THE GARRISON SMALL.

Col. Hoare Had a Small Force at Elands River.

A despatch from London, Thursday, says :- Although some sanguine correspondents lately declared that it was impossible for Gen. De Wet to break through General Kitchener's self?" cordon, that wily Boer general is again flitting. He had already begun with the British in his rear. Nothing can as yet be added to General Roberts' despatch that Generals Methuen and Kitchener may be able to check his flight.

General Delarey's success at Elands river between Zeerust and Rustenburg | cheeks and exclaim: " God grant thee is a sufficient indication that if he can His favor and give health to thy famget north he may yet bother General ily." Roberts for some time. Nothing is known here of the strength of the Elands river garrison, but it was probably small.

LORD ROBERTS' REPORT.

Fighting at Eland's River.

A despatch from London, says:-Lord Roberts reports to the War Office as follows:-

"Harrismith surrendered on August | dle finger three times. -No. 2, 54 to 543-4c. Barley-Fair 4. The neighbouring country seems to

"The Boers attacked the garrison at Chicago, Aug. 14.-Higher cables, Eland's river on the morning of friendly greeting. August 4. Information was sent to Carrington, who was on his way to Corn Eland's river. Ian Hamilton, who reached Rustenburg yesterday, reported hearing heavy firing in the direction of Eland's river. To-day the as if the Eland's river garrison had been relieved and was retiring towards Zeerust."

Lord Rocerts, in another report, dat. ed at Pretoria, says:-"Kitchener is with the force south of the Vaal river. He was joined yesterday by a strong detachment of Barbant's ish greeting. Horse and the Canadian Regiment."

British, However.

A despatch from Pretoria says :-Tuesday's trains running between Pretoria and Middelburg were sniped on the ground when he meets a at by Boers near Bronkhorst spruit. Two men were wounded. (A force of away. Mounted Infantry drove the Boers off and burned the farms for ten miles

Gen. De Wet has crossed the Vaal river, but he is still hemmed in.

The Boers hold a position five miles east of Wondesfontein. This is an advance station on the Delagoa bay line intermediate station is strongly garrisoned by the British. DE WET AGAIN ESCAPES.

A despatch from London, says :- Gen. eral De Wet, the Boer commander, who according to the correspondents was certain to be captured by the British who had thrown an unbreakable cordon around him, has succeeded in

force have made good their escape and
