DURHAM. — — ONTARIO.

## LACROSSE IN HANOVER.

The Wellingtons of Owen Sound Won From the Durhams of Durham.

### THE SCORE WAS 3 TO 2.

An Immense Crowd Witnessed the Game and Saw Good Lacrosse.

Friday last there was a flutter of excitement in lacrosse circles here, as this was the day set aside to play off the tie in District No. 3, Junior series, between Owen Sound and Durham. Hanover was chosen as the scene of the conflict, and a right royal battle was the result. Preparations were being made all forenoon in the town getting outfits ready to convey "lovers of the national game across to the German town, which has on similar occasions before, been the battle ground where disputes of supremacy have been fought out. Durham sent a large crowd over to cheer their boys to victory—in fact one would think at times that all Durham was there—as they seemed to be everywhere. Owen Sound also sent a large contingent of rooters down by train. Both teams felt confident of entering the semi-finals, and as expected the spectators were treated to a game that had a good bit of lacrosse in it.

Referee F. C. Waghorne, of Toronto, blew his whistle at four o'clock before an eager crowd of about fifteen hundred people. The teams were very evenly matched with the exception that Durham had more younger players than their opponents. However the ball was faced off and the fight was on. Owen Sound secured the rubber in the start and rushed it down on the Durham citadel, but was only to be returned. The ball paced up and down for several minutes with neither side scoring. At times it was very dangerous near the Durham net, but our defence—the best in the district—was equal to the occasion and up to the Wellingtons' defence to be examined. By accurately passing Durham secured the only goal made in this quarter. Will Lavelle doing the trick from a side shot which he has patented this year. Owen Sound felt a little uneasy at the end of the quarter as they counted on doing all the scoring.

The second quarter started with our boys playing superior lacrosse to the boys from the north. The play throughout this quarter was full of ginger. At times both sides got their combination going, but the work of the Durham home was more effective and they again bulged the net. The remainder of the quarter was interesting, as the red and white Bronchos were trying to penetrate through our defence in mad rushes but only to be disappointed in the attempt. The score at half time stood Durham 2, Owen Sound 0.

In the third quarter, Owen Sound seeing that their chances for winning were growing less hopeful, started in to do the next best act that they are so capable of doing and so eager to perform—that of "slugging." Every few minutes an Owen Sound man would cry out for a stick to replace the one that was being used as a sledge hammer. They must have chartered a special train to carry their supply of "stick" which came in very handy. But the game forged ahead with both teams fighting hard. "Alex," Graham, who was playing an errorless game on the home, received an ugly cut over the eye early in this quarter which prevented him from playing the game he usually does and thus broke up the combination to a considerable extent. However, the wound was dressed, and the eye being covered he was handicapped at times for "light." The home now weakened made the task harder for our defence and shortly after play was resumed Owen Sound found the net for the first time and their faces shone more brightly. This quarter ended Durham 2, Owen Sound 1.

The punishment our boys received in the previous quarters told on some of them and they entered the fourth quarter pretty well battered up. The ball was hovering around the Durham net quite frequently and shot after shot was rained upon Charlie Lavelle. About the middle of the quarter Owen Sound tallied and evened the score. At this period all Owen Sounders on the ground were up in the air resembling a lot of "jumping jacks," so glad were they that Providence was so merciful to them as to tie them with the "wise men that came from the east." When time was up the score stood 2 all.

The referee ordered the teams to line up again to break the tie—playing for half an hour or till one side scored. This was yielded to and in about three minutes Owen Sound had placed the ball in the net and thus won the hardest-fought battle of the season amid deafening cheers from their supporters. The line-up was as follows:—

Durham—Graham, Crawford, McDonald, Lavelle, Theobald, Matheson, Hunter, Graham, Glass, Lavelle, McCaffrey, Hutchison.

Owen Sound—Patterson, Dowkes, Thompson, Armstrong, Chesney, Hart, Cruickshanks, Muir, Cummings, Munro, Bennett, Fleming.

### NOTES.

Durham lost.

Owen Sound enters into the semi-finals.

We wish the Wellingtons luck since they beat us out for the Junior Championship.

Charlie Lavelle in goal was a puzzle to the Wellingtons as he stopped everything—high or low, swift or slow that was shot at him until he was knocked out. As Kipling says:

"Oh, he's little but he's wise  
He's a terror for his size."

Why don't you smile, Durham? So we do, but they don't seem to stay.

The Owen Sounders left home as lacrosse club, but returned as a "broom brigade."

Pete Matheson was the star of the day. Nothing on the ground could stop him, not even an Owen Sound stick.

How an Owen Sounder looked when half time was called.

Durham's colors are the blue and white. On leaving Hanover they wore mostly "blue."

Theobald was taken for The-obald at times. Wes. let the other fellow do the "rubbering" while he played lacrosse.

Jack Shaw took a "Sharpe" flight to Hanover to witness the game.

