"You Certainly Have The Crowds."——

> This was a remark made by a young lady Saturday night on entering our store. The only reason we can see for our ever increasing list of shoppers is that we have the goods the people want-and at the lowest prices too. We're not offering Saturday Bargains as bait to "catch" for that particular day, but we are giving genuine bargains every day in the week-hence the crowds. "Meet me at The People's Store Saturday night" is a common expression now-a-days. Follow the crowds to our store and you'll be a millionaire some day.

You can depend on Ayer's Hair Vigor to restore color to your gray hair, every time. Follow directions and it never fails to do this work. It stops

falling of the hair, also. There's great satisfaction in knowing you are not going to be disappointed. Isn't that so?

"My hair faded until it was about white. It took just one bottle of Ayer's Hair Vigor to restore it to its former dark, rich color. Your Hair Vigor certainly does what you claim for it."—A. M. BOGGAN, Rockingham, N. C.
