VARNEY.

Mrs. Adam Little was visiting Mt. Forest friends one day last week.

Mr. and Mrs. Claik visited at Mt. Forest last week.

Mr. and Mrs. Archie Little, of Durham, were visiting their parents in our burg last week.

The new Union school is nearing completion, and it is a credit to the section and the contractors, McDonald for the brick work, which is a first class job, and the carpenter work, Mr. Geo. Moore. It is a credit to them both, the fine job they are making. The people of the section are highly pleased with the workmanship of those contractors.

The Allan Park man was blowing about big potatoes, but one of our neighbors was rolling them out last week with a cant hook.

I am glad to see by last week's Chronicle the Allan Park scribe has returned to the front again.

Miss Cora Derby, of Hamilton, is renewing old acquaintances around this vicinity.

Mr. and Mrs. R. J. Eden were visiting friends in Egremont last week.

That young man that comes from Egremont with the white faced horse so frequently had better paint the horses face as the boys are unto him.

Jack, our blacksmith, is making pretty regular trips out north west. I suppose he has a good time.

I don't know what happened A. when he had to walk part of the road and get T. to drive him the rest. There must have been a negro in the fence some where.

The corner man was pretty snappy last week about an item that appeared in my budget about intruding on his ground. I will apologize for that item, but if he is going to take up the cudgel for Dornoch he will have to get his neck greased or else it will not stand the stretching it will get about the mutton. If had it as handy as he has I would not need to go to Dornoch.

Our blacksmith, while driving into town, accompanied by Arthur Clark, met with an accident. They collided with Mrs. John Russell in which they got the worst of it. Better be careful boys in the future.

At a Reform meeting held in Watson's school house we hear that only three Grits were present with a fair bunch of Tories. Mr. Calder, of Durham, was the only one with cheek enough to take the platform, and after saying his little piece to an audience that didn't care much to listen, the affair was turned into a kind of concert. Jas. Watson was chairman, and by a song from himself and one from George Alexander the meeting was closed. The chairman tried to make out that he was a good Patron one time, but Henry Petty knew him too well and soon knocked that idea out of him.

A MANIA FOR OPERATIONS.

Most physicians are anxious to try the surgeon's knife and recommend an operation for piles. A less cruel, less expensive and less risky method is the use of Dr. Chase's Ointment, a preparation that has never yet been known to fail to cure piles no matter of what form or of however long standing. Don't think of risking an operation when you can be cured in your own home by the use of Dr. Chase's Ointment. The best physicians use it in their practice.

VICKERS

It is some time since you heard from us, Mr. Editor, hope you have a vacant corner left for us yet.

We must congratulate our Traverses correspondent on the arrival of boy No. 4.

Mrs. Jos. Corbett left some time ago for Gravenhurst to attend her daughter, Mrs. Armstrong, who is seriously ill.

A new wire fence has been erected around the school ground, which adds to the appearance of the school. The trustees have engaged a female teacher for the ensuing year.

Mr. John Richardson, of Port Elgin, is visiting relatives in this part at present.

Mr. Frank Livingston left for Port Elgin last week, where he has secured a good position.

Mr. Geo. Pollock is busy putting in stables for Mr. Donnelly.

Farmers are busy with their turnips, which are a very inferior quality this year.

Peter Valentine Seip, the second youngest son of Mr. and Mrs. Peter Seip, of this place, succumbed to the inevitable on Tuesday night at half-past nine, after a long struggle with typhoid fever. About six weeks ago he complained of not feeling well, but he was not forced to take to his bed until two weeks later. His was not considered a very dangerous case in the early period of the disease, but lately he grew worse rapidly, and the physicians held out very slim hopes of his recovery. The end came as stated above, on Tuesday night, but wherever the news was told it was received with exclamations of surprise, for it seemed so short a space of time since he looked the very embodiment of youthful vigor. Deceased was just entering his manhood, his age being 22 years, 5 months and 20 days, and his sad death will be a severe shock to his parents.—Hanover Post.

ASTOUNDING DISCOVERY.

From Coopersville, Mich., comes word of a wonderful discovery of a pleasant tasting liquid that when used before retiring by any one troubled with a bad cough always ensures a good night's rest. "It will soon cure the cough too," writes Mrs. S. Himmelburger, "for three generations of our family have used Dr. King's New Discovery for Consumption and never found it's equal for Coughs and Colds." It's an unrivaled life-saver when used for desperate lung diseases. Guaranteed bottles 50c and \$1.00 at all druggists. Trial bottles free. 1m.

EDGE HILL

The people of this vicinity are getting greatly excited over the coming election. Each party seem to think its man is going to get there.

We are glad to hear that Mr. Jas. Banks is on the mend again. He has been very ill with fever.

The home of Mr. and Mrs. Thos. Morrison was brightened by the arrival of a young daughter one day last week.

We regret to learn that Mr. C. Williams is very ill at present.

Mr. T. Pinder, of Toronto, returned home last week after visiting a week at the Greenwood families, at Edge Hill and Traverston.

Mr. Appleby, of Clinton, visited friends in this vicinity for a few days last week.

Mr. Robt. Ector has had the Ritchie Bros. and B. Sharpe employed in erecting a new frame kitchen to his already comfortable home.

Misses Mary and Kate McFayden visited their cousin, Miss McFee, of Nornanby, a few days lately.

We are pleased to see Rev. T. H. Farr around again after his long illness. He will return to his duties in Atwood this week.

Mrs. Heffernan, Guelph, is visiting her daughter, Mrs. T. Morrison.

Mrs. Frank Williams and family have moved into the Tucker house on the corner. Mr. Williams has gone to work in the Soo for the winter. Mr. Guy Williams has also gone to the Soo for the winter.

