

FLESHERTON.

The Masonic Lodge, here, has not had a picnic for some years and the brethren decided at their last regular meeting to revive the old custom and give their wives and sweethearts an outing which took place at Eugenia, on Wednesday afternoon last week.

Mr. Edwin Strain, Medical Student Ann Arbor, Mich., is home to spend the summer with his parents, Mr. and Mrs. Wm. Strain. Mr. W. P. Crossley has repainted and beautified the exterior of his handsome dwelling. On Monday evening last week Mr. W. A. Armstrong's horse was being unhitched at his own stable when it broke away and dashed down the hill at Head's shop dragging the buggy by one tug and doing considerable damage to the vehicle before it became detached. The horse continued its escapade on Durham street but stepped on part of the dragging harness gave it an involuntary somersault and it was captured before recovering from the mix up.

On Tuesday of last week Mr. Thos. Atkinson, of the Collingwood Road, met with an accident at a barn raising in which he was injured. The accident was caused by a heavy beam falling on his head and will in all probability disfigure him for life. Mr. Atkinson was about nine feet from the ground hauling a heavy timber when the plank on which he stood gave way precipitating both man and timber to the ground. The

timber first struck Mr. Atkinson in the chest breaking some of his ribs and then passing upward over his head terribly smashing his nose and bruising his face. His injuries were attended to by Dr. Scott and we learn he is doing as well as could be hoped for in the case.

Mr. J. Hickling, 8th con., Artemesia, met with a heavy loss on Wednesday of last week by the destruction by fire of his steam lumber and shingle mill. The mill had been shut down for dinner hour and the men had been gone only a short time when the place was discovered to be on fire and the flames spread with such rapidity that nothing could be saved. A large quantity of shingle timber was destroyed. The loss is estimated at about \$2,300, insurance only \$150.

The I. O. F. Band filled an engagement at a monster Foresters' picnic Hewgill's grove near Heathcote on Friday last. The boys were treated in a magnanimous manner and came home highly pleased with the reception given them and tokens of appreciation by the good Euphrasia people. The boys have been offered an engagement for the 2nd of July but home matters have their attention for that day.

Dominion Day was celebrated in our village in a somewhat quiet way. We are the proud possessors of four very large flags, and early in the morning they were displayed from the post office, Agricultural Hall, Public School and the Klempf House. In the afternoon the old time baseball game was revived, when the married and single men, of the village, struggled for the supremacy. The old veterans of by-gone days soon got down to play ball, and at the end of the match the score stood 34 runs to 20 in favor of the former. Mr. A. Seim umpired the game to the entire satisfaction of all. No sooner was the game over than crowds were seen wending their way to the Presbyterian church. On inquiry we learned that the cause of rush was that Mr. Henry Reid and Miss Ellis had decided to become one. They were unsupported save by two little maids of honor, in the person of Misses Edna Ellis and Ellie Pettigrew. Rev. J. M. Miller tied the

Backache for 18 Years.

Suffered Much—Was Unable to Work or Sleep—Dr. Chase's Kidney-Liver Pills Made Him Well.

Too many endure the misery of backache without knowing that it is the unmistakable symptom of kidney disease. As you value your life do not neglect a backache. It tells of the beginning of the most fatal of diseases—Bright's Disease of the kidneys.

Mr. D. C. Simmons, Mabeo, Ont., writes:—"My kidneys and back were so bad that I was unable to sleep or work. My urine had sediment like brickdust, and I had to get up three or four times every night."
