since starting to use Dr. Arnold's English Toin Pills, and am robust and healthy, sleep and eat like a boy, awake refreshed and vigorous, feel twenty years younger in fact."

Dr. Arnold's English Toin Pills are sold at all drug stores, large box 75c.; small box 25c., or sent postpaid on receipt of price, by The Arnold Chemical Company, Limited, Canada Life Building, 44 King Street West, Toronto.

One Good Reason

Why the store on the street keeps its trade, that is because of its spirit of fairness. When We buy Eggs, Butter, Wool or other Produce we pay Cash or Trade as you like, and every Customer gets the same figure.

WHEN WE SELL we only want a fair profit. We haven't got two or three prices here.

If you are at all unsatisfied with us, let us know the cause and we will be glad to do our best to adjust matters. If you are at all unsatisfied with the way you are dealt with elsewhere, give the store on the street a call.