Tom Cook was on the grounds with a Nichol and made things jingle for a little.

"Shamy" Graham's check was all the brighter for having rubbed up against him.

Referee Waghorne had the fence beautifully decorated throughout the entire game. He is bound to make everybody play clean lacrosse.

### SCHOOL RE-OPENING.

The Durham Model and Public School will re-open for regular work on Thursday of next week, Sept. 1st. All interested in Junior Leaving and Junior Matriculation work, will do well to enroll themselves at the beginning of the term. Now is the time to lay in material for next summer's Examination.

THOS. ALLAN, PRINCIPAL.

## THE LATE HARRY BOULDEN.

(Brockville Times.)

August 15th.—Relatives in Brockville were notified this morning by telegram of the death at Elmwood, Ont., of Harry Boulden, an estimable young citizen of this town who removed to that place a year and a half ago for the benefit of his health. The end was not altogether unexpected as it had been known for some days that he was in a very precarious condition. He suffered from that terrible malady, consumption, his illness being a long and painful one. Through it all he bore up with great Christian fortitude and at the last passed peacefully away.

Mr. Boulden was only 33 years of age. Prior to his last illness he was manager for G. A. Rudd & Company, discharging the duties of the position with credit to himself and also to the satisfaction of the company.

Mr. Boulden was actively identified with the Wall street Methodist church of which he was a consistent member. He was president of the Epworth League and superintendent of the Park street Sunday school for some time. His labors in both organizations were highly appreciated by all. His manly Christian bearing and jovial nature stood out conspicuously at all times.

Deceased married Miss Duwell, of Brockville, who with six sisters and one brother survive.

The body will be brought here for burial and the date of the funeral will be announced later.

August 17th.—The body of the late Harry Boulden arrived this morning by the early train from Elmwood, Ont., and was transferred to the residence of Thos. Dowell, brother-in-law of the deceased, residing on the corner of Pearl and Garden streets. The funeral will be held at 3 o'clock to-morrow afternoon to the Maitland cemetery. In addition to the surviving relatives of the deceased, mentioned in Monday's issue, the names of his parents should have been added.

August 19th.—A very large course of sorrowing friends and relatives paid their last tribute of respect to the memory of the late Harry Boulden, whose obsequies were held yesterday afternoon. Pled in profusion around the casket at the residence of Thos. Dowell, brother-in-law of the deceased, were many handsome floral tributes, these included the following:

A broken wheel, the Misses Berry, Elmwood; casket bouquet, Elmwood friends, Mrs. Hanbermah and Mrs. Rudolph, Elmwood; spray, Elmwood friends; casket bouquet, Mr. and Mrs. A. Shaver, Toronto; a cross, Wall St. Epworth League, Brockville; a pillow wreath, members of the Dowell family; wreath, Jennie McFarlane; casket bouquet, Mrs. and Miss Wood; casket bouquet, Sophia Sanfield; casket bouquet, Miss Hooker; casket bouquet, Mr. and Mrs. A. D. Adams; casket bouquet, Mrs. J. Boulton; spray, Everett Chester; cut flowers, Mrs. Rogers; broken circle, Park St. Methodist Sunday School.

The funeral services were conducted at the house by Rev. T. J. Mansell, who paid a graceful tribute to the noble Christian qualities of the deceased and the work he had accomplished in connection with the various branches of Wall street church. The cortege then proceeded to Maitland where interment was made.

The pall-bearers were four brother-in-laws, Messrs. T. O. Dowell, W. J. Dowell, N. H. Chester, E. Carpenter.

### OBITUARY.

Donald Kennedy died at Hot Lake Sanitarium on August 12th. Such was the brief message wired to Mr. and Mrs. Charles Kennedy announcing the death of their son. Donald had been ill for about a year of diabetes, but had improved so much that he was able to assist in the work of the Sanitarium and intended to come home this fall. But this was not to be, for he was suddenly taken much worse and lasted but a day.

Donald was born in Glenelg in March 1874, and so was in his 31 year. He went to Manitoba in 1892 and worked with a lumbering firm for a number of years. He went with the same company to the Crow's Nest Pass and was foreman there for them for a time. He then went mining in British Columbia and finally drifted down to Bourne in Oregon where he worked in a mine until he was no longer able to work.

He there joined the Society of the fraternal Order of Eagles, who when he was not able to care for himself cared him in the Sanitarium where he sent him to the best medical advice, the best nursing and all the comforts of home except the presence of loved ones. The Eagles watched over him and attended to his every want and when the end came they, on August 14th, laid him to rest in the cemetery in Baker City, Oregon.

Donald was of a lovable disposition and while here he was liked by all and seems to have made friends wherever he went. His father and mother with four brothers and four sisters remain to mourn the loss of a son and brother. The whole community extends sympathy to them in their time of sorrow when they sigh for a touch of the vanished hand and the sound of the voice that is still.—Com.
