Dornoch.

On Wednesday Feb. 10th a very pleasing event took place at St. Joseph's R. C. church Markdale, when Mr. J. M. Sullivan a prosperous young farmer of Dornoch and Miss Nellie third daughter of Mr. and Mrs. Thos. Sullivan of Irish Lake were united in the holy bonds of matrimony.

The bride was tastefully attired in a costume of snow flake cloth with black picture hat and was attended by her sister Mae of the Mail, Toronto, who looked charming in a suit of bisque voile over brown taffeta with hat to match. Handsome Ed. Sullivan brother of the groom with his usual tact performed the onerous duties of best man.

The ceremony was solemnized by Rev. Father Walters D. D., after which the bridal party with their friends repaired to the palatial residence of the brides father. Congratulations and good wishes were in order and after partaking of a sumptuous repast, dancing and social amusements were indulged in, until an early hour when all left for their homes expressing every good wish for their future happiness. The bride was the recipient of many costly and useful gifts from her friends. Mr. and Mrs. Sullivan left the following Wednesday and are now cosily domiciled on their farm at Dornoch.

Miss Lizzie Sullivan returned to Chicago, on Friday last after a pleasant visit of two weeks duration at her home at Dornoch.

Mrs. Jno. Sullivan Sen. had the extreme pleasure of a visit from her daughter, Sister Dympha, who was accompanied by Sister Pateruella. They returned to Hamilton Via Owen Sound on Monday.

Mr. P. J. Sullivan, of Irish Lake visited friends around Dornoch for a couple of days last week, returning home on Friday.

Rocky Saugeen.

Mr. S. Jackson called on the Hewitt family one day last week.

Notwithstanding the severity of the winter and at times the impassable state of the roads our miller, Mr. Ferguson, is doing an extensive business having to work overtime to keep the farmers supplied with chop-stuff.

It is impossible for the royal mail coach to keep up steam this winter. It manages to get here sometimes with some heavy consignments which keeps our obliging p. m. employed till the next arrival having to handle an unusual amount of registered letters this winter. The government surplus ought to be much larger when they get such an office as the Rocky conducted for the insignificant sum of about 7 cents per day.

Mr. H. McKechnie has resigned the position of caretaker of Burns' church R. S., and N. McG., who held the position for about 18 years, has been reappointed at an increased salary.

The Sacrament of the Lords Supper will be dispensed at Burns Church Sunday, March, 7th. Preparatory services Friday and Saturday previous.

Prayer meeting and choir practice every Tuesday evening at 7:30 p. m. Jas. Campbell is now engaged at the Rocky hotel as assistant.

U. Christie and sister, of Moorsburg, visited for a few days at Alex. Morton's.

Pimples Spoiled
Her Beauty.

A Society Belle of Kingston Cured of Pimples and Blisters by Using

Ferrozone.

Miss Evelyn M. Gaetz of Kingston writes: "I had an attack of blood disorder which broke out in horrid looking pimples. They were ugly red disfiguring blotches that ruined the appearance of my face. I tried all sorts of medicine, but the pimples didn't leave. I was recommended Ferrozone and gave it a trial. I noticed an improvement after the second box, and kept up the treatment which finally cleared my skin. As the result of Ferrozone I have a clear healthy complexion and can recommend it to all other young women similarly affected."

Another young lady well known in society circles of Springfield, who derived exceptional benefit from Ferrozone, says: "I feel it my duty to make known the value of Ferrozone. My trouble was poor, weak blood, and as a consequence my lips were pallid, and my cheeks had no color. I wasn't at all strong and required a bracing tonic. Ferrozone soon brought color to my cheeks, improved my appetite and made me stronger than I have been in years. I favor Ferrozone because it is so simple to take and works so quickly."

Just one Ferrozone tablet at meals that's all. Easy to take sure to cure, and not expensive. Better use Ferrozone and be beautiful and strong like others that employ this splendid tonic. Price 50c. per box or six boxes for \$2.50 at all druggists or by mail from The Ferrozone Company, Kingston, Ont. Don't fail to get a supply of Ferrozone to-day.

The Small-Pox Question.

Any intelligent physician will admit that you don't catch small-pox because someone else has it, but because your condition favors it. Low vitality always encourages sickness and at this season especially, everyone should take Ferrozone which destroys disease germs and makes the system so strong and healthy that sickness can't exist. Ferrozone is a vitalizing tonic that makes rich, red blood, builds up the nerves, cures nervousness and drives away tired languid feelings. To get strong and keep strong use Ferrozone; it assures health and costs but 50c. at all druggists.

Record of the Past.

The following from the diary of the late Mr. Stewart will be of interest to our readers, and convince some men "of the cloth" that the preachers of the early days were never made round shouldered by the weight of the salaries they received:—
 January 1st to April 15th 1854.
 Travelled 280 miles, preached 64 times, salary received during the period \$4. 5s (\$17).

Well Again.

The many friends of John Blount will be pleased to learn that he has entirely recovered from his attack of Rheumatism Chamberlain's Pain Balm cured him after the best doctors in the town (Monon, Ind.) had failed to give relief. The prompt relief from pain which this liniment affords is alone worth many times its cost. Sold by H. Parker.—2

MOTHER OF FOUR CHILDREN.

The trustees, secretary, and other officers of the Free Hospital for Consumptives at Muskoka are daily in receipt of many piteous letters.

A few days since Mr. W. J. Gago, of Toronto, Chairman of the Executive Committee of the National Sanitarium Association, received a letter from a resident of Quebec, pleading for the admission of a victim of the dread white plague, living about a hundred miles south-east of Montreal, and asking if it were not possible to admit her into the Free Hospital. The writer says: "The applicant is a Mrs. Wm. Paterson, the mother of four children and the wife of a farmer in a place called Goshen, in the township of Windsor. The doctor says that her left lung only is troubled. She is able to go about, but her appetite is very bad. I believe if she could be admitted into the Free Hospital for Consumptives she might be cured. She could not pay much, if anything. Kindly let me know if you could receive her."

We are told by Mr. Gago that applications for admission to the Free Hospital reach the secretary from all points in the Dominion, and patients have been received from Prince Edward Island on the east to Alberta on the west. Two hundred and twenty-five patients have been admitted in eighteen months, and not a single patient has been refused because of his or her poverty.

We can hardly think of any charity that appeals more pathetically for the support of the Canadian people. Subscriptions may be sent to Sir Wm. E. Meredith, Kt., Vice-President of the National Sanitarium Association, or to Mr. W. J. Gago.
