MARRIED—On Wednesday, Dec. 5, Mr. Alex. McVain to Miss Nancy Torry, by the Rev. Mr. McGregor. The contracting parties both live in Normanby, and have the best wishes of their many acquaintances.
A. H. JACKSON, Notary Public, Conveyancer, Insurance Agent, money to lend, farms bought and sold,—collection a specialty—has opened an office in the late W. L. McKenzie's old stand. Dec. 1-1 n.
MR. CHARTER SMITH has installed an acetylene gas generator to illuminate his foundry. The machine is an invention of Mr. Cliff, at one time a resident of Durham, and so far Mr. Smith is well pleased with the way it works. It is only a ten light generator, put in merely as an experiment, and will be replaced by a larger one if satisfactory.
THE Baptist Sunday School Entertainment and Christmas Tree will be held in the Town Hall on Thursday, Dec. 27th, commencing at 8 p. m. An excellent program of Recitations, Dialogues, Drills, Club-swing, Vocal and Instrumental Music, etc., are being prepared, and all who come may expect a rare treat. Admission only 10 and 15 cents. Everybody welcome.
All the ways of paying on subscription, we believe we challenge the world for a parallel. We have "punks" and turnips, and strawberries and onions, and strawberries, apple sass, and soft soap and traps, and soothing syrup, and what only knows what else, but a week a fine looking young man died in with a kitten which he valued us to value and he'd pay the balance in Cash, provided we would give him our premium.
The Rowland Bijou Comedy Co. playing this week in town. They played Monday night with "Kerry and Tuesday they gave "Woman and Wednesday they gave "The Exile and Thursday they gave "The Exile and Friday they gave "The Exile." The attendance so far is good, and we think the public is satisfied with the bill of fare each night. The Company consists of twelve members in all, some of whom are good characters and perform their parts well. The small admission of ten cents ought to bring a crowded house every night. Mr. Rowland is evidently not a "dead beat" as he advises us to make every travelling troupe "put up" for work before they get it done. We have no use for show men as a rule, but we respect all who try to do right.
Never Worry—Take them and go about your business—they do their work whilst you are doing yours. Dr. Agnew's Liver Pills are system renovators, blood purifiers and builders; every gland and tissue in the whole anatomy is benefited and stimulated in the use of them. 40 doses in a vial, 10 cents.—21

PERSONAL MENTION.

Mr. Ed. Leavens returned to town last week.
Mrs. C. Culbertson, of Meaford, are visiting friends in town.
Mr. George Hull, tea agent, of London, was in town this week.
Mr. Chas. Leavens was in Guelph at the Winter Show.
Mr. James Carson is attending the Assizes in Owen Sound this week.
Mr. Thos. Brown attended the Winter Show in Guelph this week.
Mr. Geo. Porteous, of Galt, has secured a position in the Furniture Factory as carver.
Mr. Bert Muir is with the Rowland Bijou Comedy Co., which is playing in town this week.
Rev. D. Smith, of Honan, China, but latterly of India, conducted the services Sunday last in the Presbyterian church.
Rev. Prof. Ballantyne, of Knox College, Toronto, will be present on Sunday, Dec. 23, to conduct the reopening services in the Presbyterian church.
Mr. Irving, traveller for McLaughlan's Biscuit and Confectionery Works at Owen Sound, spent Sunday and Monday in town. He is satisfied now that we have lots of marl.
Rev. Mr. Ferguson, of Mt. Forest, spent a few hours in town last Thursday. Though he hustled round and met a number of his old friends, he regretted the time was so short that he could not see them all.
Mr. J. H. Dockstader, of Armstrong, B. C., will accept thanks for his remittance of one dollar in payment of next year's subscription. In his letter he reports fine weather, with a snowfall of about twelve inches on the 17th of November. Mr. D. is a regular pay-in-advance man.
Mr. John A. Black is spending a few days in town after doing the country round Chatsworth in the interests of a Chatam Fanning Mill Co. Next week he goes to Pontiac, Quebec, to continue in the same work with the people there, most of whom are French-Canadians. We would like to have a literal translation of some of John's early efforts in trying to talk a Frenchman into buying a mill. We have a very distinct remembrance of some funny little things in our own experience, a literal translation of which would hardly do for publication.
MR. DAVID SUGGETT writing from Orangeville says:—"I see in your valuable paper, 'THE CHRONICLE,' that Mr. Carson was hurt, and was very sorry to hear of it, but glad to hear that he is around again, as I found him a straight forward gentleman in all the dealings I had with him." He then refers to no report having been given of certain persons in the vicinity having gone to Orangeville on the Micks' estate affair, which was settled without being tried, the defendants paying their own expenses and \$125. We overlooked referring to the matter at the time, but had no intention of concealing the facts, if we had them. As we do not know that Mr. Suggett intended his letter for publication we omit giving this part in his own words. We are pleased to have Mr. Suggett's kind words for the CHRONICLE, and glad to learn that he intends to have it continued.

