Last week was spud planting week.

Alex. McGillivray Sr of Bruce renewed old acquaintances here last week. He was accompanied back by John Clark Sr. who will visit his daughter Mrs D. McGillivray and his many other friends in Bruce.

Euphemia McCormack spent a few days with Glenroden cousins last week.

Dan Skene is leaving for the West where he intends hewing out his fortune Success Dan.

Quite a number from this burg attended the prayer-meeting at the Rocky last week. There must be quite an attraction up this way for the Aberdeen boys, when they come round this way for a short out home.

A few from this line were out last Thursday to Mr D. C. McKechnie's barn raising. The day proved rather wet for them, so they were in attend since again on Saturday, and succeeded in completing the raising. It has not been the best spring for builders.

A great many people complain, because they see their names in print from their burg and yet they are the first ones to look up the paper to see if there is anything in from—? It may not be of any interest to you; but there are people, who take the Chronicle that are living hundreds of miles from here. To them it may be an interest since a great many of them have left these parts. It may not be a literary treat; but it is weekly news from home, just the same.

At time of writing Dan Shun is visiting his sisters, and other friends at Holland Centre previous to his departure for the West.

Christena McLean is home from Stratford and is progressing rapidly towards recovery. Her many friends are pleased to see her looking and feeling so well. The fresh air and careful nursing will soon bring the roses back to her cheeks.

Vickers.

Mr. and Mrs. W. A. Livingston, spent Sunday with the latter's sister Mrs Cross, of Louise.

Mr. and Mrs. W. Mills and children spent a few days with the Hunt family.

Last week Mr. Thos. Reay had a gang of men jacking up his barn, after raising it about four feet it fell to the ground and was so badly damaged that it will be necessary to take it apart and rebuild it.

The masons have commenced the foundation for D. Donnelly's new brick dwelling.

That Lacrosse Match

The first Championship Lacrosse Match of the season was played on the Lacross Grounds here between Aberdeens of Markdale and the Home team.

Mrs. (Dr.) Jamieson opened the game by placing the ball between the sticks and the game started.

The first quarter was good Lacrosse, and both teams showed up well. Although the Durham home had many chances to score only one goal was landed.

The second quarter was started when, in a mix-up, one of the Markdale players threw down his stick and took to the fists. This aroused other members of the visiting team who took a hand in the fracas. Then came the Donnybrook, the crowd rushed in pandemonium ruled, riot ran rampant and the scene was a disgrace in any civilized community.

The intruders had no right on the field and the Management of the Durham Lacrosse Club are very indignant and request those who must fight to go elsewhere to give vent to their pugnacious spirits.

The Markdale boys give our players a good name, but are rather sore with the parties who interfered Geo. L. Allen 2nd. Vice Pres. C. L. A. gave excellent satisfaction as referee and will report the game as unfinished. Although Durham was ahead when the scene occurred.

NOTES.

Did you ever see a Donnybrook fight?

The trouble could have been settled by the referee and the contesting parties without any bloodshed and how much better it would have been.

If Markdale spectators treated our boys the way their boys were treated here we'd be apt to mention it.

It's too bad if true sport is allowed to degenerate through lack of determination of the better class of citizens to put down rowdism.

From the general disgust expressed by respectable citizens we don't think the conduct of Tuesday will be tolerated in the future.

Sport is sport, and most people would prefer to see a good game for their money rather than witness a Donnybrook fight.
