## TRAVERTON

All nature is in smiles this week, but a herd of politicians and party followers will be out of harmony.

M. J. Davis sold a splendid two-year-old Clydesdale colt to Stewart Bros., of Arthemisia, for \$90.

Miss Jennie McGirr, of Michigan, spent Sunday with her cousins, the Davis family. Dick wheeled over from Hopeville on Friday evening, and had a trifle of mud on his trousers.

Mr. Will Ross, representative of Goldie & McCulloch, of Galt, spent a few days of the past week with his brother, the genial miller, here.

Mr. and Mrs. W. J. Greenwood took a pleasure trip over to see Collingwood relatives last week. They enjoy life.

She is a lively, bright clever girl, is Miss Evalena Spencer, of Toronto, who was with us from Friday till Monday.

Quite a number of our young people spent Victoria Day in Markdale. Pat Ryan is out with Dr. Jamieson these nights, winning fame as a local cartoonist.

(Rev.) Mrs. W. R. Smith was out visiting among the young people of the neighborhood during the week.

It was a genuine social affair, was the concert in Zion on Friday evening. The program was varied and the eatables No. 1 in quality, and slushings of 'em.

## Completely Fagged Out.

The world is full of sickly, despondent, tired, enervated people, all hoping to be well some day. The surest road to health is along the way of taking Ferrozone after meals. Ferrozone is a great appetizer and enables one to eat plenty of wholesome food without fear of indigestion or dyspepsia. This results in the rapid formation of an abundance of red vitalizing blood, which will restore the nerves, increase flesh and vigor, and nourish and feed every organ of the body. Ferrozone is an ideal restorative and invigorant. It is a tonic of unequalled merit that anyone can use with benefit. Price 50c. per box, or 6 boxes for \$2.50, at Druggists, or N. C. Polson & Co., Kingston, Ont.

## ALLAN PARK

Everybody seems well pleased with the frequent rains after the hard frosts.

We are pleased to say that the little girl of ex-Councillor John Brown, is able to be around again after her sickness.

One evening last week some sneak thieves visited the barn of Mr. John Redford on the 5th con., and helped themselves to 50 bushels of oats and 7 bags of wheat, also the summer pork which Mr. Redford had prepared for his own use. It will be too bad if they are not found out and given the full extent of the law. Mr. Redford found where they loaded them on their wagon and drove away.

The Allan Park Picnic will be held on the 4th of July. Fuller particulars later on.

Mr. J. Adlam was fishing one day and had the luck to get a hold of one that caused him to break his rod before he got him landed. The trout weighed two pounds.

Mr. Thomas Brigham has the contract of shingling R. Trafford's barn.

Mrs. Henry Beckenhauer is very sick at present. We would be pleased to hear of her speedy recovery.

## SPRING BANK.

Victoria Day was spent in all manner of form in this vicinity. Some went fishing, some took in the sports at Markdale, while others stayed at home and attended their own business.

Mr. John Westman, after spending the past year on the McKechnie Ranch, left recently for his home in Uncle Sam's land.

Mr. Jas. Hopkins had the masons at work last week building a stone foundation under his barn. The Coari Bros., in company with Mr. Jim Boake, did the work and did it well.

Mr. Jim Ritchie is this week rushing up the basement walls of Mr. Abraham Crutchley's new barn. Few men can beat Jim as a workman.

A party of pleasure seekers from Dundalk picniced at the Lake on Victoria Day, and reported having a high old time.

Messrs. A. Lawrence and Wm. Wright spent Victoria Day with Proton friends, and did not fail to capture a few of Proton's speckled beauties.

Mr. A. Watson, of Holstein, spent Sunday at the parental home.

Don't you think, Mr. Editor, it would be a good scheme to transport a contingent of those rum characters that go prowling around the streets of your town over to South Africa to assist in downing the Boers. If they showed half as much what they think fearlessness and activity on the battlefield there as they do on the streets of Durham, they would surely be able to dodge every bullet that came their way.

## TO CURE A COLD IN ONE DAY.

Take Laxative Bromo Quinine Tablets. All Druggists refund the money if it fails to cure. E. W. Grove's signature on each box. 25c.

