Edge Hill.

Mr. Thomas Moffat, of Owen Sound, is visiting his father at present.

Mr. Guy Williams returned home on Saturday from Buffalo. He reports that his brother Chris is progressing favorably towards recovery from his recent injury.

Mr. Chas. A. Goodeve, of Toronto, has been the guest of Mr. and Mrs. Dan Greenwood and family for the past week or so. He returns home this week.

Misses Minnie and Clara Hooper, South Live, Glenelg, visited at Mr. Thomas Greenwood's the latter part of last week.

Mr. John Moffat had the misfortune to lose a valuable horse last week from inflammation of the lungs.

Mrs. McIlvride, of Manitoba, spent a few days with her aunt, Mrs. W. R. Edge.

Mr. Alex. Jopp came home from Toronto on Saturday.

The pleasing anticipations which have actuated the minds of our young people for some time were fully realized on Friday night last when a large company assembled at "The Cedars" the comfortable and commodious residence of Mr. and Mrs. Thomas Greenwood. Mr. Greenwood has recently built an addition to his house and this was the house-warming. The guests, numbering about fifty, consisted of both old and young and they certainly warmed up the house in good shape. To those who took delight in the light fantastic step a fine floor and good music supplied mostly by G. A. Staples, contributed all that could be desired, while those who did not care to dance had ample room to enjoy themselves in other harmless amusements. A snap shot of the whole company was taken during the evening by Mr. C. A. Goodeve, who was present with his camera. A short program brought the evening to a close after which all went home thoroughly satisfied in having enjoyed one of the best parties given in the neighborhood for some time. May Mr. and Mrs. Greenwood and family long be spared to enjoy the comforts of their new house.

One of the Vilest Diseases.

Is Catarrh which first attacks the nose and throat and finally spreads all through the system. The one sure is fragrant healing Catarrhazone which is sent by the air you breath direct to the root of the trouble. Mr. T. Y. MacVicar of Yarmouth, suffered for years from catarrh and says, "In my long experience with this loathsome disease I never used any remedy that relieved and cured so promptly as Catarrhazone. When my nostrils were so stuffed up that I couldn't breathe I found a few inhalations of Catarrhazone was sufficient to clear away the mucus. I am perfectly cured by Catarrhazone and free from the disease entirely." Use only Catarrhazone. Complete outfit \$1.00; trial size 25c.

Two brothers Walter Ward and Russell Ward, sons of Mr. John Ward, a well known farmer, who resides near Kemble, were principals in a shooting affray on Saturday which did not end very seriously. There was it is said, bitterness between the brothers, and on Saturday it reached its culmination when Walter Ward is said to have shot his brother, who fortunately, was not hit. The police are after the young man who did the shooting, but he has disappeared, and no arrests have yet been made. —Hanover Post.

Allan Park.

Miss Charlotte Bailey was visiting at Mr. T. Kennedy's lately.

Mr. and Mrs. Jacob Schenk, of Hanover, were spending a few weeks visiting at Mr. T. Bailey's.

We are sorry to say that Mr. Jesse Tompkins is on the sick list at present.

We are pleased to say that Mr. Henry Willis is improving nicely after the operation he had performed on his eyes by Dr. Brown, of Neustadt.

B. Sharp, of Durham, has the contract of Edward Hopkin's new barn to be erected next summer. Ed thinks the snow is a little deep for hauling logs.

Messrs. James Sumpton and George Wells have the contract of cutting wood for Herb Livingston.

While a certain young man was driving along the concession one evening his horse got off the road and got played out plunging in the snow. He unhitched the horse from the cutter and led him up the road and tied him to a tree and then went back for the cutter and hauled it himself for about half a mile.

Some men have strange ideas about shovelling snow off their buildings. The other day one of our farmers got up on his driving shed, loosened a big pile of snow and then slid himself down, shovel, snow and all.

We are sorry to say that death visited the home of Mrs. Henry McCaslin and claimed for its victim the little four month old child after a few days' illness from bronchitis. The funeral took place on Thursday to the Durham cemetery and was largely attended by relatives and friends. The services at house and grave were conducted by Rev. Wray R. Smith, of Durham. The family have our sincere sympathy in their hour of sorrow.

Mr. Robert Trafford was a little under the weather for a few days but we are pleased to say that he is able to be around again.

Mr. George Moore, of Moosimin, Manitoba, is visiting friends in and around the Park at present. George speaks well of the West.

Mr. John Brown has sold the farm he lately purchased to John Noble and has bought the farm lately owned by Henry Brown. John is a hustler and don't deal for nothing.

Mr. James Hopkins and Miss L. McDonald, of Moorsburg, were married lately. We wish the young couple congratulations.

Our Council met here on Monday. All the members present with Reeve Dixon in the chair.

Flesherton.

This week's budget.

