## DURHAM CHRONICLE

W. IRWIN, Editor and Proprietor.

DURHAM, AUGUST 28TH, 1902.

Mr. R. L. Borden, leader of the Conservative party, speaking at the banquet of the Canadian Manufacturers' Association, held at Halifax a short time ago, spoke in unhesitating and certain terms in his advocacy of the building up of Canada. He expressed his confidence in the future national life of this great country, and called for the adoption of a policy best suited to the attainment of the greatest good. Mr. Borden fails to see why Canada should continue to be the third best customer of the United States, when our patronage, which amounted to \$120,000,000 during 1901, is extended at the expense of our own manufacturers. Neither can he see any reason for permitting United States manufacturers to make a slaughter market of Canada, and his declaration, that our industries should have full and adequate protection, will commend itself to thoughtful Canadians.

On another great issue now before the Canadian public—preferential trade—Mr. Borden stood on strong ground. He urged that a factory in Canada contributed quite as much to the welfare of the empire, as a similar institution in Yorkshire; with the additional advantage to this country, that home industry guaranteed home prosperity. Mr. Borden, in striking this keynote of "Canada for the Canadians," has raised himself above the mere shallow feelings of a leader speaking for effect, and has shown that his heart and the hearts of his followers are with the welfare of their native land, as well as the empire.

### LACROSSE NOTES.

Our Lacrosse Poet had another inspiration and this week treats us with a beautiful poem "A Wail for the Good Old Days."

The Lacrosse match between Owen Sound and Collingwood held in the County Capital last week resulted in a sweeping victory for the Sounders on a score of 20-0. The Collingwood team is a good aggregation and play clean, fast lacrosse, but the Owen Sound team is a little better as shown by the result of their last match. In two of the three games played this season between Owen Sound and Durham teams the latter had two victories. Good, better, best.

The Owen Sound Lacrosse Boys shouldn't feel sore, simply because our boys beat them in two out of three games. When our boys were whitewashed on the O. S. grounds they took their medicine like men and never winced over it. Durham, of course, is growing so fast that a spirit of jealousy pervades the whole County Capital, which is now waking up to feel that in a very short time they will be only a significant suburb of Durham. Then we'll have a "bumpious" team.

The Hanover Juniors came over Tuesday afternoon and played a friendly game with the Juniors here. The result was a victory for the home team, the score being 4-3. The first score was made by the Durham boys after a short play and from that on to the end of the game, they scored turn about. Fred Glass making three and Jimmy Lavelle one. Briggs of Hanover, refereed the game and gave good satisfaction, at least we have heard no complaints.

### CORNER STONE LAID.

In accordance with previously arranged plans and the published announcements in the Press and by posters, the ceremony of laying the Corner Stone of their new church in Durham was formally celebrated by the Baptists on Wednesday afternoon of last week, Aug. 20th, 1902.

The day was all that could be desired, being bright and warm. It was one of those days the farmers like to make the most of in garnering their crops, especially when the weather is catchy as it has been during the harvesting period this year. Under the circumstances a large turnout from the country would hardly be expected; but the event was a rare one, the laying of a Corner Stone for a new place of worship, and notwithstanding the counteracting influences a goodly number from town and country were present on the occasion.

The meeting was opened by singing after which Rev. Mr. Cline, of Owen Sound, led in a very appropriate prayer.

The Rev. Mr. Smith, Methodist Minister of Durham, was the next speaker, and in a few well chosen sentences gave expression of his good will to all religious bodies, and expressed his pleasure at the new structure to be erected here. Believing as he did that all had enough to do in uplifting and upbuilding the cause of humanity, he heartily complimented the Christian enterprise of a sister organization in the work instituted on that occasion.

Rev. Mr. Cline, Baptist Minister of Owen Sound, was the next speaker, and made a very encouraging address in his own characteristically forceful style.

Dr. Jamieson, M. P., P., was next called, but owing to the fact of a lengthy programme, he did not go into the discussion of any theological question, but merely expressed his congratulations, and thanked the members of the church for the honor conferred on Mrs. Jamieson, who was chosen to perform the ceremony of laying the chief stone in the new structure to be erected.

Rev. Mr. Stewart, the first Baptist Minister of Durham, an old gentleman now over ninety years of age, was listened to with rapt attention by all present. Though failing physically, the old gentleman is still in possession of a good voice, and endowed with a wonderful degree of his old time mental vigor.

Mr. J. H. Brown, a member of the congregation, read a report of the growth and development of the church since it was first instituted here over fifty years ago, and pointed out the dates at which the various changes were made as to places of worship and ministers in charge. This report, together with copies of the local papers, found a resting place in the Corner Stone.

The pastor, Rev. W. L. Newton, at this juncture presented a very beautiful silver trowel to Mrs. (Dr.) Jamieson, after which the Stone was duly laid in most workmanlike style of laying stones on such occasions. It is hardly necessary to dilute this paragraph by elaborating on the class of work done by this "master" mechanic. To say "it was well and truly laid" is about all that's necessary.

