We are glad to have a budget from Edge Hill this week. People have been enquiring lately if the correspondent was dead. You'll have to wake up, old man. Write again soon.

LAWRENCE'S Hall Sunday School will hold their annual picnic in Ector's bush on Friday afternoon, July 27th. The picnic is free but all who come are expected to have a basket of provisions.

On Thursday morning last, bright and early, Elias Edge, Thomas Whitmore, Thomas Haskins, Wm. Ritchie and John Williams, champions of the cause of Orangeism, set out early in the morning and were donning their regalia at the Lodge here at half past six. They are all members of Lodge No. 632, and wouldn't miss the demonstrations of the day on any account.

On Wednesday of last week while Mr. T. P. Smith, Eye Specialist, was working at the Central Hotel, his signs were taken from where they hung in front of the building. We understand he has some clue to the perpetrator of the act and will make it hot for the guilty party. The signs are absolutely useless to any one but the owner and why they should be removed is something of a puzzle.

Mr. J. McCulloch, medical student of McGill College, Montreal, son of Mr. and Mrs. McCulloch, of Vickers, is putting in his holidays, we hope with profit, by canvassing for a very valuable work entitled, "The Century Book of Facts." The volume contains nearly seven hundred pages, divided into sections on Government, History, Biography, General Information, etc. The bindings are substantial and attractive, the illustrations good and the letter press all that can be desired. The price is within the reach of all and the classified information will be found useful in every family. It is certainly a valuable addition to any library, and as a reference book may be used every day. It is simply a condensed encyclopaedia of useful knowledge.

The Varney foot ballers defeated the Durham boys in a recent match and last Thursday they decided to "do them up entirely." In the former contest the Durhams had twelve players and this was an additional reason for the Varneyites to do a little heavier crowing. But in the game played here our boys had just the orthodox eleven kickers, and after a good hot struggle they got one goal while the visitors went home without anything but the satisfaction of knowing that they could be beaten. They took their medicine well, and with one game each, it is likely another match will be arranged to decide which is the better team.

The Shelburne Free Press in replying to a letter of Dr. Rolstin's, which appeared in the Shelburne Economist, shows to a nicety how some get their newspaper taffy, while the editor is saddled with the blame. The Dr. is known here as the promoter of the Ontario and "Huron" Electric Railway fake, a scheme that some of us watered stock holders remember to our sorrow. The free Press says:--"We are pleased Dr. that you referred in your letter to the favorable notices that appeared in the Free Press as to your ability as a railway promoter. It gives us an opportunity to square ourselves with the public, but shows that you are lacking in good judgment. It is true, several favorable notices appeared in this journal in 1895 and 1896 as to your ability and success as a promoter at Tiverton, Inverhuron, Godrich and other places but they were written by Henry James Rolstin and published by us at his request. If it were any solace to your vanity to see your name appear in puffs of that description you are welcome to all the gratification derived from them."

We forgot previously to mention that Mr. H. Parker purchased the store now occupied by Mr. C. L. Grant, and will move his drug business down town in a short time.

Mr. ALEX. STEWART, of Rothisber, grandson of Rev. A. Stewart, Durham, will preach in Baptist Church, Durham, next Sunday, both morning and evening. The Rev. Mr. MacGregor preaches in Owen Sound.

Mr. WATSON, of Toronto, representing the National Sanitarium purposes holding a meeting in the Town Hall Monday evening next at 8 p. m. for the purpose of organizing a local Association in aid of the National Free Hospital for poor consumptives.

Mr. JOHN A. GRAHAM, teacher at Boothville, sent up six candidates for Entrance, and they all passed, two of them standing second amongst all who wrote at Durham and another, Willie McKechnie, a little fellow, took 875 marks and stands at the head of the list in South Grey.

COUNCILLOR Guthrie on waking up early Monday morning found Mayor Laidlaw's horses in his potato patch, and without further ado had them run into the pound. On interviewing the Mayor we found he took it good naturedly and thought it was right that he should be made to abide by the law as well as anyone else. The animals got out of the pasture field, the gate of which was not securely fastened.

