The Little Grave

"It's only a little grave," they said, "Only a child's that's dead;" And so they carelessly turned away From the mound the spade had made that day. Ah! they did not know how deep a shade That little grave in our home had made.

I know that the coffin was narrow and small, One yard would have served for an ample pall; And one man in his arms would have borne away The rosewood and its freight of clay. But I know that darling hopes were hid Beneath that little coffin-lid.

I know that a mother stood that day With folded hands by that form of clay; I know that burning tears were hid 'Neath the drooping lash and aching lid;"

And I know her lip and cheek and brow Were almost as white as her baby's now.

I know that some things were hid away. The crimson frock, and wrappings gay; The little sock and the half-worn shoe The cap with its plumes and tassels blue; And an empty crib, with its covers spread, As white as the face of the sinless dead.

'Tis a little grave; but oh, have care! For world-wide hopes are buried there; And ye, perhaps, in coming years, May seek, like her, through blinding tears, How much of light, how much of joy Is buried with an only boy.

GREATLY ALARMED.

By a Persistent Cough, but Permanently Cured by Chamberlain's Cough Remedy.

Mr. H. P. Burbage, a student at law, in Greenville, S. C., had been troubled four or five years with a continuous cough which he says "greatly alarmed me, causing me to fear that I was in the first stage of consumption." Mr. Burbage, having seen Chamberlain's cough remedy advertised, concluded to try it. Now read what he says of it: "I soon felt a remarkable change and after using two bottles of the twenty-five cent size, was permanently cured." Sold by H. Parber. Warranted every bottle. —2

8 Cents

Eight cents a pound is what a young woman paid for twelve pounds of flesh.

She was thin and weak and paid one dollar for a bottle of Scott's Emulsion, and by taking regular doses had gained twelve pounds in weight before the bottle was finished.

Eight cents a pound is cheap for such valuable material. Some pay more, some less, some get nothing for their money. You get your money's worth when you buy Scott's Emulsion.

We will send you a little free.