## VANDELEUR.

On Friday morning last Mr. John McGee, who had been ailing for some time, passed away to that land from which no traveller returns. Mr. McGee has been a resident of this neighborhood for over 30 years past.

Mr. and Mrs. Wm. McCallum, of Stratford, who have been visiting with Mrs. McCallum's parents, Mr. and Mrs. T. Kells, returned to their home last week.

The electors here were greatly surprised on Nomination day when they learned that Mr. Lucas was elected by acclamation, which was caused by the non-arrival of Mr. Davis on time at the hustings to cause himself to be nominated. In this matter John forcibly reminds us of the foolish virgins of old who had no oil in their lamps. Inasmuch as John had failed to secure a ratepayer to make his nomination, and while he married the Returning Officer declared Mr. Lucas elected by acclamation.

## TOP CLIFF.

We haven't much of anything to note this time but such as it is we give.

Fine growing weather of late. The late rains have caused the growing grain to have a beautiful appearance. The heavy thunder storm of the 22nd of this month made considerable damage south of this place by way of unroofing a number of buildings.

Mrs. Chas. McDonald had a sheep killed on that day.

Victoria day passed off quietly. Some went fishing, some others different directions, while the wise stayed at home to mind their own business.

There is no use of us saying much about election matters for the campaign is drawing nigh to a close now and next Thursday will give the final decision. It is needless for us to say who is going to win, but it is needful for us to know who we are going to support all the same.

Victoria Day brought a good many friends to their old homes for a day or two. Misses Kate and Minnie McIntyre, of Toronto, spent a few days at their old home here. Mrs. Rose, and family, of Bruce, also visited her mother, Mrs. McIntyre, of this place.

Miss Minnie McDonald, of Toronto, paid friends at Priceville and elsewhere a short visit this week.

Mr. Robert Conkey, of Priceville, is away to Bonanville this week for treatment of cancer on the neck.

Mr. John McLonis, Durham Road, intends to go to Calgary, N. W. T., the first week in June with a load of cattle and horses for his brother-in-law of that place.

In your Hits and Misses, Mr. Ed. you claim to have Colin McFadden into the ranks of the Conservative party, but, Sir, we can hardly relish the expression given for Colin is rooted and grounded in the faith too long to deviate from it now in his declining years.

## HOLSTEIN.

Miss Mabel Cameron is spending a few days with old friends and acquaintance here.

Mrs. Geo. Freeman enjoyed the Victoria Day excursion by spending Saturday and Sunday in Owen Sound.

The Rev. J. Truax returned Monday after an absence of a week with friends at Glamis.

Misses M. Smith and E. Pettigrew visited at T. McNulty's for a few days lately.

Miss Inch, professional nurse, of Toronto, enlivened the home of G. Calder by her presence for a few days lately.

Mr. and Mrs. J. D. Roberts took advantage of the cheap rates and spent a few days in the Queen City.

Victoria Day was observed here in the usual quiet way. A few of the small boys spent the forenoon in Anvil Cannoning and discharges of smaller fireworks. The day assumed a rather threatening appearance until about noon when old Sol made his appearance and dispelled all doubts as to the state of the weather for the remainder of the day. The chief attraction was the football match that was to take place at Pike Lake between the Holstein and Moorefield football teams. The match was looked forward to with a considerable degree of anxiety, as it was understood that the Moorefield boys were able to compete successfully with all opponents during last season. A goodly number of the villagers accompanied the boys to encourage them in the task they had undertaken, and it was not until 4 o'clock that the teams lined up for the struggle to commence. No sooner had the referee given the signal to commence than Holstein secured the ball and rushed it down on Moorefield's goal. It was quickly returned to centre to be as quickly sent back. For thirty minutes the contest continued when, after a series of combination plays, Bob McEwen scored the first goal for Holstein just as half time was called. A few minutes rest was given when play was again resumed. In this half the Moorefield boys besieged the Holstein goal but goalkeeper Greaves was invincible, and after thirty-five minutes play time was called, and the game was won by our boys, the score standing 1 to 0 in favor of Holstein.