An excellent closing address by Rev. Dr. Spencer, of Brantford, who, by the way, is one of the best open air speakers we ever listened to, and a liberal contribution toward the building fund brought the ceremony to a close.

We shall undertake in the near future to give our readers a conception of this new church, which will be unique in its character and somewhat city-like in its design. The cost will be in the neighborhood of \$6000, and will be quite an ornament to the place. We wish them success.

### THE REPORT.

Durham, Aug. 20th, 1902. The congregation for whom this building is being erected as a House of Worship, was first organized in the year 1752 with 12 members; the Rev. Alex. Stewart (who, in the providence of God, is with us to-day and has attained the ripe old age of ninety years,) being its first pastor. Prosperity attended his labor for several years, and the members rose to between 80 and 90. A small comfortable chapel was built and Sabbath School and Prayer Meetings conducted, but owing to many removals and deaths, and also the organization of other churches breaking off from this one, the church lost almost its entire membership.

Bro. Stewart severed his connection with his people here about 1867 or 1868. The cause remained in a very low condition until 1874 when Bro. A. Warren labored as a missionary reviving the interest, and on July 27, 1875, the church was re-organized with 9 members.

Services were conducted irregularly by Students and others for two years, when a call was extended to Bro. A. Warren, who assumed the pastoral care in Oct. 1877. Good work was done through the blessing of God on his labor.

In the fall of 1878, Bro. Alex. Grant, (whose untimely death we so much deplore) spent several weeks in Evangelistic work, which was abundantly blessed, over one hundred having professed conversion. From that time to the present, through cloud and sunshine, the Lord has led his people.

The church, since its organization, has enjoyed the pastoral services of the Revs. Stewart, Warren, Wm.

Grant, J. Best, A. Best, Cashman, Dunlop, Moyle, Boone, Cuthbert, McGregor, and in December 1901, the present pastor, Rev. W. L. Newton, commenced his labors.

Seeing the necessity of a new church building to keep pace with demands of the improved condition of the town, the matter was laid before the congregation and the situation fully discussed, which resulted in a committee being appointed as follows: Rev. W. L. Newton, Thos. McNeice, T. McComb, J. L. Browne, C. McDougall, C. McArthur and J. H. Brown. Subscriptions were solicited and reserved, and much encouragement was given from members and citizens.

Plans and specifications were made by Architect Ritchie, of Mt. Forest, and tenders asked for, which resulted in the contract being given to Chris. Theodor, of Hanover, for the mason work, to Eadt Spiez, of Hanover, for the carpenter work.

Now, may this stone remind us of Christ, the Chief Corner Stone of His Church; the mortar, the love that binds us together; the trowel, the weapon of the Holy Spirit that seals us to the day of Redemption. May this house be the resting place of many a weary traveller on the way to Glory, and remind us of the building not made with hands reserved for those who love the Lord Jesus Christ."

### Women and Jewels.

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boschee's German Syrup. It will promptly arrest consumption in its early stages and heat the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all but it is a certain cure for coughs, colds and all bronchial troubles. You can get this reliable remedy at Darlings Drug Store.

### BORN.

KERR—On Aug. 18th, to Mr. and Mrs. Jas. Kerr, Hampden, an son.

### MARRIED.

McNAB-STEWART—In Rochester, N. Y., by Rev. Dr. Sankey, Wm. J. McNabb to Miss Jessie Stewart, of Dornoch.

The W. C. T. U. will hold a meeting on Friday afternoon at 3 o'clock at Rev. Mr. Stewart's. A full attendance is requested as it is a business meeting.

## Old Folks' Backache.

When people get past the meridian of life they are liable to be troubled more or less with kidney complaint.

Pains and aches, stiffness and soreness of the back, difficulty in urination and frequent rising at night are some of the troubles that seriously afflict the old.

There is no remedy brings such relief and comfort to those advanced in life as Dr. Pitcher's Backache Kidney Tablets. They soothe all irritation, tone up and invigorate the urinary organs, clear away all sediment, take the ache and pain out of the back and permit undisturbed rest at night.

### SPRIGHTLY AT 60.

Mrs. Geo. Boutin, Harrington Street, Arrnprior, Ont., says: "I have had so much benefit from using Dr. Pitcher's Backache Kidney Tablets that I do not hesitate to recommend them. Since I used them I am free from that constant backache that quite unnerved me and robbed me of all energy. My kidneys have been so invigorated that there now remains no annoyance or inconvenience from the secretions. I wish you could see my father. He is sixty-nine years of age and before using Pitcher's Kidney Tablets he suffered acutely from rheumatism in his back. Now he is sprightly and nimble as a young man. He says never anything before did him as much good as Pitcher's Tablets. I am confident that those who have failed heretofore to obtain any relief from bad backs and sluggish kidneys will find themselves well rewarded by using Dr. Pitcher's Backache Kidney Tablets."
