#### Flesherton.

(This Week's Budget.)

The residence of Mr. James Russell, Collingwood Road, was the scene of a happy event on Wednesday evening of last week, when his eldest daughter, Nellie, and Mr. James Linton, of Eugenia, were united in the holy bonds of matrimony. Rev. W. A. Sinclair, of Eugenia, performed the ceremony in the presence of a goodly number of the immediate relatives and friends of the contracting parties. The bride who was neatly attired in gray cloth skirt with silk blouse, was attended by Miss Cora Williams, of Eugenia, and the groom was supported by the bride's brother, Mr. W. Russell. After the ceremony the wedding supper was served and the evening was enjoyably spent by all. The bride was the recipient of a large number of beautiful and useful presents. Mr. and Mrs. Linton have the best wishes of many friends for a long and happy life.

The unexpected death of another old resident and prominent business man in the person of John H. Heard, who passed away suddenly at his home here on Monday forenoon last was a shock to the residents of this place. Mr. Heard had not been feeling very well of late, but his condition was not alarming and thought of the end being so near was not entertained. Deceased was born at Schap, Cornwall, England, in December 1829 and was therefore 78 years 3 months of age. In 1856 he came to Canada and settled in the township of Darlington, County of Durham, where he resided 4 years. On Good Friday 1860 he came to Flesherton and established the blacksmith and carriage business which he has with the aid of his sons so successfully carried on to the present time. In 1860 he married Miss Catherine White, of Darlington, who with two sons, John A. and William H. of this place, and one daughter Mrs. David Blair of Cannington survives him. Three brothers Thomas and Diggy of Toronto, and William of Kemble, also survive him. In politics Mr. Heard was a staunch Liberal and in religion a Methodist. During the 44 years of his life here he has been a constant member and loyal supporter of the Methodist church. He was a life long temperance advocate and has been a member of the Select Degree of the R. T. of T since the organization of the society here. The funeral takes place on Thursday afternoon. Mrs. Heard and family have many friends to sympathize with them in their sudden bereavement.

In honor of Mr. W. Barnhouse retiring leader of the Methodist church choir Mr. and Mrs. W. W. Trimble and Rev. and Mrs. Wilson entertained the choir and a few other friends on two evenings last week.

Sabbath last being Mr. W. Barnhouse's last Sunday in the Methodist church choir he was drawn on for a special services and gave much appreciated solos both morning and evening. The choir is preparing a programme for a sacred concert in the church on the evening of Good Friday. Miss Annie Richardson, teacher of elocution, will assist.

Mr. and Mrs. Albert Stewart gave a party to a large number of their young friends on Tuesday evening of last week. On Friday evening a number of the young people attended a party given by Mr. and Mrs. A. Gilchrist at their home near Ceylon. Pleasant evenings are reported.

Messrs Boyd Hickling & Co. have opened a dress making parlor upstairs in connection with their business and have secured Miss Annie Howard as forewoman. Miss Howard has been for some time in Toronto and we hear many expressions of pleasure among the ladies at her return to town.

Miss Jean Beattie and Miss Florie Richardson, Milliners, are returning to their former positions with Mrs. T. J. Sheppard. Miss B. Henderson has returned to Boyd Hickling & Co's and Miss Matel Munshaw has there undertaken to master the Milliner's art.

Councillor R. Best attended the A. O. U. W. Grand Lodge at Toronto last week. From all we have heard the action of the Grand Lodge admitting woman to the Order is satisfactory.

Mr. Harvey Wilkinson, of Manitoba was a visitor at Mr. Thos. Grainger's last week. Mr. Grainger spent part of the week with old friends at Cremona.

Mr. Andrew Bentham has returned from an extended visit with friends in Darlington.

Mrs. John Mills, of Montreal, is visiting her parents, Mr. and Mrs. J. Sullivan.

Mr. Frank Barnhouse, of Toronto, is spending this week with his parents here.

#### Man's Most Critical Age.

Very often the vital resources are small at forty-two, but if not then, between fifty seven and sixty-two years of age there is a strange slowing down and a loss of vitality. It is important that this transient period of decay should be checked; strength must be imparted to the tired brain, the weakened nerves must be fortified. The wise man will use Ferrozone whose potency is particularly applicable to these critical periods. Ferrozone quickens the whole being imparts vigor and power, pushes back the onset of senility in a very manifest way. It's because Ferrozone gives strength, vitality and vigor that it is useful to old men. Try it. Price 50c.

#### The Late Ezekiel Aldred.

Of the late Ezekiel Aldred who died on the 24th of February we have secured a few notes from which we shall endeavor to give a brief obituary. Our personal acquaintance with the deceased gentleman was very limited, but from those who knew him well we have learned of his excellent character and good sterling qualities.

On the tenth of October, 1819, he first saw the light in Covehehe, Suffolkshire, England. From the time he was able to be useful he was engaged at farming till he left his native land in 1835, and came to Canada. He then learned the trade of tanning, but apparently spent only a short time in that business, as he soon came to this county and settled in the township of Bentinck where he resided ever since with the exception of four or five years he spent in British Columbia in the mining business.

He was married September 15th, 1844 to Jane Sirrs who predeceased him six years ago, about four years after the celebration of their Golden Wedding, a report of which appeared in this paper at the time. The union resulted in a family of ten children, two sons and 8 daughters, eight of whom are still living. The survivors are his daughter, Mrs. Stewart Fleming, and son William, of Summerberry, N. W. T.; Mrs. John Mitchell, of Grenfell, Assa.; Mrs. Alex. Constable, of Barrie; Mrs. Alex. Van Alstine, of Montana; Jchn. on the old homestead; Mrs. Henry Burnet, of Durham; and Mrs. J. W. Blyth, of Varney, with whom the subject of this sketch remained since the death of his wife six years ago.

The deceased had four brothers and three sisters, the survivors being Wm. Aldred, of Windsor, for many years captain of the Great Western Ferry Boat over the Detroit river; Samuel Aldred, of Pueblo, Colorado, commonly known in that city as "Uncle Sam"; John Aldred, of Molega, Queens County, Nova Scotia; Mrs. Mary Watson, of Toronto, widow of the late Wm. Y. Watson, of Dixie, and Mrs. Frances H. Ribay, of North Bruce, Ontario.

For forty years the deceased gentleman was a devoted member of the Methodist church having first connected himself with that body in this town. He subsequently united with what was formerly known as "Grasby" church now Varney, to which he was one of the largest contributors, having given a free deed of the land.

For forty-five years he has been a member of the Orange Order, joining first with the Durham Lodge where he took his degree up to the Scarlet. Afterwards he became a member of Varney Lodge, and for many years past has been an honorary member of the Order there, and buried under the auspices of the Society at his own request.

In his death the township of Bentinck loses a kind hearted pioneer who was never known to turn a poor person away hungry nor to refuse him a night's lodging.

#### Catarrh is Certainly Curable

In fact it is one of the most curable diseases if fragrant healing Catarrh-zone is used. No matter how long you have suffered with catarrh you can be perfectly cured by inhaling the antiseptic vapor of Catarrh-zone, which strikes at the foundation of the trouble and establishes such a healthy condition in the system that catarrhal germs simply can't exist. "I suffered from Catarrh of the nose and throat for years," writes S. H. Downie of Plattsville. "My nostrils were always stuffed up and I had a most disagreeable hacking cough. Catarrh-zone cured me completely." Catarrh-zone never fails. Two months treatment \$1.00; trial size 25c.
