You know the medicine that makes pure, rich blood—Ayer's Sarsaparilla. Your mother, grandmother, all your folks, used it. They trusted

it. Their doctors trusted it. Your doctor trusts it. Then trust it yourself. There is health and strength in it.

"I suffered terribly from indigestion and thin blood. I found no relief until I took Ayer's Sarsaparilla. Your bottles permanently cured me."

Ayer's Pills are gently laxative. They greatly aid the Sarsaparilla.

Henry's Corners.

The snow is rapidly disappearing and we expect soon that seeding will be the order of the day.

William Hunter changed the subject the other day by finishing his fall threshing.

W. Lawrence and I. Hooper had very successful wood bees recently. The fair sex joined them in the evening and tripped the light fantastic till the wee sma' hours.

Et Limin, one of Durham's prominent butchers who is in the shipping business, was through our burg the other day and purchased a number of fat cattle. He bought four from Mr. Hunter that were a credit to any farmer.

A few from our burg attended the box social on the 2nd and report a good time.

J. M. Matthews, of Proton, is at present helping his brother, Robert, to cut wood.

Miss Agnes Henry intends leaving for the North West in the near future.

Mr. and Mrs. Thomas Daley, Jr., are expected home from Michigan shortly.

A number around the Corners are going to take music lessons from Miss M. Hooper as soon as the roads will allow her to make the rounds.

The cement train has once more made her appearance at the lake and we expect in the near future everything will be running at full blast again.

A nice quiet little time was held at Andrew Picken's the other night.

We are sorry to report this week that W. E. Matthews, once of this place, but now of Toronto, is at present in the hospital there undergoing an operation for appendicitis. We hope to hear of his speedy recovery.

We have not seen nor heard tell of either of the candidates being around but by and by we expect to see them coming along with out-stretched hand looking for votes.

Glenelg Centre.

Well, Mr. Editor, although our roads are impassable chances are that we will get spring in the near future as the snow is fast disappearing and streams of water running on all sides not saying a word about the Saugeen west of us with roads flooded in many places. However, not much damage is done that we are aware of except the carrying away of fences.

There has been no meeting in the church here for some time on account of bad roads and the severeness of the winter, but the pastor, Mr. Newton, is likely to be along any Sunday from this out and it will seem more like old times to meet again at the Centre.

Mr. John Beaton, better known as preacher Jack, from Berkeley, has been visiting friends here and in Durham since Easter.

Miss Bella Binnie, of Durham, spent Easter week at the old home-stead.

Mr. Malcolm McMillen had a successful wood bee on Saturday last.

Willie Edwards, of Owen Sound, spent the past fortnight with his uncle and other friends in the burg. Jesse Edwards, who had the misfortune to break his wrist and arm while sleighriding some time ago, is improving nicely under the Dr's care.

John Grady had the misfortune to have one of his horses badly cut with a chunk of ice while turning out to give road on his way to town a fortnight ago. Mr. Grady had poor luck of late as he had his other horses badly snagged some time ago.

Mr. Pinnock lost a horse recently and purchased one at Captain McLauchlan's sale.

The poet is still cracking jokes. Arch. Beaton and McLellan are the champion wood cutters. They cut three cords every afternoon, while Pinnock and Grady only cut five. Wm. and Henry's pile is bigger as they cut all day.

Neil McGillivray had a large wood bee on Friday. The boys from this end like to go whether there be a bee or not.

Willie Beaton attended Lawrence's wood bee at Spring Bark last week. Willie Davis, we learn, has rented the Allen property. Get a helpmate, Bill.

Allan McMillen is engaged with George Binnie for a term of eight months at a good jingle.

Mrs. John McGillivray is still keeping poorly.

Andy Ford, who has been working in the burg for some time, intends returning to Cementville this week.

Pat and the children are well and join in wishing you an early spring, and hope that Archie will be successful in selling the sweet peas.

Vickers.

Charlie Lawrence of Mount Forest, spent Easter at his home here.

Ruby Mills of Durham, and Bert Coff of Aberdeen, spent the Easter holiday with the Hunt family.

May Leggette of London, spent a few days with Mr. and Mrs. Wm. Leggette.

Miss Barbara Gilchrist spent her holidays with Miss Allie Grant, of Durham.

Arthur Hunt, who has been seriously ill with pneumonia, is able to be around again.

Thos. Counts intends leaving for the West this week and will be accompanied as far as Toronto by his sister Jessie.

Geo. Leggette is home for a few weeks from Georgetown.

Joe Edmonds has gone West to seek his fortune.

Hirman Johnston has been visiting in Port Huron.

It is with the deepest regret that we have to chronicle the loss of one of our young men this week in the person James Mighton. The deceased was a bright young man of 22 years of age and highly respected by all who knew him. His sudden death was caused by tuberculosis of the lungs. He leaves a young wife to mourn his loss as he was only three months married. The funeral services were conducted at house and grave by the Rev. J. P. Bell. A large number of teams followed the remains to the Saugeen Cemetery for interment. The afflicted ones have the sympathy of the community in their bereavement.

Address and Presentation

On Tuesday evening, March 1st, quite a large gathering consisting of the members and adherents of Knox Church, Normanby, assembled at the residence of Mr. T. Gadd to spend a social evening. After some time being spent in pleasant conversation the real object became apparent when a handsome chair was presented to Mr. Gadd and a beautiful silver tray set and biscuit bowl to Miss Gadd. Mr. Gadd was duly installed in the chair by Mr. R. Barbour while Mr. James Watson on behalf of managers and congregation expressed the deep sense of appreciation they felt for his services as treasurer for a number of years, the willingness and cheerfulness with which he discharged the duties of the office and hoped he would long be spared to enjoy the chair. That he was in no wise to consider it as a remuneration for his services, but as a small tribute of their esteem. At this point Mr. Geo. Marshall stepped forward and read the following address to Miss Gadd who has acted as C. E. S. organizer for a number of years, while Mr. A. McDonald made the presentation.

DEAR MISS GADD,—It becomes my pleasant task on behalf of the friends of Knox Christian Endeavor Society assembled here to-night to remind you that the services you have rendered as organizer of our Society for several years past, has by no means been void of our appreciation and gratitude.

The cheerful discharge of your duty and your faithful and constant attendance at our meetings could not fail to meet with appreciation and we wish you to accept this gift not because of its intrinsic value but as a token of our esteem.

Signed on behalf of the Society.

ARCH. McDONALD,
GEO. MARSHALL,
MISS L. BYERS,
MISS GRACE WALLACE,
MISS McCracken.

Both Mr. and Miss Gadd although taken completely by surprise made feeling and appropriate replies. The remainder of the evening after refreshments were partaken of was spent in a very enjoyable manner by old and young till a late hour when all went home well pleased.
