VARNEY.

Mrs. Robinson, of Toronto, arrived home this week to superintend house-keeping for her brother N., who has moved to the second of Normandy.

Miss M. McNiece is now settled in her new home in Varney.

Mr. J. Gadd has engaged for the year with D. Gilmore, Hampden.

Mr. Wm. Yandt has moved to Mt. Forest.

Rev. Miller is in charge of the pastorate work here now. We welcome him to our neighborhood. Next Sunday he takes the Temperance Cause for his subject.

Miss L. Gadd leaves for Hamilton this week.

The E. L. had a large attendance Thursday evening last, and the Junior Society, which has closed its meetings for the winter, took charge of the devotional exercises, and taking their superintendent by surprise presented her with a pretty cherry rocking chair and a parlor lamp after reading the following address:—

DEAR MISS ALLAN,—
We, the members of the Junior League, of the Varney Methodist Church, take this opportunity of expressing our appreciation of your services as Superintendent of our League.

We cannot fail to recognize the self-sacrifice on your part in giving of your time and ability every Thursday evening during the past summer.

We appreciate the patience and kindness you have shown in directing our work, and the encouragement you have given us in searching out the great truths contained in God's word. We earnestly hope your labors may bear much fruit.

We would now ask you to accept this small token of our esteem, and close in wishing you may long be spared to work for Christ, the children's Friend.

Signed in behalf of the League.

Miss Allan thanked the boys and girls for their kindness, and said they had more than rewarded her for the little she had done, and hoped they might long be spared to work together for Christ. They then asked her to close the meeting with prayer.

EDGE HILL.

Mr. Wm. Ritchie made a business trip to Allan Park last Saturday.

The Morrison brothers have erected a fine monument in memory of their father in St. John's cemetery.

Mr. Thos. Firth has been engaged as teacher in the Williamsford school at a good salary.

Mr. and Mrs. Thos. Greenwood were visiting friends in the vicinity of Walkerton for a few days last week.

Your Hair

"Two years ago my hair was falling out badly. I purchased a bottle of Ayer's Hair Vigor, and soon my hair stopped coming out."
Miss Minnie Hoover, Paris, Ill.

Perhaps your mother had thin hair, but that is no reason why you must go through life with half-starved hair. If you want long, thick hair, feed it with Ayer's Hair Vigor, and make it rich, dark, and heavy.

\$1.00 a bottle. All druggists. If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address, J. C. AYER CO., Lowell, Mass.

ALLAN PARK.

Miss J. Hibine, of Owen Sound, is visiting friends around the Park at present.

Mrs. John Archibald is on a visit to friends in Toronto at present.

We understand that Mr. R. B. Hopkins has rented his farm for a term of years to our Cattle King Brunt, of Hanover.

Our council seems to have lots of money this year. They have got started to build sidewalks now. Allan Park happened to be a lucky place to stand in for a share of them.

Mr. and Mrs. Henry Cross, of Louise, were visiting at Mr. T. Brigham's lately.

A short time ago there were a few of the sports from Hanover up this way having a wide hunting, and in the evening going away they took with them the hound dog belonging to Mr. W. Forsyth and it has never returned since. Now, boys, you had better return the dog. Fun is fun, but there is no fun in that kind of game.

The Durham stage horses ran away the other evening, but so far as we can learn no serious damage was done.

What makes Mr. T. Brigham smile so much these days is the arrival of a young son at his place on Friday morning last. Tom says he is one thousand more in pocket.

Mr. Robert Brigham was up to the Lake for a load of fish but came back rather empty. He says that the fisherman claimed that the weather was not in their favor and the catch was very small.

We heard a man say the other day that he saw the toads jumping around. The Indians claim that we are going to have an open winter, and perhaps the toads know that.

There are two culverts on the side-road running north of this place with a log broken in each of them, and it would be well for some of our councilmen to look after them in case some damage is done.

Mr. John Hopkins, Jr., near this place, has been appointed Inspector for the Mulock beef ring for next summer. John will show them how to get fat beef.

Ex-Councillor Brown has had a new driving and implement house built, which adds greatly to the appearance of his premises.

Mr. Wm. Ritchie, D. C. M., of Durham, and James Eden, D. M., of Varney, visited the brethren of the L. O. L. of this place on Friday night last, and a very enjoyable time was spent.

The brethren here have decided to have a church parade on Sunday, 23rd, to Ebenezer church. The brethren from other lodges are invited to attend. They will meet at the lodge room here at one o'clock sharp.
