Ladies' Shirt Waists.

Correct Dress is easy to recognize, yet many women just miss it.

TOO OFTEN an ill-fitting shirt waist is the fault. A shirt waist that doesn't fit well, and is without style, will mar an otherwise perfect attire. We claim to have in stock a line of shirt waists that is sure to please the most fastidious. They are made from best materials and are right up-to-date in cut and style. See these waists and have your pick before the line is broken into too badly. They are quick sellers and are just the thing for the warm days that are sure to come.

Waist Prices: 90c, \$1.00, \$1.25, \$1.50, \$1.75, \$2.00, \$2.50.

Gentlemen's Footwear.

in Your Stocking Feet.

We sell the "IMPERIAL" and "KEITH" makes. Have you tried them? Perfect in fit and always stylish they make life's walk easy as they are comfortable to the feet and easy on the pocket-book. We have a full line to select from—all shapes and sizes. Men of good understanding know a good thing when they see it, and as a consequence our PATENT leather shoes have had many purchasers. They certainly are the peer of all dress shoes and are favorites now. Come in and we will gladly boot you if you so desire.

Spring Bank.

We omitted mentioning that Geo. Myers sold a horse for the snug sum of \$160.

Whitmore Bros. will commence building a stone foundation under their barn this week under the supervision of their uncle Nat.

The beautiful rains and warm sunshine are having telling effect on the grass and grain crops. Everything is growing as fast as it can grow. Yes, but what a desperate effect the damp atmosphere is having upon those dead carcasses that were carried out onto Klondike hill a month or more ago and there left to rot and send an unappreciated perfume far and wide in the open air. Surely they could have been deposited in one of our lower valleys and Klondike hill or some other hill pulled over them to keep down the disagreeable odor.

Mrs. J. Sproule, of Glascott, is visiting her parents, Mr. and Mrs. John Whitmore.

Miss Mary A. Brown visited her sister at Glenmont the fore part of the week.

Mr. T. Arnett, of Glenelg Centre, visited her brother Wes on Sunday.

Be't Whitmore who has been employed near Rocky Saugeen is at present assisting his brother Fred at home.

Miss Kate Whitmore, of town, spent Sunday at home.

We have no fish yarns to tell you Mr. Editor, except that of a man who on Sunday is not content unless he can shoulder his fishing rod and be off angling. Perhaps he is not aware that he is living in a civilized part of the country.

Mull Corners.

James Clark, of Bruce was up a few days last week visiting friends and assisting his father make a few improvements on the old homestead.

Robert Twamley is making considerable improvement on the Dalglish property in the way of fencing.

Several in this place have added protection to their buildings in the way of lightning rods.

This wet Spring shows admirably the folly of flat roads. They hold the water fine, and create mud.

John Quinn, of Durham, Sundayed with his brother of this place.

Several in these parts are having rather hard luck with horses. Jas. McDonald lost a valuable mare and colt. Dr. Wolfe was out and did all he could to save the animal but blood poison set in and soon did its work. It is a big loss to Mr. McDonald as he was offered a good sum for the mare this Spring, but refused it, on account of her being a valuable brood mare.

Alvie Caswell has treated himself to a new Cleveland wheel, and will no doubt enjoy his leisure time by "wheeling."

We miss the mill whistle now, as Mr. Quinn and men are taking a holiday.

Alex. McCormack is somewhat indisposed at present, but we hope to see him around again in his usual vigor.

Henry's Corners.

Mr. and Mrs. James Mathers and family of Bentinck, visited the latter's parents, Mr. and Mrs. William Hunter, part of last week.

Alex. McLean, of Brownsville, was jacking up P. Reid's barn Thursday and Friday of last week and Jim Boakes is going to put the foundation under it.

Mr. and Mrs. Will Clark of Varney, visited the latter's parents, Mr. and Mrs. Robert Henry, recently.

Frank Adams, of Dromore, visited P. Reid's one night recently.

Mr. Peter Wilder, of Michigan, is over visiting his daughters Mesdames Moore, Daley, Calvert and other friends.

Robert Hastie, of Traverston, passed through our burg last week.

Will Henry purchased a bran new buggy from Archie McArthur the other day.

Miss Jane Matthews came home from Toronto last week for a visit. She has been somewhat under the

weather but we hope to hear of her being well soon.

Robert Matthews purchased a fine team of colts from Councillor Ferguson for a handsome sum of money.

Mr. Jamieson, of Essa township, visited at William Henry's the latter part of last week.

The trustees of S. S. No. 12 let the contract of building a wire fence to W. McMeeken which greatly improves the appearance and is a credit to the builder.

Mr. Robert Matthews sold a horse to William Lee for \$115.

Messrs. Samuel Paterson and Thos. Brown go to Owen Sound next week on the jury.

If it's a bilious attack, take Chamberlain's Stomach and Liver Tablets and a quick recovery is certain. For sale by H. Parker.

Traverston.

Is our last week's budget in Dr. Wolfe's pocket yet?

Mrs. Hudson of Bentinck, is out on a visit to her daughter, Mrs. J. J. Peart, "Jack" has very much improved the appearance of his farm by a neat wire fence in front.

Mary Delaney has spent a very pleasant fortnight at the old home here, but returns to duty at Hamilton on Wednesday. We were in error some weeks ago when we reported her as going to Montana. It was her sister Margaret, who went West.

Mr. and Mrs. Thos. Cook arrived back from Rose Lawn, Indiana, last week. They took in the World's Fair at St. Louis before coming home. They report the crops around here as good as any they've seen and a great deal better than most districts. Grey County compares most favorably with any lands they have been in.

The Davis home is getting to be like its old self. Jessie came home from Toronto last Thursday, and Dick wheeled up from Alliston on Saturday to remain for some time.

Mr. Thos. Wilcox of near Ceylon, was the guest of Mr. Will Jack on Sunday.

Mr. Wm. Anderson had his frame barn turned around last week and raised and is ready for a high stone wall to be put under it. Bob and White are hustling fellows.

Zion's picnic is to be on July 7th this year. More anon.

We were surprised one night last week to see Mr. Thos. Blair ki-yi-ing about a big bonfire. On enquiring about the unusual occurrence, we learned that a bonnie baby girl had arrived at his home on Tuesday night. 'Tis their first and all's well. Congratulations.

Mr. Geo. Anderson of the 6th is very low, at present from cancer in the lower parts of his mouth. His sister, Mrs. Mantell of Tilsonburg and his brother Jim of Fort William have arrived at the old home.

Mr. John McGillivray had a very neat slab erected over his little daughter's grave in Zion's Acre this week.

Mr. John Fallice sr. leaves this week for King township to reside with his daughters, whose farms lie side by side. He is one of our oldest settlers, and has ever been a thrifty, tidy, and progressive farmer, as well as being for many years one of the most widely-known masons. Honest and bluff, obliging and cheery, he has ever proved a good neighbor and the community wish that his declining years may continue healthy and happy.

The Worst Kind.

After Piles have existed for a long time and passed through different stages, the suffering is intense—pain aching, throbbing, tumors form, filled bursting with black blood.

Symptoms indicating other troubles may appear to a thoroughly Pile sick person.

This is when Hem-Roid the only internal, the only absolute Pile cure brings the results that has made its fame.

It will cure the most stubborn case in existence and a bonded guarantee to that effect goes with each package.

It is to be had at Darling's drug store.
