The latest book on baseball is issued by Richard K. Fox, and it is written and compiled by no less an authority on the great national game than John J. McGaw, Captain and Manager of the New York Team, National League. He has written chapters and provided illustrations on how to throw a curved ball, the art of catching, how to become a good batter, and has covered every other detail of the game. It is the only book of the kind published. The book has a handsome cover, and it is No. 3 of Fox's Library. It will be sent to any address upon receipt of seven two cent postage stamps. It also contains the official rules and a schedule of the games of both leagues for the present

There was a drenching rain at the time.

> The "measuring" entertainment given in the Baptist Chapel on Tuesday evening, under the auspices of the B. Y. P. U., was a most pleasing event. A goodly number were in attendance to listen to the short, bright program which was prepared for the occasion consisting of solos, duets, choruses and recitations. During the evening ice cream and cake were served. Everybody was measured and paid according to their height which netted the treasury ten dollars. Mr. Allan Bell was chairman and everything went off with a ring.

THE Shakesperian Olub went to Walkerton Friday night last and gave a presentation of Hamlet to a small audience.
