> Durham Court I. O. F. Attend Divine Service.

Last Sunday the Durham Court I O. F. assembled in goodly numbers and marched with becoming decorum and gravity to the Presbyterian church for their annual church service. Rev. Mr. Farquhar-on, the pastor, took for his subject "Who is my Neighbor?" and based his remarks on the parable of the good Samaritan. In appropriate words he directed the attention of the brethren assembled to the duty of brotherhood, not only to those within their own Order, but to the great body of needy ones outside of all such organizations. The sermon was eloquent and timely, and the Rev. gentleman's words will doubtless stick to his hearers for away this week to Bruce County atThe cause of the disease has not long of the prettiest home weddings many days to come.
