Exporting Pure Bred Stock to the United States.

Breeders of pure bred stock, desirous of sending animals to the United States, frequently write me for information in regard to the regulations governing the importation of Canadian stock into that country. For the benefit of such breeders the following summary of these regulations is given :-

1. All animals imported into the United States from Canada must be accompanied by an affidavit made by the owner or importer declaring clearly the purpose for which said for breeding purposes, for milk pro- been duly registered in the ..... or slaughter, whether they form part by this Association for the ...... of settler's effects, or whether they breed of ..... are horses entered for temporary stay as provided by the regulations. Said Dated at ..... affidavit must be presented to the Collector of Customs at the Port of Entry, who will decide whether the animals are entitled to entry under these regulations, and who will noti- flock books are recognized by the fy the Inspector of the bureau of United States Government, and in Animal Industry in all cases where order to secure free entry for breedthe regulations require an inspection ing purposes, all animals must be to be made.

2. Horses for breeding, racing, show and sale purposes, for grazing or for work, must be inspected at the Port of Entry.

## MOCKLER.

Summery Things for Hot Weather Comfort.

The men who want to look well on hot days should wear Furnishing which give complete comfort, which fit so they don't rub or chafe in the hot sun, and which are light enough to be a pleasure on a hot day. Our Furnishings combine all these qualities. Our Shirts are perfect fitters, and our lines of Neckwear in Silk Ties and Ascots are also perfect for summer wear. Our Hosiery in fancy striped and embroidered cotton and cashmere is very nobby. Our Collars are up-to-date and comfortable.

A few Words About New Collars.

We have a new Collar in stock called the "Palmetto," an ideal collor for the hot weather, in sizes 14th to 16th. It combines comfort and coolness with a stylish appearance, and that is what our young men are looking for. Our stock in fact is complete with every shape desireable-in different heights and qualities.

H. W. MOCKLER.