Mr. D. Greenwood took a trip to Markdale on Thursday last. While there he sold a horse for the handsome sum of \$110. This is the second one he has sold for that price this season. It pays to raise good horses.

The people of this section were all glad to hear that Mr. T. W. Collinson had been hired again to teach in our public school.

Mr. Thos. Firth, of O. S. C. I., is spending a few days at the old homestead.

A CIRCULAR has been issued by the post office authorities instructing postmasters in all towns and cities to keep their offices open from 7:30 to 9 o'clock on Saturday evenings, for the receipt of savings bank deposits and the transaction of other savings bank business.

Take One of Dr. Agnew's Liver Pills after dinner. It will promote digestion and overcome any evil effects of too hearty eating. Safe, prompt, active, painless and pleasant. This effective little pill is supplanting all the old school nauseous purgatives. 40 doses, 10 cents.—13

A FARMER in a neighboring county says he has adopted a plan of advertising in his home papers which has saved him much valuable time and brought handsome returns for the money invested. He says: "When I'm ready to sell I insert a little advertisement in the local papers, telling what I have to sell, and if live stock, how many head of each and when they will be ready to ship, and the result has been that the buyers are right after me, either personally or by mail, and naturally I always get the highest market. If I want to buy a horse, a steer, a cow or a dozen of each, I insert a little advertisement that costs maybe 50c, and instead of travelling over the country inquiring of my neighbors who has this or that for sale, the home newspaper does that for me at less expense and those who have what I want manage to let me know in some way.

THAT THROBBING HEADACHE.

Would quickly leave you, if you used Dr. King's New Life Pills. Thousands of sufferers have proved their matchless merits for Sick and Nervous headaches. They make pure blood and build up your health. Only 25c. Money back if not cured. Sold by all druggists. 1m

THERE are a few cases of Diphtheria in Chatsworth, but all the patients are recovering.

A BAD CASE OF ASTHMA.

Mrs. George Budden, Putnamville, Ont., says:—"I feel it my duty to recommend Dr. Chase's Syrup of Linseed and Turpentine, as I had the Asthma, very bad; could get nothing to do me any good. A friend of mine persuaded me to try this remedy, as he had tried it, and it proved successful. I tried it, and it cured me. I am thankful to-day to say I am a well woman through the use of this remedy. I keep it in the house all the time, and would not be without it."

Max Mullen, Professor of Comparative Philology, at Oxford, died on Sunday last, at the age of 77 years.

Rheumatic Joints.—Mrs. George Smith, 62 Charron street, Point St. Charles, Que., says: "Rheumatism in my joints caused me sufferings that words cannot describe how terrible. I took four bottles of South American Rheumatic Cure and am a well woman. I have recommended it to others with as good results. Think the treatment nothing short of a wonder."—10

A DISASTROUS fire occurred at Grand Valley on Saturday morning last, destroyed several business places and the Star Newspaper office. Insurance unknown.

That Cutting Acid that arises from the stomach and almost strangles, is caused by fermentation of the food in the stomach. It is a foretaste of indigestion and dyspepsia. Take one of Dr. Von Stan's Pineapple Tablets immediately after eating, and it will prevent this distress and aid digestion. 60 in a box, 35 cents.—16

DON'T BE DUPED

There have been placed upon the market several cheap reprints of an obsolete edition of "Webster's Dictionary." They are being offered under various names at a low price.

By dealers, agents, etc., and in a few instances as a premium for subscriptions to papers. Announcements of these comparatively worthless reprints are very misleading. They are advertised to be the substantial equivalent of a higher-priced book, while they are all Reprint Dictionaries, phototypic copies of a book of over fifty years ago, which was sold for about \$5.00, and which was much superior to these imitations, being a work of some merit instead of one.

Long Since Obsolete.

The Webster's Unabridged Dictionary published by our house is the only meritorious one of that name. It bears our imprint on the title-page and is protected by copyright from cheap imitation. As a dictionary lasts a lifetime will it not be better to purchase the LATEST AND BEST, Webster's International Dictionary of ENGLISH, Biography, Geography, Fiction, etc. Size 10x12x4 1/4 inches.

This Book is the Best for Everybody, STANDARD AUTHORITY of the U. S. Supreme Court, all the State Supreme Courts, the U. S. Government Printing Office and of nearly all the Schoolbooks. **WARMLY COMMENDED** by College Presidents, State Superintendents of Schools and many other eminent authorities.

Webster's Collegiate Dictionary, Recently abridged from the International and sent to it the best for the family and student. Size 7x10x2 3/4 inches. Specimen pages either book sent for the asking. G. & C. MERRIAM CO., Springfield, Mass.

Torpid Liver Headache

And Biliousness Made Life Miserable for Three Years—Health Restored by Dr. Chase's Kidney-Liver Pills.

Having a direct action on the liver, Dr. Chase's Kidney-Liver Pills are invariably successful in curing liver complaint, torpid liver, and the headaches and stomach troubles resulting therefrom.

Mrs. Faulkner, 8 Gildersleeve place, Toronto, says:—"After doctoring without success for biliousness, liver complaint, and sick headache for over three years, I am glad to testify to my appreciation of Dr. Chase's Kidney-Liver Pills. At first they seemed a little strong, but being both searching and thorough in their action, amply repay any inconvenience by after results. I am feeling better in every way, and my headaches have entirely disappeared. Dr. Chase's Kidney-Liver Pills are certainly the best I have ever used, and I freely recommend them."

The liver is responsible for very many ills of the human body. It is always made healthy, active, and vigorous by using Dr. Chase's Kidney-Liver Pills. One pill a dose, 25 cents a box, at all dealers, or Edmondson, Bates and Co., Toronto.