The Centre Grey Farmers' Institute meeting held here on Thursday last was not as well attended as on former occasions, but no doubt the inclement weather and bad roads accounted for it. The speakers were Major Sheppard, of Kingston, and C. E. Shearer, of Victoria, and we are informed that their addresses were interesting and instructive. At the afternoon meeting the president, R. D. Carruthers, presided. Major Sheppard spoke on "Selection and Purchase of Seeds" and "Care and Improvement of Country Roads." Mr. Shearer discussed "The Cream Separator and Home Butter Making." In the evening M. K. Richardson, M. P., occupied the chair. Mr. Shearer spoke on "The Farm and Home" and Major Sheppard, who was to have spoken on "Transportation as it affects Farmers," on account of the small attendance from outside the village chose for his subject four historical days on Niagara frontier, and in glowing language he related the struggles of Canada against American aggression and drew vivid pictures of the battles of Queenston Heights, Stony Creek, Chrysler's Farm and Lundy's Lane he was frequently interrupted with hearty applause from the highly pleased audience.

Mr. M. K. Richardson, M. P. declining the Nomination of the Conservative Convention at Durham a few days ago was doubtless a surprise to many of his political friends, but from frequent interviews with him your correspondent has known for some time that he dreaded a winter campaign in his present state of health not having recovered from the effects of a severe attack of bronchial pneumonia, which nearly proved fatal to him just prior to the close of last session. The general expectancy of an early election led him to decide not to take the risk to his life which the labor and responsibility of a campaign would involve. Mr. Richardson feels confident that Mr. McKinnon will prove a stronger candidate for his party than he himself would be under the circumstances.

Many in this community sympathize sincerely with Rev. A. and Mrs. Wilson, of Rosemount, in the bereavement which befell them last week by the sudden death from heart failure of their third daughter, Miss Minnie, who was at the time staying with old friends at Caledon. Mr. Wilson's last charge. In the Presbyterian church here on Sunday afternoon last Rev. Mr. Thom made appropriate reference to the sad death and at the close of the service the Session met and upon motion by A. S. VanDusen and Wm. Neil adopted the following resolution of condolence to be forwarded to the bereaved parents:—"The Session of Chalmers church, Flesherton, having learned

of the sore bereavement which has befallen our former highly esteemed pastor, Rev. Andrew Wilson, in the sudden death of his beloved daughter, hereby extend to Mr. and Mrs. Wilson our sincere sympathy in their sad loss and pray that He who alone can give lasting consolation will greatly console and comfort their sorrowing hearts and by His grace enable them to bow in loving submission to His perfect will."

Flesherton Council, No. 814, Canadian Order of Chosen Friends which meets first Wednesday of every month has elected officers for 1904 as follows:—Chief Councillor, Charles Stafford; Vice Councillor, Mrs. D. McTavish; Recorder, W. H. Bunt; Asst. Rec. Mrs. M. Wilson; Treas., Mark Wilson; Prelate, Mrs. W. P. Crossley; Marshall, T. A. Blakley; Warden, Mrs. Herb Smith; Guard, Joseph H. Field; Sentry, Mrs. P. Loucks; Delegate to Grand Council, Herb Smith.

The Baptist Sabbath School held their annual social evening in the church and adjoining parsonage on Friday evening last. Refreshments were served and an enjoyable time was spent by all present.

At the annual meeting of the Presbyterian Sabbath School held recently officers were elected for the current year as follows:—Superintendent, J. A. Felstead; Assistant Superintendent, Charles Stewart; Secretary-Treasurer, Miss Ida Cole; Assistant Secretary, Miss Ida Sullivan; Librarians, Geo. Cairns and Walter Louck; Organist, Miss Ethel Crossley; Assistant, Mrs. John Chard; Teachers, A. S. VanDusen (Bible Class), John Chard, Frank Chard, C. Stewart, Mrs. J. A. Felstead, Mrs. Joh Chard, Mrs. Stella Loucks, Miss Lily Thielwaite.

Miss Charlotte M. Wiggins, organizer for the W. C. T. U., is to be here on the 20th inst. and will deliver addresses in the Methodist church after noon and evening. Miss Wiggins is said to be a good speaker and we trust will be heard by a good turn out from all the churches here.

The annual Epworth League Convention of Owen Sound district is to be held in the Methodist church here on the 26th inst. Rev. Mr. Frank, of Owen Sound, one of the leading preachers in the Toronto Conferences is to deliver the annual sermon which we have no doubt will be a treat for all in attendance. Rev. Mr. Wellwood, chairman of the district, is also expected to deliver an address.

Messrs. A. Wilson, W. Trimble and Dr. Christoe were the successful candidates for Public Trustees in this village.

At the annual public school meeting Geo. Mitchell, who has served several terms, was re-elected trustee. His colleagues, W. J. Bellamy and W. Davis, have also been on the board for a number of years.

Mrs. W. J. Armstrong has returned from an extended visit with her son and daughter at Thornbury.

Rev. L. W. Thom attended meeting of Presbytery at Orangeville on Tuesday.

E. W. Attwood, accountant, Walkerton, has returned to Flesherton to assist R. J. Sproule for a few weeks in his conveyancing office. Mr. Attwood spent part of last winter here and made friends who are pleased to see him in town again.

Donald McLeod, Sr., west back line, is very ill at present.
