GLASCOTT.

A number from these parts spent Victoria Day in Markdale, while others thought it more profitable to stay at home.

The election is over once more. We imagine we can hear Mr. Binnie singing Home Sweet Home.

Last Sunday our neighborhood received quite a shock when the Dr. announced that Mr. Thomas Moarn, Sr., had the typhoid fever. A nurse was sent for and every care was taken to check the disease. On Monday, much to their surprise, the Dr. said it was not fever at all, and now the old man is improving nicely. Hope soon to see him in his usual good health.

The venerable of Mr. Richard English's commodious residence is now completed. I think we can safely say that Mr. English has now the finest all-round farm and buildings on the townline between the two gravel roads. Mr. and Mrs. English are yet in the prime of life, and we hope they may live many years to enjoy the comforts earned by hard honest toil. Mr. English has also added a new wire fence from the road to the barn, which adds greatly to the appearance of the place.

FLESHERTON.

The annual convention of the Woman's Missionary Society of the Owen Sound District was held in the Methodist Church here on Wednesday of last week and was in all but point of members a success. The inclement weather interfered materially with the attendance though Owen Sound and Markdale were well represented. At the morning session Mrs. Alfred Frost, District Organizer, presided and devotional exercises were conducted by Mrs. (Rev.) Langford of the same place. Mrs. Geo. Burritt, of this place, was appointed secretary of the Convention, after which the minutes of last convention were read and adopted. Reports were presented from Auxiliaries in part as follows: Owen Sound—members, 48, an increase of 22; thank-offering, 41.25; subscribers to Outlook, 28; paid branch Treas., \$90.00; and box of clothing sent to Deaconess' Home. Markdale—Very successful year members 22, an increase of 5; thank-offering 14.25; box of clothing for the N. W. Indians, \$29. Regret was expressed at the loss the Society was sustaining by the removal of Mrs. Boland, Flesherton—also a successful year, members including 1 honorary 23, an increase of 7; receipts 30.76 of which 18.56 had been remitted to Branch Treas.; Outlook subscribers, 9; Via Christi studied, one public meeting held. Woodford—members 8; remitted branch Treas. 21.63 and sent box of clothing to North Bay; Outlook subscribers 8; organized a Mission Band. Rocklyn not reported. Mission Bands: Owen Sound, members 33, receipts \$12.42. Flesherton, members 53, receipts 11.90; Palm Branches taken, 18. Mrs. Frost, of Owen Sound, was nominated for District Organizer and Markdale was chosen for next place of meeting. At the afternoon session devotional exercises were led by Mrs. W. H. Thurston, of this place, and Miss Anderson, of Owen Sound, after which the minutes of morning session were adopted. Very interesting and helpful papers were then given as follows: "The Power of Consecration," by Mrs. Gray, of Owen Sound. "Our Personal Responsibility to God," by Miss Henry, of Markdale, and "Giving," by Mrs. W. N. Brown, of this place. The Mission Band furnished pleasing music and the Question Drawer was ably conducted by Mrs. G. P. McKay, of Toronto. Mrs. Boland, of Markdale, led the Consecration Service. A resolution was unanimously adopted expressing the sincere regrets of the Society at the removal of Mrs. Boland who is about to leave for Sault Ste. Marie. Revs. Wilson and Buchanan graced the convention with their presence in the afternoon. In the evening the chair was occupied by Rev. Mr. Wilson and the time was given mostly to Mrs. McKay, of Toronto, who in the course of an excellent address, made a strong plea for greater zeal in behalf of Missions. The Misses Joy favored the audience with a pleasing trio.

In January last Mrs. George Park, an esteemed old lady of 75 years, suffered a paralytic stroke which left her in an enfeebled condition. Two weeks ago she had the misfortune to fall and fracture her thigh bone, the shock of which with her former weakness was too much for her constitution to overcome and on Sabbath evening last she passed away from her bed of weariness and pain to the freedom and rest of her heavenly home. Her remains will be interred this Tuesday afternoon when her pastor, Rev. Ivison Wilson, will conduct the services. Mrs. Park was over forty years ago among the first residents of this place. Removing to a farm near Eugenia she resided for a number of years, but a few years ago returned to this place to spend her last days. She was of a cheerful disposition, a kind-hearted and good woman, loyal to the class-meeting and services of the Methodist church of which she had been a faithful member for many years. An aged partner, three sons and three daughters survive her.

A company of Salvation Army bell ringers and entertainers gave a pleasing programme in the Town Hall here on Thursday evening last, but the audience was small.

Messrs. Ern Armstrong, of this place, and Fred Armstrong, of Toronto, were after the speckled beauties last week and your Scribe's palate was delightfully regaled with a nice mess from their catch.

Dr. Murray, upon receiving a parcel at the post office a few days ago had his curiosity aroused to fiddle string tension as to the contents of the same. Upon examination it was found to be from a friend in Lambton county and contained a young mud turtle which appeared to be glad to make the Dr.'s acquaintance and be set at liberty. His royal highness is thriving and becoming quite friendly.

