They Were Easy.

OUR BOYS PUT IT ALL OVER THE MOUNT
FOREST LACROSSE TEAM.

According to the schedule of championship games to be played in Intermediate District No. 4, the Lornes of Mount Forest crossed sticks with the swift Durham aggregation on Monday last, and were defeated by a score of 3 to 1, being out-classed at every point. From what we heard of the Lornes and their successes elsewhere, we expected nothing but a whitewash for our boys here when pitted against a team that was thought invincible. Many citizens we believe were of the same opinion, or the sporting capitalist of Mount Forest might have lost a little more of the floating "toadskins." As it was, however, they found a few citizens who had sufficient confidence in the ability of the home team, to venture a few dollars on the result.

The following is the line up of the teams:

DURHAM.	Goal.	Mr. FOREST.
Dayment.....	Hamilton	Point.
Mathieson.....	Sinclair	Cover Point.
Crooks.....	Weber	1st Defence.
McCracken.....	Pickering	2nd Defence.
Calbeck.....	Pickering	3rd Defence.
Meredith.....	Fair	Centre.
Sheppard.....	Lambert	3rd Home.
Collinson.....	Jones	2nd Home.
Winkler.....	Martin	1st Home.
Munro.....	Crane	Outside Home.
McCartee.....	Atcheson	Inside Home.
McIntyre.....	Kennedy	

Shortly after four the referee, Mr. Kearns of Orangeville, blew his whistle and the ball was faced. It was a short tussle; there wasn't even a "scrimmage" for the ball, just about four combinations and the ball landed in the net as nicely as anything that was ever seen on the lacrosse field, amid deafening cheers from the large crowd present. Almost instantly the two sides were at it again, and during the balance of the quarter the play was dangerously near the Mount Forest goal with the exception of once or twice when series of combinations brought it to the other end of the field to be returned on the Mount Forest flacs by three or four well aimed shots. The whistle blew, however, before another game was scored.

A little incident that occurred at this juncture we shall not attempt to describe, nor shall we attribute the altercation to any premediated intention.

In the second quarter the visiting team went in with a determination to win. They certainly did some good playing, but despite their best efforts they found themselves out-classed by the home team, who landed another ball into the net after about five minutes playing. Before time was up the Durham boys scored again, and left the score 3 to 0 in their favor.

Determined to redeem their position the visitors entered the third quarter for all they were worth, and after a hard fight made their only goal. During the remainder of the quarter the ball was in the vicinity of the Mount Forest net, and had it not been for the excellent protection of the goal keeper another goal or two would have been won by our

boys, who had an easy task in playing around the visitors.

The last quarter was played in a drenching rain, neither side getting a goal though the home team had the best of it straight to the last.

It was a good clean game from first to last, and only once was a man sent off the field, and strange as it may appear, the dishonored player was a former referee in a match here.

Following is the standing of teams in District No. 4, Intermediate:

	Won.	Lost.	To play.
Owen Sound.....	2	0	4
Durham.....	2	1	3
Mount Forest.....	1	1	4
Hanover.....	0	3	3

NOTES

Three to one.
How does it look?
Mount Forest's first defeat.
Durham has a strong bunch of players now. Watch them.
Dayment played in goal and found it quite comfortable.
Referee Kearns gave good satisfaction, and discharged his duty without partiality.
It is estimated that seventy or eighty visitors from Mount Forest were present at the game.
It took the Durham boys just 15 seconds to break up the Mount Forest defence to score their first goal.
Mount Forest's home found our stone-wall defence rather warm.
Dr. Mahan and Editor Lambert were the time-keepers, and hadn't long to wait to record the first game.
Will the Mount Forest papers say that the Lornes did some "rotten" playing?
Weber was the only man who had to go to the fence, and enjoyed a well-earned rest for five minutes.
How many men did it take to check Harry Pickering?
They were the "Lornes" when they came, but the "Porlorns" when the game was over.
The photographic pugilist is going to give it to us when we go down to Mount Forest. We don't brag about fighting, but our boys can play lacrosse just the same.
The Mount Forest Juniors were defeated the same day by the Durham Juniors. Score 5 to 0.
Weber thinks it's one thing to be referee and another thing to be refereed off the ground.
Victory mustn't make our boys cocky enough to be careless. They have other games to win before they get the pennant.
Durham plays in Hanover on the 25th of July.
Rowe, the Markdale sport, went home disappointed. He expected to see the Lornes win, but concluded before the game was over that the home team won on its own merits.
Crooks and Sheppard, the latest addition to our team, are all right.
Mount Forest rooters blame their new ringers for losing the game. They should put the blame in the right place and charge the Durham team straight.

