GATHERED DURING THE PAST WEEK FOR CHRONICLE READERS.

CHORAL Society Concert this Thurs-Library.

CHURCH Union is in the air. The subject was discussed in the Presbyterian Church on Sunday morning once.

THE law is changed, we understand with regard to trout fishing, and it now unlawful for any person to take more than twenty fish in any one day,

additional hands.

Dr. Brown, of Newstadt, Speciaist in Diseases of Eye, Ear, Nose, and throat will be at the Knapp Houseon Saturday the 14th from 12 to 6 p. n.

with Mr. A. Catton will render a Song Service in the Zion Methodist Chuch on Sunday afternoon.

THERE will be a song service in he Methodist Church Sunday morning. Come and enjoy yourself in prayer ad praise. The Rev. J. P. Bell will prech in the evening.

THE Rev. Wray R. Smith will gve of the St. Thomas interdenominational Church" on Tuesday evening next.

Aldermen paid a visit to the Shakspearian Dramatic Cluband were shown that usually accompany the job. the special scenery which is being repared for their performance of "Hmlet" billed to take place May 12 nd The civic fathers expressed he most profuse terms of the excellenc of the work being done to beautify he stage of the opera house.

WE had our issue nearly off ast week before we learned of the sucess of Inspector Campbell who passed ith honors his first examination in the Arts course in Queens University, which he determined on pursuing sme time last winter. Few men car to get down to hard study and plug aray at it alone, but we know enoug of Mr. Campbell's dogged determinaon to feel that he will go right thresh the work, and in a short time hae a B. A. to tack to the end of his nine. We congratulate him on the result so far and wish him success in his flure efforts.

THERE'S a big treat in store for lose who attend the meeting in the Prbyterian church next Monday eveng. The ladies of the church have regested Dr. Macdonald to give an adress the late war. Part of this subjectwas given here some time ago, an the plain, earnest way in which itwas given was the strong feature inconnection with the adventures h described. The Dr. doesn't claims be an orator, but he has a way of hiswn of presenting his ideas which nore than compensates for any lak some time ago to a Toronto auence and was well received. The acress will be illustrated by limelight ews from protographs taken by himse.

OUR MILLINERY has long had a reputation for correct exclusiveness unapproached by any store making pretences to non-extravagance. You may pay up to \$15.00 for a hat here, but you're paying for art and not for fancifulness when you buy an expensive hat at this store. We can give you beautiful Paris-modelled hats, the work of our own clever milliners, at \$5.00 to \$10.00. We can give you pretty, tastefully trimmed hats for \$2.50, and at every price you find good taste, beauty, harmony.