Electric light for Flesherton is now assured. The village has accepted of Mr. Deagle's proposition, before reported by us, and the township council at their meeting on Monday granted him the privilege of erecting poles on the highway to Eugenia when on Mr. T. W. Wilson's excellent water power, the plant will be installed.

The news over the wire on Sabbath last that the war in South Africa was over was received here with feelings of devout thankfulness by all who heard it. At the evening service in the Methodist church Rev. Mr. Wilson led the congregation in special thanksgiving for the blessing of peace again to be enjoyed by the British Empire.

Mr. W. H. Heard has removed to Mrs. Armstrong's dwelling vacated

last week by Mr. Wilson.

Mr. M. Richardson occupied the Methodist pulpit on Sabbath morning last. Mr. Richardson goes this week to the city as delegate to the Toronto Conference.

Mr. W. Collins, organizer, has been in town for several days in behalf of the Chosen Friends and several new members have been added. Rev. Ivison Wilson left on Tuesday to attend Conference in Toronto. Mrs. Wilson accompanied him and after Conference they will holiday for a few weeks with Mr. Wilson's parents at Brighton and with other old friends east of Toronto.

Mrs. Jos. Blackburn leaves this week to attend the marriage of her sisters, Misses Mamie and Etta Ayers at London.

Mrs. Will Heard returned on Tuesday from visiting Mrs. (Rev.) Robt. Keefe, of Washington, and other friends in Western Ontario.

Miss Bert Crossley left last week to spend some time in Toronto.

Mr. John Stewart and Mary Neil spent a few days last week with friends at Thorbury.

Mr. W. J. Bellamy paid Collingwood town a short visit last week.

Mr. and Mrs. D. McTavish visited over Sunday with the former's parents at Mt. Forest and Mr. Thomas Bentham, of Williamsford, visited his aged parents here.

Miss Emma Sheppard has returned from an extended visit with her brother at Moose Jaw, Assa.

Ex-councillor W. Sharp, Toronto line, is to be congratulated upon another addition to his family circle—a young daughter on Sunday evening last.

BUNESSAN.

Miss Annie McCormick is on a visit to her mother here.

Mr. A. C. Beaton left last Tuesday for British Columbia.

Mrs. C. McIntyre (nee Jessie Beaton) is visiting her father and other friends on the north line and this.

Mr. Donald McCoskery, of Toronto, paid a flying visit to the neighborhood this week.

Miss McArthur, of Toronto, has been here to attend the funeral of her aunt, Mrs. McInnis.

Quite a number of our people attended the funeral of Mr. Alex. Scott last Sunday. Several others attended that of Mr. John Firth the same day. We extend our sincere sympathy to the several bereaved ones.

On the morning of May 31st there passed away Mrs. McInnis, widow of the late Mr. Dougald McInnis, of old Bunessan P. O. Deceased had been ailing for many months, and though her end was thought to be near, yet it came all so suddenly. Mrs. McInnis had reached the good age of 82. She was a native of Scotland, where she was married to her late husband, and where most of her children were born. Some forty or fifty years ago the family settled on the farm where the Rob Roy now is. After remaining there but a short while they settled on the present homestead. The funeral last Monday was a very large one, the services being conducted by the Rev. Mathewson, of Priceville, who was deceased's pastor. The children, who are left to mourn the loss of their mother, are Mrs. Dan McArthur, of the Glen; Mrs. Leslie, of Mount Forest; Miss Mary Ann, of Toronto; Miss Maggie, who has always lived at home; John, of Washington State, U. S. A.; Hector, of Michigan; and Dan, who has worked the homestead. All the children were at the funeral except the two boys, John and Hector. We sympathize with the bereaved brothers and sisters.

MacLeod Medicine Co.,
Goderich, Ont.

When I went to Goderich April last my case was considered hopeless. Suffering from a complication of diseases, especially from kidney trouble and headache, I could not do any work. Indeed I could not straighten myself or walk steady. I was so weak and feeble that it affected my memory badly. I doctored with home doctors till I was nearly gone. A faithful friend persuaded me to try your remedies, which I did and with the best success. I began to improve as soon as I began them. Took a dose of the Renovator in Goderich. I felt the effects of that dose all day and I think I feel it yet. My cure began with it. I continued taking your medicine until I was cured. I took both the System Renovator and the Specific Cure. I owe my recovery to them. To-day I am strong and fleshy, able to work as well as ever every day. I never expected such a change. I took the medicine for three months steady without missing a dose.

Gray Hair

"I have used Ayer's Hair Vigor for over thirty years. It has kept my scalp free from dandruff and has prevented my hair from turning gray."—Mrs. F. A. Soule, Billings, Mont.

There is this peculiar thing about Ayer's Hair Vigor—it is a hair food, not a dye. Your hair does not suddenly turn black, look dead and lifeless. But gradually the old color comes back,—all the rich, dark color it used to have. The hair stops falling, too.
