## WOODED AND WON.

Mr. Wm. Coleridge, of Owen Sound,  
Happily Wedded to Miss Jessie  
Reid, of Egremont.

One of those interesting events  
took place on Wednesday evening of  
last week at the home of Mr. and  
Mrs. Reid, near Yeovil, when their  
daughter, Miss Jessie, was united in  
marriage to Mr. Wm. Coleridge, of  
Owen Sound. At five o'clock in the  
evening the nuptial knot was tied by  
Rev. Mr. Truax, of Holstein.

At the appointed time the groom  
took his place in the drawing room,  
while to the sound of an appropriate  
wedding march played by Miss E.  
Lawn, the bride came forward leaning  
on the arm of her father who  
gracefully gave her away in the pres-  
ence of a large number of friends and  
relatives who were present to wit-  
ness the ceremony.

During the trying ordeal, the  
groom was assisted by his brother,  
Barrister Thomas Coleridge, of Lon-  
don, who discharged his duties not  
only gracefully and well, but in strict  
accordance with the law. The bride  
was supported by her sister, Miss  
Jessie Reid, who appeared particu-  
larly attractive in a suit of dark blue  
ladies' cloth trimmed most tastefully  
in applique.

The bride was married in a dress of  
pale blue cloth, with white silk front  
and trimmed with applique. Her  
travelling suit was of navy blue  
homespun, faced with lace.

The ceremonies over, and congrat-  
ulations extended, a sumptuous wed-  
ding repast was partaken of after  
which the company enjoyed them-  
selves in harmless amusement on  
into the night, each one vying with  
the other to make the event as agree-  
able as possible.

Mr. and Mrs. Coleridge, to whom  
we extend our congratulations, will  
take up their home in Owen Sound,  
where we trust they may enjoy all  
the good things of life.

The presents were numerous, use-  
ful and pretty and included a hand-  
some gold watch, the gift of the  
groom, one large parlor lamp, kitch-  
en lamp, bedroom lamp, two water  
sets, tea set, bedroom set, gold edged  
berry set with spoon, two parlor  
lamps, silver fruit dish, glass fruit  
dish, silver celery dish and sugar  
spoon, china fruit dish, glass fruit  
dish, coffee pot, tea pot, cheese dish,  
volume "Life of Queen Victoria,"  
china berry set, mantle clock, two  
pair window curtains, two bed-  
spreads, three linen tablecloths, col-  
ored table cloth, silk table throw,  
quilted blankets, etc.

Relatives and near neighbors of  
both parties in the township were  
present and among visitors from a  
distance were Mrs. Wm. Gray, Alma,  
Mr. and Mrs. Crosby, Harriston, Mr.  
and Mrs. Legate and daughter Irene,  
Ceylon, Mr. Thos. Coleridge, London,  
Mrs. W. Reid, Michigan, Mr. and  
Mrs. Pennock, Holstein, Mr. and Mrs.  
C. Ramage, Durham, Mr. and Mrs.  
R. Wright, Ceylon, Miss S. Coleridge  
Fordyce.

## LIVINGSTON-SIMS.

The home of Mr. and Mrs. Cam-  
eron Husband, Toronto, was the scene  
of a very pleasing event on Septem-  
ber 18th, when Miss M. Sims, of  
Owen Sound, and Mr. H. Livingston  
of Vickers, were united by the holy  
bonds of matrimony.

The bride looked charming in a  
handsome suit of white crepe de  
chine trimmed with white silk and  
applique and carried a shower bou-  
quet of bridal roses.

The house was artistically decora-  
ted with palms, ferns and carnations.

After the ceremony the guests  
partook of a sumptuous repast, when  
everybody did ample justice to the  
dainties provided.

Before leaving for Hamilton and  
Buffalo, the party was photographed  
in the drawing room, in order that  
each guest might have a souvenir of  
the happy event.

giving the best solution to  
the following problem I will  
give **One Doz. Photos**  
absolutely free:

"If it takes thirteen years for a  
man to make photos such as  
some we see on exhibition, how  
many years' experience would  
the artist need to make a  
decent job?"

**THE ANSWERS** must be

## BACKS THAT ACHE

Kidneys That Won't Do  
Lidney Work.

DURHAM TALK.

It is but a short time since Dr.  
Pitcher's Backache Kidney Tablets  
first came to Durham. It was said  
they were something entirely out of  
the common as a specific for back-  
ache and kidney complaints, and  
that they acted very quickly and  
made startling cures of cases that all  
other medicines failed to influence.  
Durham people are quickly coming  
to the front to substantiate this  
statement.

Mr. W. Caldwell, the well-known  
liveryman, says that he can endorse  
Dr. Pitcher's Backache Kidney Tab-  
lets. He used them for lumbago.  
It had remained with him longer  
than usual and seemed determined  
to stay. He became interested in  
those Tablets from seeing the many  
statements of cures obtained through  
using them, and procured a bottle.  
He speaks of them as follows:—

"For some two years on and off,  
I have suffered from a pain in the  
back due to a kidney trouble. The  
pain was worst at nights lying  
down, and better when I moved  
about. I was induced to try Dr.  
Pitcher's Backache Kidney Tablets  
and got a bottle at MacFarlane &  
Co.'s drug store, and I can conscienti-  
ously say they did finely in my  
case. I found them easy to take and  
gentle in action."

Dr. Pitcher's Backache Kidney  
Tablets are put up in wooden bot-  
tles, with green wrapper bearing  
the portrait and signature of Z. Pit-  
cher, M. D. Each bottle contains 50  
Tablets. Price, 50 cents per bottle.  
Manufactured by the Dr. Zina Pit-  
cher Co., Toronto, Ont.

## Women's Institute.

An interesting meeting was held  
at Mrs. W. L. Dixon's on Thursday,  
Oct. 2nd. There was an attendance  
of fourteen, some coming a distance  
of ten miles.

A good paper was given by Mrs.  
Thomas McGirr on "Accidents in the  
Home," showing the great necessity  
of presence of mind. After the read-  
ing of this paper followed a short  
discussion on Cream Separators, in  
which nearly all present took part.

The November meeting will be held  
at Mrs. Sam Patterson's, near Dur-  
ham, on the first Thursday of the  
month.
