THE WESTINGHOUSE AIR BRAKE COMPANY
Pittsburg, Pa.

To WHOM IT MAY CONCERN:—I enrolled as a student of the International Correspondence Schools, on the 12th of May, 1900 in the Mechanical Drawing Course. Since that time I have given my hours to study, in Drawing and Mechanical Design. On the 8th Oct. 1901, I secured a position as draughtsman, with the Westinghouse Air Brake Co., at Eilmerdaiz, Pa., a firm employing 30,000 men. I find the course practical in every way, the drawing being strictly up to date draughting-room practice. I would cheerfully recommend a study in Scranton Schools, to every ambitious young man.

Formerly of St. Thomas, Ont.

Note.—Mr. Fero is now receiving \$110 a month, as draughtsman.

While in town the other day Mr. Hunter's horses took fright at the gasoline engine in the Chronicle office causing them to run away, breaking the tongue out of the waggon, but luckily nothing serious happened. S. Paterson purchased a fine three-year-old colt from T. Weir of 16 cor. Egremour, for the handsome sum of \$150.

We are glad to report this week that W. E. Matthews who underwent an operation for appendicitis some little time ago in Toronto General Hospital, is able to be around again and is expected home on Tuesday of this week.

Miss M. B. Reid, of Harpworth, who has been staying for some time with her aunt, Miss E. Henry, returned home on Tuesday.

As the trustees of S. S. No. 12 were unable to secure the lady teacher they intended, they engaged Charles Drummie, of the 16th con.

J. Moore purchased a Magnet cream separator from D Campbell of Durham.

Will Henry received the sad news of the death of his niece, Miss A. Jamieson. We extend Mr. and Mrs. Jamieson and friends our sympathy.

Miss Bella Allan visited friends round the Corners last week.

We hear it whispered round that wedding bells are about to ring, but mum is the word yet.
