**ON THE WAY TO COMASSIE**  
CAPT. BISS TELLS OF THE AWFUL

The earlier troops had been terrible  
work by the British army - walls of  
the machine gunners. With British

**CEYLON GREEN TEA**  
is pure and uncolored.

**SALMON**  
All Japan teas are colored.

**WHITE SCOURS**  
There is always a demand and  
general inquiry for something to stop  
scours in calves. Perhaps the best  
single food that you have not used for  
Keep on cutting. Do not winter a  
year's scours.

**On the Farm**  
Healthy, thrifty fowls are always  
early layers. They should be fed as  
soon as they lay down from the roost.  
Hens will rarely eat their eggs if  
they are given plenty of broken bone,  
oyster shells and clean shells.

**Pale and Bloodless**  
THOUSANDS OF ANAEMIC GIRLS  
HURRYING TO THE GRAVE.  
A young lady in Ontario, Ont., whose  
name was pronounced Hopewell, tells  
of London bridge, just by King  
William street.
