At the regular quarterly meeting of the Official Board of the Methodist church held on Wednesday afternoon last week, the esteemed pastor, Rev. J. S. I. Wilson, B. D., was extended a very cordial invitation to return next Conference year to his present charge. Spiritually and financially the church has had a prosperous year, and with the happy relations existing Mr. Wilson, subject of course to the powers that be, will be pleased to remain with his people.

At the monthly meeting of the Presbyterian Ladies' Aid Society held on Wednesday afternoon of last week, the following minute of appreciation was unanimously adopted: "This society having lost by removal from the congregation its esteemed President, Mrs. Jas. Dyce, and being now about to lose another member and valuable co-worker in the person of Mrs. J. Watt, be it resolved that we hereby place on record our high appreciation of the labors of these sisters, who have so ably and faithfully aided us in carrying on this branch of the church's work. We deeply regret the removal of our sisters, and feel that we sustain a great loss by the same. Our united prayer is that God's sustaining grace will keep them, and that His guiding hand will lead them into continued usefulness for Himself wherever their lot may be cast."

The Mission Band in the Methodist church held their annual entertainment in the auditorium of the church on Friday evening last. The pastor presided, and a varied and pleasing program was rendered by the members of the Band. The discourse in the morning from Matt. 4: 9 was specially on the line of League work; that in the evening from I John 5: 4, was of a more general character, and was a thoughtful production from the text chosen.

On Monday evening the 13th anniversary of the E. L. of C. E. was celebrated at a "Birth Day Party" in the basement of the church when refreshments were served, a pleasing program was rendered and an evening of much pleasure was enjoyed by all.

Among the students at the Toronto Dental College who recently wrote for admission to the senior class and passed successfully, we notice the name of Mr. W. N. Mr. John Bellamy and son-in-law, Mr. J. Patton, of this place, had a neat monument erected to the memory of the former's mother-in-law and son, and the latter's wife in the Public cemetery on Monday last. The job was done by Lee & Silk, of Shelburne.

We protest against the cut in Darling's ad. It's not true to nature, as no person of any age would need glasses to see a well developed bed bug.

It's a good sign when one of his old associates speaking of Lieutenant Hunter says:—"Fred is just the same old boy he used to be, and soldiering hasn't spoiled him a bit."

Some people are mean enough to say that the sample of iron ore we referred to last week was never found near Durham. We'll have to refer the matter back to Mr. Russell who gave us the specimen and the information upon which we based our remarks.

A good story is going the rounds about a certain short-sighted lady of the neighborhood going to a friend's house one morning she went to the cradle to see the baby. Unfortunately the cat had taken the baby's place, but before she could give herself time to see her mistake she exclaimed with uplifted eyes and hands: "Oh! what a sweet child; the very image of his father."

#### Principal Grant Dead.

Principal Grant, of Queen's University, died at Kingston Saturday morning last at 11:15. He was born at Stellarton, County Pictou, Nova Scotia, Dec. 22, 1835. He was the son of a school teacher, attended Pictou Academy, and when 16 years of age he entered the West River Seminary, of the Presbyterian Church of Nova Scotia, and two years later was elected by the committee of the Synods of Nova Scotia as one of four students to be sent to Glasgow University to be fitted for ministry in the Presbyterian Church. At Glasgow he took the highest honors in Philosophy, and also carried off several prizes. In 1863 he was inducted to the pastorate of St. Matthews Church, Halifax. In 1877 he was appointed Principal of Queen's College Kingston. He was a man in advance of the times and leaves many literary productions. He was married in 1872 to Miss Jessie Lawson, of Halifax, who died about a year ago.

#### Please Explain.

The Bruce Herald says:—"The Durham Chronicle has taken to advertising the business institutions of other towns competing for Durham business, in retaliation for the failure of Durham merchants to advertise in his paper. The non-advertising fossils apparently don't all live in Walkerton."

We are at a loss to know what the Herald is driving at, as we have not been advertising for other competing towns, nor have we any reason to complain of Durham merchants being of the fossil class referred to by our Walkerton cotem. For a town the size of Durham we doubt if another can be found more liberal in the use of printers' ink.

#### Brain-Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood and makes you feel buoyant and vigorous. You can get this reliable remedy at Darling's Drug Store.

MR. W. K. REID's game leg that nursed since his bicycle accident, is getting into pretty good shape again, as he wheeled to Toronto back the middle of last week.

OWING to the recent severe illness of Mrs. Ed. Burnett, her three sons, Edward, John and Robert, are here from Detroit to await results. They are glad to say, however, that Mrs. Burnett is much better, and hope for her recovery are now entertained.

MR. JAMES TUCKER, of Egremont is going in for stock improvement and this week he brought from Walter Nichol a thoroughbred Durham Bull at a fancy price. We have no doubt the farming community will appreciate Mr. Tucker's enterprise and good sense.

LAST week Mr. Allan Macfarlan was in Michigan giving instruction on how to use the cement block chimes, many of which are now being sold and used in the United States and Canada. About sixty-five, understand, have recently been in this country, and the cement block house will soon be a common thing.

In a short interview with Mr. M. Davis, Independent Candidate East and Centre Grey, he suggests the advisability of getting far to plant corn this year in consequence of the meadows being partially killed by recent frosts. Under any conditions it is well, we think, to have a good field of corn fodder.

A FREE Baseball match will be played on the school grounds on Victoria Day, Saturday, May 17, at 10 a. m. sharp, between the present City club and a picked-up team composed of the business men of town. As this will be the first played in town for a number of years, a good crowd should be expected. The "boys" and thus make the more popular here in the future.

JOHN STEWART, piper, but holder of the Queen's Jubilee Medal gave the citizens a free musical Friday afternoon last. The program was in farm labor during the first part of the week, his fingers not too sore to produce the nimble touch that makes his loved pipes swell forth in the air. He is a native of Auld Scotia. Ever enjoyed the music, but no one else did more than Mr. Stewart.

ON Saturday night last we attended a political meeting at Priceville in the interest of Mr. Lucas, conservative Candidate for East Centre Grey. Prior to opening at intervals during the evening very fine music was furnished by Italian Band engaged by and paying Mr. Lucas. Mr. J. H. Arthur was voted to the chair and discharged his duties well, but audience was extremely orderly and attentive his duties were very well. The speakers were Mr. M. B. Euphrasia, and the Conservative Candidate, Mr. I. B. Lucas. Mr. Richardson spoke in behalf of Mr. Lucas. Mr. Davis, the Independent Candidate, spoke in his own behalf and Mr. Lucas finished up the evening by an interesting address and largely at the expense of the present, who seems by this to have lost nearly all the plank original platform. It is quite safe to predict an overwhelming majority for Mr. Lucas.
