OUR LACROSSE VICTORIES

Durham Defeats the Rocks of Elora in an Exhibition Game by 8 to 6.

DUNDALK ALSO FALL VICTIMS

The "Thistles" Found the Net for 1 While our Boys Pierced it for 9.

ELORA VS. DURHAM. Since our last issue lovers of lacrosse had the extreme pleasure of witnessing the best contested match played here this season between the "Rocks" of Elora and the home team on the Agricultural Grounds on Thursday, July 21st. The visitors arrived in town on the afternoon train and were quite an attraction, as they hold the Junior Championship of Canada. They are a gentlemanly lot of fellows and are a credit to the town they represent—either on or off the lacrosse field. One could hardly tell where the Champion's were especially weak unless it was a case of heart trouble caused from the applause of the young ladies on the brow of the hill who appreciate a good snappy game.

The ball was placed at 4.30 and the struggle for supremacy began. The "Rocks" rushed the ball up on the Durham citadel and commenced some prett. short passing but were soon blocked by our stalwart defence—for Theobald and Matheson were there—assisted by their lieutenants and the rubber went up and down the field looking for trouble until Will Lavelle placed it in the net and goal number one was recorded for Durham. The ball was again fared and Durham plunked another one in after a few minutes' play. Before the quarter was up Elora found the net and the score stood Durham 2, Elora 1.

The second and third quarters were interesting throughout as good plays were made on both sides, the "home" of each team working the combination effectively. Durham scored 4 goals while Elora was quite cheerful with 3 to their credit.

The last quarter found the visitors playing accurate lacrosse and eager to find the net. The boys in blue and white were also playing the game with their old-time vim and added 2 more to the roll, the "Rocks" doing likewise.

Following are the names of players: Elora—Powers, Brew, Powers, Muir, Bryans, Bird, Chapman, Wells, Wells, Doonan, Jefferies, Vallery.

Durham—Lavelle, Matheson, Theobald, McDonald, Hunter, Moore, Graham, McCaffrey, Glass, Lavelle, McDonald, Crawford.

DUNDALK VS. DURHAM.

It's a number of years since Dundalk sent a lacrosse team here, but when they take a notion to come they always make it interesting. When Billy Fairgrave captained the Dundalk bunch he brought them over here for an exhibition game and, strange to say, they went home victorious, defeating our boys by two goals to one. But those are days of the past. In the game last Thursday the visitors had to face a fast aggregation and as expected came out second best, but they have no reason to be ashamed of their performances as the game throughout was keenly contested although the score looks big at one end. Dundalk had some fast men on their line-up who know all the fine points of the game. Perhaps their weakest point was on the home. However, they were unable to penetrate through our stonewall defence.

In the first quarter Durham secured the first goal, followed shortly by Dundalk bulging the net. This ended the visitors scoring but it didn't keep them from raining shots on Charlie Lavelle who picked them off so modestly that one lady was heard to remark that he hugged the ball as if each shot was a kiss done up in tissue paper.

Durham found the net three times in the second quarter.

In the third quarter the play was more evenly divided, the "Thistles" only allowing Durham to tally one more to their credit.

The last quarter found the home team having target practice. They made it four bulls-eyes thus making the score Durham 9, Dundalk 1.

J. A. Lambert, of Mount Forest, was the referee and gave no favors.

NOTES. We're climbing. Now for Dundalk next Tuesday.

Markdale is scheduled to played in Owen Sound on Aug. 12.

Owen Sound managed to wiggle out a victory in Markdale last week. The score was 2 to 1. It is rumored that when Markdale tied the score in the second quarter the Owen Sounders wore faces as long as a lacrosse stick. However, Markdale allowed them to score while they were trying to pacify the 200 excursionists that came down to root.

The Mount Forest Representative of last week said that when Elora Rocks lined up in their match there they looked as if they had been rolling on the stone roads of the lacrosse park in Durham. Perhaps that accounts for Elora's defeat by the Lornes. The score was 9 to 6.

Edge Hill.

Miss Jane Harper of Arthur is visiting the Edge families this week.

Mr. Henry Brigham of Allan Park, was a caller in this neighborhood last week.

The hay-loader purchased by Mr. Thomas Greenwood gave good satisfaction, and several of the neighbors are speaking of investing in one next year.

Mrs. W. H. Moffat, of Greenock, spent a week with friends and relatives in this vicinity.

Mrs. Burrell of Walkerton visited her aunt Mrs. S. Edge recently.

There is a lot of work in gathering 500 lbs of honey. Wm. Ritchie has taken that amount from his bees this season.

Miss Alice Moffat and Miss Thompson of Toronto, and Mrs. H. R. Moffat of Owen Sound are guests of the Moffat family.

Mr. Dan Greenwood has had a windmill erected. It is an 8 ft. wheel on a 40 ft. tower and is used only for pumping purposes.

Mr. and Mrs. Geo. Firth drove over from Melancthon and spent a few days with their many friends in this part.

A rather exciting experience befell Mr. John Moffat one evening recently. While going to the field for a load of hay the horses took fright and began to run away. Charlie jumped out to catch them by the head, but this only frightened them more, and they ran back the lane at a terrific rate. On reaching the turn in the lane going down the hill they got off the track and both horses and wagon were turned upside down over a bank.

Mr. Moffat crawled out from under the rack, little injured save from a severe shaking up, while the horses were so entangled in the harness that they were unable to move. The rack was broken but the horses and wagon were, little the worse. Mr. Moffat is to be congratulated on his escape from what might have been a serious accident.

The Edge Hill U. S. S. held their picnic in Edge's bush on Thursday of last week. The morning was wet and cloudy looking, but it cleared up at noon and was an ideal picnic day.

The time was pleasantly spent in swinging, baseball and other games until tea time when all gathered together and partook of the dainties provided in abundance by the ladies. After tea the games were resumed, and continued until late in the evening, when all went home, well satisfied with the afternoon's enjoyment.

At the recent Entrance Examinations Miss Mary Edge, daughter of Mr. Dan Edge was successful in winning the bronze medal offered for the pupil taking highest marks in Durham. This speaks volumes for the painstaking efforts of our teacher Mr. J. W. Firth and the natural aptitude for learning of the pupil who is only 12 years of age. We extend hearty congratulations to both.

Traverston.

Mrs. Thos. Flynn and baby Isatel returned to their home in Toronto, on Tuesday.

"You Certainly Have The Crowds."

This was a remark made by a young lady Saturday night on entering our store. The only reason we can see for our ever increasing list of shoppers is that we have the goods the people want—and at the lowest prices too. We're not offering Saturday Bargains as bait to "catch" for that particular day, but we are giving genuine bargains every day in the week—hence the crowds. "Meet me at The People's Store Saturday night" is a common expression now—a-days. Follow the crowds to our store and you'll be a millionaire some day.
