### Another Cement Industry

Saturday's Ontario Gazette contained notice of application for the formation of another Portland cement company with headquarters here. The name of the new company is the Canadian Litholite Company, Limited, and the directors are John Lucas Toronto; J. E. Murphy, Hepworth; W. H. E. Bravender, Onondaga, N. Y.; R. P. Butchart, Shallow Lake, and D. M. Butchart, Owen Sound. On enquiry of Mr. D. M. Butchart, the Times was informed that it was not the intention of the new company to manufacture Port-land cement, but that the Company was formed for the purpose of dis posing of the patent for the manu-facture of cement building blocks known as litholite blocks. The Times was shown a sample of the blocks, which can be used as belt courses, window sills and caps, cornices and corners. The patterns will be supplied by the company and the right to manufacture will be sold to builders, and the required blocks manufactured at the place where the buildings for which they are required are being erected. Considerable of the litholite blocks will be used in the erection of the Owen Sound Portland Co's office, and also at the Lakefield works now in the course of erection.—O. S. Times.

A new Lodge, of the A. O. U. W., was formed last week at Cedarville. The Lodge is called "Carder," after the indefatigable, M. D. Carder, the Grand Recorder. Nineteen members were initiated at the organization, and it is expected that nineteen more will be added at their next regular meeting.

### PRICEVILLE.

### A Send-off to Dr. and Mrs. Hutton.

The evening of Thursday, Oct. 18th, 1900, will be looked back to by future and present residents of Priceville as a date to figure from, as on that date the members of the S. O. S., I. O. F., A. O. U. W. societies, also many representatives from S. Columba church gathered together for the purpose of bidding God speed and good luck to Dr. Hutton and family on the eve of her departure for their new home in Durham. A supper and a short program of speeches, songs and instrumental music had been arranged for, but when the guests began to come in, the committee found that they had not calculated on such a crowd as turned out. From 9 p. m. until 11 p. m. Mrs. Bolger and her assistants were kept on the rush, one batch after another of the friends from every direction taking their places at the tables as room could be found for them. After supper an adjournment was made to Watson's Hall, when Piper Hector McDonald entertained until the most of the audience had satisfied the cravings of the inner man, when John McArthur, Esq., was called to preside over the intelligent and respectable company assembled.

The chairman proceeded in his usual happy manner to fulfil the duties of his office, by eulogizing the guests of the evening. Dr. and Mrs. Hutton expressed their regret at their departure from our midst. But my space is limited and I must use a little of Mr. McArthur's tactics under the circumstances and cut the speeches short. The Rev. Mr. Matheson, on being called upon, responded in an address, recalling the many and valuable services rendered by Dr. Hutton to the Presbyterian church in Priceville, his readiness at all times to enter into any reasonable proposition for the benefit of the church, his active work as manager and secretary of various branches of the church work and also the valuable services rendered by him to the different societies in which he occupied offices. The Rev. gentleman regretted the loss to the congregation, to the village, the societies and the community at large, but trusted that the move made would be a beneficial one to the parties most interested viz., the Doctor and his family. John Nichol, Esq., of Glenelg, being called upon, responded with a Scotch song, and proved, that although out of practice, he could still time up the lays of "auld Scotia." Then Geo. Binnie, Esq., was called upon and responded with "The March of the Cameron Men," and receiving a most enthusiastic encore, gave in good style that auld Scotch song, "The Barrin' o' the Door." The Piper was then called upon and the martial strains of the warlike music of the Clans pealed through the hall in grand style. The Rev. Mr. Varley, Methodist minister, on being called upon, regretted his inability to discourse at any great length on the special subject of the evening's proceedings. From the short time he has been here in Priceville he has hardly got fairly well acquainted yet. He regretted the cause of the meeting although he felt satisfied that had he had the opportunity he and the Dr. would have become better acquainted. After this the chairman called upon Messrs. Thos. Nichol and John McInnis for a part song, to which they responded with "Scotland Forever" in grand style. Not being prepared they declined a most enthusiastic encore. A thoroughly sensible speech from Arch. McCuaig, Esq., in which he narrated his experience in forming the acquaintance of the Doctor, the gradual strengthening of that friendship, and now he felt pleased to be able to give his testimony to the many excellent qualities he had found in him during their business fraternal and friendly association. He regretted the Dr's departure, but was pleased that although further away he would still be within reach of a friendly visit. A Gaelic song by Donald McMillan, Esq., gave great pleasure to many of those present, and received an encore, but time was getting short. M. Riley, Esq., gave a most excellent address, touching upon his acquaintances with both the Doctor and Mrs. Hutton. Of course, like the big hearted Irishman he is, he heartily regretted the departure of the guests of the evening and testified to the loss that their leaving would be to himself personally, especially on Sundays. A song, "The Kiltie Lads," by Mr. T. J. Patton, an encore bringing out the "Laird O Cockpen." A few further remarks by the chairman. Piper Macdonald played that famous Highland march, "The Cock o' the North." Before singing the National Anthem, the guest of the evening, Dr. Hutton returned his sincere thanks on behalf of himself and Mrs. Hutton, first to the Committee in charge, second to the speakers, who had spoken so flatteringly and collectively to all present, for their kindness in turning out in such large numbers to show their good will and friendly feeling towards himself and family on the eve of their departure.

"God Save the Queen" by the audience, led by Geo. Binnie, Esq., and a happy evening came to a close. The chairman was right in his element on this occasion, and the audience thoroughly appreciated the excellent manner in which he fulfilled his duties.