CORNER CONCERNS.

Mr. R. N. Wilder is moving into the school residence and is now making repairs about the place.
We were in error last week in reporting the sale of Mr. Jas. McLachlan's farm. He has not sold yet, and we hope he won't as he is a good citizen and we would not like to see him go.
Mr. John Vessie has built a new shingle mill and is going to do custom work.
Misses A. and S. Nichol have been spending the past few weeks pleasantly around the old home, but are thinking of spending Xmas with their sister in Uncle Sam's Domain.
Mr. Wm. Nichol is recovering from a severe attack of throat trouble which has kept him in doors for some time.
Commissionerships are causing about as much interest as the late elections. The people to the south of us in our own township are for Allan, while the Glenelgers on the other side of us are equally ardent for McKinnon, who has also won the good opinion of Egremonters since he became a citizen of this part and we would have liked to have given him a helping hand, but will have to patiently wait until he is in the field for M. P. a position which many believe he will yet fill after he spends another term or two at the County seat.
The Holstein man is surprised at the oversight in the vote of thanks at our S. S. Entertainment. It is easy enough explained. The mover and seconder are two of our bashful bachelors and the one overlooked a handsome young lady who rendered such excellent music that it beguiled them out of (some) of their wits, hence the error. Corner Concerns had also been smitten. The mistake will not detract the least from her fame and it is a Bible truth that the stone that is neglected may make a head for the Corners.
THE CHRONICLE'S Xmas. number is to hand. It is declared by all who see it to be an excellent premium, and great reward for all cash in advance subscribers. Thanks.
To Starve is a Fallacy.—The dictum to stop eating because you have indigestion has long since been exploded. Dr. Von Stan's Pineapple Tablets introduced a new era in the treatment of stomach troubles. It has proved that one may eat his fill of anything and everything he relishes, and one tablet taken after the meal will aid the stomach in doing its work. 50 in a box, 25 cents.—24
Sold by MacFarlane & Co.
MR. Geo. Lawrence has his new plate glass front in, and will soon be ready for business.
RHEUMATIC WARPED LIMBS.—Mrs. H. Wills, Chesley, Ont., says:—"My boy was all crippled up with rheumatism. Although we doctored, he was in this way for about one year, and the pain was terrible. Reading of many cases where Dr. Chase's Kidney-Liver Pills had cured rheumatism, we got a box. Before they were half gone he began to improve, and is now quite well. I am very glad to recommend them to others." One pill a dose, 25 cents a box.
Caps and hats for men, boys or girls away down cheap at S. Scott's.
Goods delivered twice a day inside the corporation during Xmas. week to any one buying a dollar's worth at S. Scott's.
Heart relief in half an hour.—A lady in New York State, writing of her cure by Dr. Agnew's Cure for the Heart says:—"I feel like one brought back from the dead, so great was my suffering from heart trouble and so almost miraculous my recovery through the agency of this powerful treatment. I owe my life to it."—19

Danger Next Door.

Perhaps it's diphtheria, or scarlet fever. Keep your own home free from the germs of these diseases. Prevent your children from having them. You can do it with our Vapo-Cresolene. Put some Cresolene in our vaporizer, light the lamp beneath, and let the vapor fill the sleeping room. Have the children sleep in the room every night, for it's perfectly safe, yet not a single disease germ can live in this vapor. Ask your doctor about it.
Vapo-Cresolene is sold by druggists everywhere. A Vapo-Cresolene outfit, including the Vaporizer and Lamp, which should last a life-time, and a bottle of Cresolene, complete, \$1.50; extra supplies of Cresolene 25 cents and 50 cents. Illustrated booklet containing physicians' testimonials free upon request. Vapo-Cresolene Co., 100 Fulton St., New York, U.S.A.

Death or lunacy seemed the only alternative for a well-known and highly respected lady of Wingham, Ont., who had travelled over two continents in a vain search for a cure for nervous debility and dyspepsia. A friend recommended South American Nerve. One bottle helped, six bottles cured, and her own written testimony closes with these words: "It has saved my life."—20
