> day of January, A. D , 1902, commencing at 9 o'clock in the forenoon, and closing at 5 o'clock in the afternoon of the same day. Given under my hand in the Town of Durham, this 8th day of December, 1902.

W. B. VOLLET, Nominating Officer.

Winter Term Opens Jan. 5th

STRATFORD, ONTARIO.

A large, progressive school and one of the best on this Continent. This is a strong statement but it is a true one nevertheless. The reason our school has a large attendance is because it is a wide-awake, hustling, working, result-producing school. Recent graduates have accepted positions at salaries ranging from \$45,00 a month to \$800.00 per annum.

Write Por Our New Catalogue.