The hail storm to which we referred last week struck us very lightly here compared with other places, both east and west of us. The Top Cliff Correspondent says wagon loads of ice could be shovelled up in the fence corners till near evening, and between here and Hanover we learn that much damage was done to fruit trees, the bark in some cases being peeled off to the bare wood. Many windows are reported to have been broken, but beyond a few small panes we know nothing of any serious damage here.

The Orangeman on the 12th of July made a good turn out to take in the excursion to Listowel. The morning rains, however, kept a number at home. Nevertheless, North Egremont and Glenelg lodges went as a body while a number from here joined in with them. All arrived home, safe and of sound mind about nine o'clock. Those present report a grand day. Listowel was a crowded town that day. It is said about 4000 came in by rail from various points. The order is reported to have been first class. There was very little drinking so we are told.

Garden Party.

The Baptists, of Muloch, held a very successful garden party on the grounds of Mr. Neil McLean, 2 con., Bentinck, on the evening of the 13th July. The night was all that could be desired for the occasion, and large numbers were in attendance, both from Durham and the country. Everybody seemed pleased, and a most enjoyable evening was spent.

The music was by the Durham Baptist choir, and Mr. J. Hunter, of Durham, rendered two war songs with effect.

The following delivered addresses:--Rev. Mr. Leslie, Elmwood, Rev. Mr. McArthur, Elmwood, Rev. Mr. Graham, Dornoch, Rev. Mr. McGregor, Durham. The pastor, Rev. M. P. Campbell, ably filled the chair. Proceeds \$61.00.

The following is the list of successful candidates at the recent High School Entrance Examinations held at the centres named. Certificates only will be sent to those who have passed as per subjoined list, the marks of those who have failed will be sent to their teachers from whom they may be obtained. Franklin McLeay Dead.

Mr. Franklin McLeay, Canada's great actor, who has won distinction in the Old Land, is now no more, having died in London only a few days ago. The deceased was a brother of Dr. McLeay, so well and favorably known in Durham, and of Miss McLeay, whose recitals here on two or three occasions, gave such pleasure to large and critical audiences. Mrs. Park, of this town, was his aunt and the Park family were his cousins. A fine photo engraving of the deceased actor appears in Saturday's Globe, which contains a lengthy obituary.

FLESHERTON.

Last week furnished the following gist of accidents in this place and vicinity:

On Sunday, the 8th inst., Oshwell, the eight year old son of Mr. Ed. Whitten, of this place, who was visiting his grandfather, Mr. Wm. Lockhart, near Proton Station, got hold of a loaded revolver thoughtlessly left in sight and with boyish curiosity began examining it when it accidentally discharged sending a bullet, 32 calibre, through the palm of his left hand. Dr. Martin, of Dundalk, dressed the wound which is doing well, but for the fracture of the bone the knuckle joint of the third finger is likely to be stiff. A few days later the maimed lad fell from a raft into a pond of water and got a complete ducking before getting out of his perilous position.

On Monday morning Mr. Ed. Strain was returning from the Station when his horse frightened and dashed down the hill at the Orange Hall, but was hung on to by Ed. and brought to a stand still; not, however, until after he had been thrown from the rig and received a severe bruise in the forehead.

The same evening Mr. Jeremiah Thomson, 4th line, was in town and left his horse unattended to make a short call at Rev. Grimshaw's. The animal started and ran up Spring, Elizabeth and Peter streets doing considerable damage to the buggy and marking himself some before being captured.

On Tuesday morning Bert Barnhouse was at the Station with his father's horse which took fright at escaping steam from an engine in the yard. Horse and buggy, Bert and another lad with him went over the embankment near the track the wagon turning bodily over twice in

its descent. Bert received some slight bruises, the shafts of the rig were broken, but the horse was uninjured. The escape of the boys was miraculous. This accident was due to the wilful conduct of the engine driver in opening the steam escape valve after being warned of the timidity of the animal.

The following day Mr. Barnhouse was removing a nut on the damaged vehicle when the wrench in use slipped and struck him a severe blow below the eye. He has since been nursing a distinct Donnybrook mark.