FLESHERTON

The Glorious Twelfth—beautiful weather—big turnout and successful celebration. The Orangemen of Ardenia District—seven lodges—and the Y. M. P. A. lodge of this place commemorated the battle of the Boyne here on Saturday last, and are to be congratulated upon the splendid success and pleasure attending their annual celebration. Flesherton spoke a hearty welcome to the hundreds of visitors, who came, by the reception dress she wore. Flags, Union Jacks, bunting and evergreen decorations were everywhere in evidence and eight stately arches spanned the principal streets. One erected by J. H. Heard & Son was admired by all. It was decorated with handsome portraits of the King and Queen and mottoes "No Surrender" and "God Save the King." From another arch was suspended "Welcome" by the Y. M. P. B. A. At 2 o'clock the procession formed, and led by the Markdale Citizens' Band marched to Flesher's Park where the speaking took place under the presidency of District Master, H. D. McLaughery. The first called upon was Mr. M. K. Richardson, M. P., who, in a pleasing manner, welcomed the visitors to this place. Addresses were then given by Rev. Cooke, Wilson and Thom, of this place; Messrs. T. Kells and J. Lyons, Markdale; Mr. F. T. Carr and Rev. T. R. White, of Eugenia. Music was interspersed by the Markdale Band. The procession reformed and marched back to the village square where, after a round of music and the usual cheers, separation took place. Mr. R. Purvis, of Eugenia, marshalled on a gray charger and was kept quite busy. There was a genuine crossing of the Boyne water to and from the park. The ideal place chosen for the speaking as well as the seating accommodation was greatly praised by the crowd. The Methodist Ladies' Aid and Mrs. Thompson served meals, and each, we understand, took in over \$70.00. Host Mmshaw had a busy day and good receipts.

The Flesherton and Orange Valley football teams played at the latter place on Tuesday evening of last week, resulting in favor of the Valley boys 1-0.

The Foresters here tumbled out 42 strong to the Methodist church on Sabbath morning last, when the pastor, Rev. J. S. I. Wilson, preached the annual sermon drawing useful lessons from his texts, which embodied the motto of the Order—"Liberty, Benevolence and Concord."

Mrs. Morrow has moved to the brick cottage on Elizabeth St. recently purchased by Miss Cole from Mrs. Bradbury.

Messrs. F. H. W. Hickling, A. S. VanDusen and M. K. Richardson are attending Masonic Grand Lodge at Windsor this week.

Mr. and Mrs. Geo. Wickens, of Toronto, are visiting the former's parents here.

Mrs. Wes. Armstrong, of Port Arthur, visited her mother-in-law, Mrs. J. W. Armstrong, last week.

Mr. Reg. Ward, formerly of this place, who has been for some time at the Soo, but is now going on Government survey work near Calgary, was the guest of Mr. Chas. Richardson last week.

Mr. Jared Baker, of Stayner, was a visitor at the home of Mrs. Joy for a couple of days last week.

Mrs. Bradshaw, of Crystal, N. D., is visiting her sister, Mrs. J. A. Boyd.

Miss Ila Crane, of Owen Sound, is visiting her grandparents, Mr. and Mrs. R. Trimble.

Mr. R. Martin, of Arthur, was in town Monday in the interests of the A. O. U. W.

Mrs. Fred Hickling left on Tuesday to visit friends at Toronto and Belleville.

Miss Osborn, milliner in Boyd, Hickling & Co.'s, left Monday to holiday at her home in Guelph.

Mr. R. J. Sproule left on Tuesday to visit his son and daughter at Winnipeg and Brandon.