At Eugenia on the evening of the Twelfth the 14 year old daughter of Mr. James Fisher, 4th Line, was thrown backwards to the ground, with the hind seat of a democrat in which she was sitting and sustained a severe concussion shock and injuries to the head from which she was unconscious for some time. Dr. Carter was summoned and under his treatment she is now recovering. Two other girls who were also in the same seat escaped serious injury.

Mr. W. Osborn, of Osprey, brother-in-law of W. J. Bellamy, here, informs us that during the thunder storm of Wednesday afternoon last week his barn and stables were struck by lightning and burned to the ground along with some young pigs and a lot of machinery. His horses were in the stable but he succeeded in getting them out. There was \$600 insurance but withal Mr. Osborn's loss will be heavy.

The officers who have been elected in the Christian Endeavor Society in the Presbyterian Church for the current half year are as follows:--President, Mrs. Jos. Blackburn; Vice Pres., Miss Hattie Sullivan; Rec. Sec., Miss Blanche Hamilton; Cor. Sec., Mr. J. F. Van Dusen; Treas., Miss E. M. Herron.

The glorious "Twelfth" passed over very quietly here our outing ones mostly going to Eugenia, Dundalk and Toronto. The Presbyterian Sabbath School picnicked at Eugenia. The Y. M. P. B. A. celebrated at Dundalk and the I. O. F. Band filled a \$50 engagement with Cumberland L. O. L. in Toronto the numbers of which marshalled 67 strong in the big parade and were so highly pleased with the music furnished by our Band as to want to close an engagement for next year at a large increase in the fee. The Toronto News said the Flesherton I. O. F. Band were genuine rough rider hats and with Union Jacks flying from the same presented a smart appearance.

On the 24th of May this Band filled an engagement with Court Newash I. O. F. Owen Sound, receiving there the full amount asked for their services. Last week the Secretary of the Band received from Court Newash the sum of \$10 as a token of the high appreciation of the Court of the services rendered by the Band on that occasion. This voluntary and tangible expression of appreciation is justly and highly prized by Band Master Tucker and his men.

Mr. W. J. Radly, of the Collingwood Road attended the Orange celebration at Eugenia on the "12th" and while there conducted himself in a very disorderly manner. On information laid by Constable Whitten he was summoned before Magistrate VanDusen on Saturday evening last charged with being "drunk and disorderly" to which he pleaded guilty and was fined \$1.00 and costs, in all \$2.90. The Constable, who only wished to teach the young man a wholesome lesson, and the witnesses resigned their fees or it would have been a more costly spree. Mr. Radly, however, was prepared to be benefitted by the lesson and advice given him by the Magistrate and said it would be his last offence.

Mr. and Mrs. Will Heard, of this place passed through a few hours of great anxiety on Wednesday evening of last week. After tea it was discovered that their little 3 year old boy, who had been out playing was missing. Inquiry and search was made but nothing could be seen or heard of him and it was at first feared that he might have got into a bog hole not far from home. Between 10 and 11 o'clock Messrs. J. McClocklin and J. Fields found the little fellow in the woods back of Louck's Mill fully half a mile from home and returned him safe and sound to his overjoyed parents. It is thought the little fellow followed some sheep he had been chasing where he was playing.

Mrs. Thompson, Sr., relict of the late Francis Thompson, 3rd line, passed away at her home there on Friday evening last after only two or three days' illness. Her remains were followed by a large funeral cortege and interred in the English Church burial ground at Maxwell on Sabbath forenoon. Deceased was 80

years of age. She was a member of the English Church and was a devoted Christian. Her husband was a prominent merchant and a member of the same church. She was a kind and generous woman and was loved by all who knew her. Her death is a great loss to her family and the church.

Her funeral was held on Saturday morning at 10 o'clock and was attended by a large number of friends. The services were conducted by Rev. Mr. J. Hunter. Her remains were interred in the English Church burial ground at Maxwell on Sabbath forenoon. Deceased was 80 years of age.
